Identity and Nation in African Football C. Onwumechili, G. Akindes, 2014-04-08 The 2010 South African World Cup launched African football onto the global stage. This volume brings together top scholars on African football to explore a range of issues such as gender, identity, nationalism, history, cyber-fandom, the media and fan radicalization.

**Developing Strategic Business Models and Competitive Advantage in the Digital Sector** Daidj, Nabyla, 2014-09-30 Rapid technological advancements have the ability to positively or negatively impact corporate growth and success. Professional leaders and decision makers must consider such advancements when designing and implementing new policies in preparation for the sustainable future of the business environment. *Developing Strategic Business Models and Competitive Advantage in the Digital Sector* focuses on the application of preemptive planning in the media and entertainment industries to combat an increasingly uncertain future of innovation and competition. With research-based examples and analysis, this book is an essential reference source for academicians, researchers, and professionals interested in learning more about the impact of technology on industry success, including the changes and challenges created by the Internet and electronic media.

**Vivendi** Philippe Bouquillion, 2021-06-06 This book identifies and analyses the main socio-economic trends that characterize Vivendi, the French mass media conglomerate, and explores how they have oriented its development and evolution. Philippe Bouquillion explores the industrial, financial, globalization and public policy issues in the various sectors in which Vivendi is involved, paying particular attention to recorded music, pay television, publishing, video games, advertising and telecommunications. He examines Vivendi's role as a key global player in the entertainment and cultural industries as a result of its established position as world number one in recorded music via Universal Music Group. He also highlights Vivendi's involvement in various national markets, including their notable strategies in African markets and their significance in the telecommunications and television markets in Italy. This book will be of interest to students, scholars and researchers of global media, media and cultural industries, and political economy.

**The Global Sport Economy** Michel Desbordes, Pascal Aymar, Christopher Hautbois, 2019-05-29 This book examines the global sports ecosystem through three of its central pillars: Sport marketing, sports equipment manufacture and sales, and sport governance and organization. By focusing on these three themes, the book presents a nuanced and multi-faceted view

of how the global sports economy works and what its main strategic challenges and opportunities are. Offering a balance between theory and practice, and adopting an international perspective with case studies and examples from the Americas, Europe and Asia, the book addresses key issues such as corporate social responsibility, the impact of culture on international sport business, innovation and entrepreneurship, and consumer behaviour. The Global Sport Economy is fascinating reading for students, researchers and practitioners with an interest in sport business and management, sport marketing, the sporting goods industry and distribution and sport governance.

Sport, Public Broadcasting, and Cultural Citizenship Jay Scherer, David Rowe, 2013-08-15 This book examines the political debates over the access to live telecasts of sport in the digital broadcasting era. It outlines the broad theoretical debates, political positions and policy calculations over the provision of live, free-to-air telecasts of sport as a right of cultural citizenship. In so doing, the book provides a number of comparative case studies that explore these debates and issues in various global spaces.

*Routledge Handbook of Football Marketing* Nicolas Chanavat, Michel Desbordes, Nicolas Lorgnier, 2017-03-27 Football is big business. The top teams and leagues in world football generate billions of dollars in revenue and serve an audience of billions of fans. This book focuses on the marketing of football, as the apex of the contemporary football industry. Drawing upon key theories and concepts in sport marketing research, it highlights the critical strategic and operational elements that underpin effective marketing in football clubs around the world. Covering developments in sponsorship, marketing communications, CRM, strategic marketing, international marketing and digital media, it features authors and cases from countries including the UK, US, France, Spain, Germany, Italy, China and Japan.

Research Handbook on Sport and COVID-19 Paul M. Pedersen, 2022-11-11 This timely Research Handbook examines sport-related research and analysis pertaining to how the sport industry has been impacted by the Covid-19 pandemic. Taking stock of the changes over the course of the pandemic, it also provides key insights into how the sport industry and its stakeholders might move forward in post-pandemic times.

**Principles and Practice of Sport Management** Lisa P. Masteralexis, Carol A. Barr, Mary Hums, 2014-08-15 From the basic knowledge and skill sets of a sport manager to the current trends and issues in the sport management industry, the Fifth Edition of this best-selling text provides the foundation for students as they study and prepare for a variety of sport management careers. The authors, all well-known sport industry professionals, show students how to apply their new knowledge and skills to any segment in the sport industry from high school to the international arena. Principles and Practice of Sport Management, Fifth Edition continues to offer historical perspectives as well as thoughts about current and future industry issues and trends. It has, however, undergone substantial content updates in every chapter, including the inclusion of new developments or managerial approaches happening in the sport world, as well as the addition of new chapters on new

media in sport and club management. - New full color design and art program - Contains practical advice on how virtual communities and social networks can affect the job search process - Provides updated information on salaries in professional sports - Includes sections on evaluating coaches, programmatic goals, ethics, finances, and marketing as they relate to youth sports - Contains more in-depth coverage of disabilities in sports - New and updated content on the growing safety concerns related to concussions in youth sports through professional sports and within the NFL - New discussion of the ethical and legal implications of the Jerry Sandusky case - Current Issues section updated with new material on event security and the Boston Marathon bombings.
