Why Do We Quote? Ruth Finnegan, 2011-03-01 Quoting is all around us. But do we really know what it means? How do people actually quote today, and how did our present systems come about? This book brings together a down-to-earth account of contemporary quoting with an examination of the comparative and historical background that lies behind it and the characteristic way that quoting links past and present, the far and the near. Drawing from anthropology, cultural history, folklore, cultural studies, sociolinguistics, literary studies and the ethnography of speaking, Ruth Finnegan's fascinating study sets our present conventions into crosscultural and historical perspective. She traces the curious history of quotation marks, examines the long tradition of quotation collections with their remarkable recycling across the centuries, and explores the uses of quotation in literary, visual and oral traditions. The book tracks the changing definitions and control of quoting over the millennia and in doing so throws new light on ideas such as imitation, allusion, authorship, originality and plagiarism.

They Never Said It : A Book of Fake Quotes, Misquotes, and Misleading Attributions Paul F. Boller Jr. Emeritus Professor of History Texas Christian University, Oklahoma John George Jr. Professor of Political Science and Sociology Central State University, 1989-05-18 Abraham Lincoln never said, You cannot fool all the people all the time. Thomas Jefferson never said, That government is best which governs least. And Horace Greeley never said, Go west, young man. In *They Never Said It*, Paul Boller, Jr., and John George examine hundreds of misquotations, incorrect attributions, and blatant fabrications, outlining the origins of the quotes and revealing why they should be consigned to the historical trashcan. Many of the misquotes are quite harmless. Some are inadvertent misquotes that have become popular (Shakespeare actually said, The best part of valor is discretion), others, the inventions of reporters embellishing a story (Franklin Roosevelt never opened a speech to a DAR group with the salutation, My fellow immigrants). But some of the quotes, such as Charles Darwin's supposed deathbed recantation of evolution, are blatantly dishonest and falsify the historical record. And others are chillingly vicious, filled with virulent racial and religious prejudices that completely distort the views of the person supposedly quoted and spread distrust and hatred among the gullible. These include the forged remarks attributed to Benjamin Franklin that Jews should be excluded from America, and the fabricated condemnation of Catholics attributed to Lincoln. An entertaining and yet thought-provoking book, *They Never Said It* sorts out a great deal of history and sets it right, going beyond a mere

catalog of popular misconceptions to reveal how conservatives and liberals, atheists and evangelists, all have at times twisted and even invented the words of eminent figures to promote their own ends. It is the ultimate debunking reference, a perfect complement to handbooks of quotations.

Oh No, Not "The Home" Peggy Rowe, 2024-10-15 Peggy Rowe is at it again, proving once more that great content is all around us, even in the retirement community she now calls The Home. In *Oh No, Not "The Home,"* eighty-three-year-old Peggy decides the time has finally come to move into a senior living facility with her husband, John, who follows his beloved bride . . . grudgingly. Once ensconced in The Home, however, John quickly makes a long list of eclectic friends and takes up bocci ball, hatchet throwing, pool playing, and various other distractions that keep him mostly sane. Meanwhile, Peggy finds humor in places a normal person would never think to look—and laughter around every corner. Missing dentures? A mouse in the house? Nude sunbathing with an unexpected audience? Gluttony in the dining hall? A chair volleyball game that turns into geriatric target practice? It's all here. With her usual mix of warmth and irreverence, Peggy brings her daily journal to life with an unforgettable mix of observations and confessions, written with the honesty of a true observer of the human condition and the urgency of an embedded reporter entrenched in a strange and distant land. You'll laugh, you'll cry, and before long, you'll start to think that Peggy and John and their many new friends are just the kind of people you wish you had for neighbors. Whatever you think you know about retirement communities, think again. This is life at The Home. And it's not exactly what the marketing brochure promised!

Andrei Bitov Ellen Chances, 1993-11-11 This is the first book on Andrei Bitov, one of contemporary Russia's most original writers. It plots his evolution from his early publications of the post-Stalin years to his mature masterpieces of the glasnost era. Ellen Chances assesses his place both in the Russian literary tradition from Pushkin onwards, and as part of a broader, international cultural heritage including Dickens, Fellini, and Proust. She explores his themes, from the psychological effects of Stalin on Soviet society to universal questions such as the human being's relationship with nature, history and culture, and discovers in his deeply philosophical and intensely psychological writings an innovative

methodology, 'ecological prose', that goes beyond modernist and post-modernist fragmentation in search of the wholeness of life.

We Are the Scribes Randi Pink,2022-10-18 A young adult novel by Randi Pink about a teenage activist who is visited by the ghost of Harriet Jacobs, an enslaved woman. Ruth Fitz is surrounded by activism. Her mother is a senator who frequently appears on CNN as a powerful Black voice fighting for legislative social change within the Black community. Her father, a professor of African American history, is a walking encyclopedia, spouting off random dates and events. And her beloved older sister, Virginia, is a natural activist, steadily gaining notoriety within the community and on social media. Ruth, on the other hand, would rather sit quietly reading or writing in her journal. When her family is rocked by tragedy, Ruth stops writing. As life goes on, Ruth's mother is presented with a political opportunity she can't refuse. Just as Senator Fitz is more absent, Ruth begins receiving parchment letters with a seal reading WE ARE THE SCRIBES, sent by Harriet Jacobs, the author of the autobiography and 1861 American classic, *Incidents in the Life of a Slave Girl*. Is Ruth dreaming? How has she been chosen as a "scribe" when she can barely put a sentence together? In a narrative that blends present with past, Randi Pink explores two extraordinary characters who channel their hopelessness and find their voices to make history.

A Seer Out of Season Harmon H. Bro,Harmon Hartzell Bro,1996-10-15 The gift of prophecy... Millions worldwide have turned to the writings of Edgar Cayce for advice on holistic medicine and spiritual growth. Hailed as the father of the New Age movement, his works have been translated into dozens of languages, and he has received outpourings of acclaim from individuals, doctors, and spiritual leaders around the globe. A Seer out of Season... Drawing from his experience as Cayce's

longtime associate, Dr. Harmon Bro has written the first-ever full-length biography of the gifted spiritualist. Long awaited by followers and skeptics alike, this definitive, intimate account tells the story of how an enigmatic Kentucky farm boy with no formal education became the soft-spoken seer who inspired so many. It is also the story of a man hounded by disbelievers who again and again branded him a charlatan--only to walk away stunned by his power.

Red Kant: Aesthetics, Marxism and the Third Critique Michael Wayne, 2014-09-25 Is Kant really the 'bourgeois' philosopher that his advocates and opponents take him to be? In this bold and original re-thinking of Kant, Michael Wayne argues that with his aesthetic turn in the Third Critique, Kant broke significantly from the problematic philosophical structure of the Critique of Pure Reason. Through his philosophy of the aesthetic Kant begins to circumnavigate the dualities in his thought. In so doing he shows us today how the aesthetic is a powerful means for imagining our way past the apparent universality of contemporary capitalism. Here is an unfamiliar Kant: his concepts of beauty and the sublime are reinterpreted as attempts to socialise the aesthetic while Wayne reconstructs the usually hidden genealogy between Kant and important Marxist concepts such as totality, dialectics, mediation and even production. In materialising Kant's philosophy, this book simultaneously offers a Marxist defence of creativity and imagination grounded in our power to think metaphorically and in Kant's concept of reflective judgment. Wayne also critiques aspects of Marxist cultural theory that have not accorded the aesthetic the relative autonomy and specificity which it is due. Discussing such thinkers as Adorno, Bourdieu, Colletti, Eagleton, Lukács, Ranciére and others, *Red Kant: Aesthetics, Marxism and the Third Critique* presents a new reading of Kant's Third Critique that challenges Marxist and mainstream assessments of Kant alike.
