Breaking the Inner Chain is an introspective look into the mind, heart and soul, addressing the paralysis, stagnation and other impediments that we've allowed to shackle our spirit and take us away from our God given promise. This book compassionately addresses the mix of personal, practical, and biblical issues surrounding the challenges of breaking through the mental chains and roadblocks that affect our success. Inside, we tackle the following questions: • How does God speak to me through His general revelation? • How can I recognize the daily lessons in everyday life scenarios? • How can I create my breakthrough moment? • What is the spiritual mindset of success? • Is it possible to adjust my mindset despite a difficult past? • How do I build a legacy that lasts?
