Sylvia Browne,Lindsay Harrison

End of Days Sylvia Browne,Lindsay Harrison,2008-06-24 Religious wars, global terrorism, pandemics, and genocide have all helped to usher in the Anxiety Age. Who better to lead the way out than popular psychic Sylvia Browne? In End of Days, Browne tackles the most daunting of subjects with her trademark clarity, wisdom, and serenity, answering such difficult questions as: What's coming in the next fifty years? What do the great prophecies of Nostradamus and the Book of Revelation mean? If the world is really going to end, what will unfold in our final hours? For anyone who's ever wondered where we're headed, and what—if anything—we can do to prevent a catastrophe of biblical proportions, End of Days is a riveting and insightful must-read.

Prophecy Sylvia Browne,Lindsay Harrison,2005-07-05 World-renowned psychic and bestselling author of End of Days Sylvia Browne turns her psychic wisdom to the puzzling, often contradictory predictions proposed by major historical and contemporary figures, ranging from Biblical prophets, to Nostradamus, to President George Washington, to NASA scientists. Sylvia Browne, the psychic who offered eerily accurate predictions of our current days, examines what the future holds for us in this guide to the most famous—and notorious—prophetic voices throughout the ages. Browne offers a clear and fascinating vision of the world as it will be from five years into the future to five hundred, with a startling and revealing look into the future of our nation and our world—and a beacon of hope and inspiration in these uncertain times. “I've personally witnessed Sylvia Browne bring closure to distraught families, help the police close cases, and open people’s hearts to help them see the good within themselves.”—Montel Williams

Sylvia Browne's Lessons for Life Sylvia Browne,2009-12 Secrets & Mysteries of the World For those of us who have always been fascinated by the unexplained - or inadequately explained - secrets and mysteries of this world, Sylvia Browne now comes to our rescue. Using a combination of information from her spirit guide Francine as well as her own incredible psychic powers, Sylvia augments current scientific research to provide us with detailed explanations about seemingly inexplicable concepts. From the Great Pyramid to Stonehenge, Sylvia reveals amazing facts about some of the world's most mysterious sites. The truth behind sacred and controversial topics such as the Shroud of Turin, the Holy Grail, and the lost years of Jesus are also brought to light; and fascinating and mystifying subjects such as crop circles, vampires, voodoo, Atlantis, extra-terrestrials, Easter Island, and many more are examined and clarified. Sylvia tears away the obscure and

timeworn explanations that hide the underlying truths about these phenomena, taking us on a fabulous journey that unlocks the secrets and mysteries that surround us in this "wonder-full" world.

The Nature of Good and Evil Sylvia Browne, 2009-11 We constantly see the "senseless violence" in our world, and it begs the question: "How can an all-loving God allow this to exist?" Indeed, many people simply reject any notion of God for this very reason. This book, the third in Sylvia Browne's Journey of the Soul series, gives you the philosophical framework to understand the nature of good and evil - and the role of God in the big picture. When you see how evil originated and why it thrives in our world, you're more prepared to face it and overcome it. Sylvia points out that you need not fear "evil spirits" or "curses" - which are merely stories bred from ignorance. And how would you like to serve as one of God's warriors of Light? Sylvia explains how to enlist! By combining her philosophical and theological views, Sylvia creates a spiritual umbrella that rises above traditional religion. All paths that lead to knowing God have merit.

Prayers Sylvia Browne, 2009-11 The pages of *PRAYERS* are taken from Sylvia Browne's sermons, delivered at her church, Society of Novus Spiritus. In each case, the words were "infused" into her by her spirit guide Francine, and of course, by God. Granted, these words are a passive mode of prayer, yet the goal is to recharge your spiritual battery so that you'll be able to go out into the world and do God's work. "Over many years of public work, people have often asked me how to pray. My answer is simple, 'Just talk to God, and make your life a living prayer. These prayers will lift your soul and let you magnify the Lord. They have done so for me and thousands of others. Many miracles have occurred by the power of prayer, and now I want to share these commanding words with you.'"

Throw No More Stones Frank Conte, 2022-11-03 I don't have all the answers. I make no claim how I came to perceive should replace today's acceptable understanding of the Bible. But what I do know is one thing I do know: Out of nearly eight billion humans on earth, of necessity, no two were ever appointed to think or act precisely alike. But since souls were created in the image of God, humans inevitably followed suit, meaning humans are intelligent. However, without solid evidence to back up questions of human life mysteries, who is qualified to proclaim what is truth and what is not? So as a novice, curiosity beckoned me to strive. However, it has taken me forty-seven years of on-again, off-again studying, fifteen years of that to undergo a skill I did not possess, that as an author. I stood fast in my pursuit to try to do the best I could, especially to share with those who are likewise disadvantaged. Anything and everything becomes possible if one is stimulated enough. There is nothing to fear, for everything in life has a purpose. Not comfortable as a proselytizer, but if my effort in some way could motivate at least just one other soul among the eight billion, I consider this struggle of mine justified. This book is dedicated to all herein mentioned and then some authors who played a crucial role in my understanding what the meaning of life is all about.

Sylvia Browne's Book of Angels Sylvia Browne, 2009-12 The arts abound with inspiring portrayals of angels, nearly every religion includes some description of these celestial beings in their teachings, and people from all cultures and geographic locations believe in them and their miraculous powers. But do angels really exist? Can we call upon them when we need them? What do they look like? Why are ...

The Two Marys Sylvia Browne,Lindsay Harrison,2007-11-06 The #1 New York Times bestselling author addresses the controversial questions about the life of Jesus Christ and the women in his life. An extraordinary message from "possibly the most famous psychic in the world,"(Mystic Living Today)Sylvia Browne: "In writing this book, I was amazed to find out that I actually had visions of what was happening...a manifestation of the infusion that I was getting from God. God does work in mysterious ways." Many controversies have gone unanswered in Christianity for centuries. Now, told from the unique perspective only Sylvia Browne could bring, The Two Marys focuses on the greatest of those extraordinary unknowns: the two most important women in Jesus's life?his mother and his wife?whose profound influence on him has been marginalized by Christian churches and reinvented out of contradictions, misrepresentations, and fabrications. Finally, Sylvia Browne uncovers the hidden history of these two remarkable women in a story that will challenge the very basis of traditional Christian faith.
