The Wine Bible Karen MacNeil,2015-10-13 Announcing the completely revised and updated edition of The Wine Bible, the perennial bestselling wine book praised as “The most informative and entertaining book I’ve ever seen on the subject” (Danny Meyer), “A guide that has all the answers” (Bobby Flay), “Astounding” (Thomas Keller), and “A magnificent masterpiece of wine writing” (Kevin Zraly). Like a lively course from an expert teacher, The Wine Bible grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil’s information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and, because of the author’s unique voice, always entertained: “In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin.” Or, describing a Riesling: “A laser beam. A sheet of ice. A great crackling bolt of lightning.”

The New York Times: 36 Hours. 125 Weekends in Europe Barbara Ireland,

The Encyclopedia of Demons and Demonology Rosemary Guiley,2009 Explores this dark aspect of folklore and religion and the role that demons play in the modern world. Includes numerous entries documenting beliefs about demons

and demonology from ancient history to the present.

Travelin' Man Louhon Tucker, 2019-04-16 International crime-solvers – Spence Harrington and Ginger Martin A unique bank theft occurs with similarity to a spectacular unsolved theft at a pivotal international bank thirty years earlier. The consequences of this new crime now threatens the stability of the world's banking and financial systems. Spence Harrington and Ginger Martin are back in action with Travelin' Man with their next baffling international crime-solving case as they cleverly delve through intrigue and clues that lead to various exotic locations as they eliminate the real and escalating threat posed by the sinister crime which has been uncovered. Spence Harrington has built a secret international organization with one objective – to draw upon the unique and highly refined skills and resources that he has assembled to solve crimes, the solutions to which have eluded the world's best intelligence and enforcement agencies. Harrington is a uniquely handsome man who has chosen a life of danger. His eyes suggest mischief, but also indicate that he is someone of humor, caring, strength, confidence and success with a quick smile and an even quicker inquisitive mind. He is aided in these crime-solving endeavors by his beautiful, spirited, smart and feisty assistant, Ginger Martin. Those who come into contact with both are likely to observe that they are friendly and approachable although the confident and firm manners of Spence and Ginger signal that they should never be taken lightly nor ever underestimated. Together, they share a zest for life and spirit for adventure and, known only to themselves, their lives are filled with fun-loving excitement, danger, intrigue and the immense satisfaction of prevailing where others have failed.
