Harper Romance Omnibus HarperCollins Publishers India, 2015-07-10 Love is timeless, so are love stories. Three modern, quirky tales of love in one romance-charged e-book. *I Do! Do I?:* Kasturi Shukla is all set to marry the man of her dreams. Time to stop doing silly things and start living happily ever after, right? Well, then maybe someone should tell Kasturi that. This irrepressibly irreverent and not-quite-beaming bride-to-be fumbles through a messy engagement and, in a moment of indecision, steps across a line that she should never have been near. To make things worse, her best friends are now nauseatingly mushy star-crossed lovers, her future mother-in-law thinks the kitchen-phobic Kasturi is a fabulous cook, her colleague Padma hates her for no reason, her boss wants medical intervention for her imaginary deafness and her mother has become a cyber-celebrity. This was not the way things were meant to go. Smart, hilarious and utterly unpredictable, *I Do! Do I?* will have you at the edge of your seat - unless you've already fallen off it laughing. *Married But Available:* The first ten years are the most eventful, they say, in anybody's working life. They certainly are in the case of Abbey, who walks into a job at Balwanpur Industries, fresh from B-school. Working in HR is fun, he soon discovers. What isn'tis the fact that there's hardly anybody in the company who doesn't have a view of who Abbey is and what Abbey does-or should do. Add to this the complications of being newly married to a woman more successful than he is, a crusty boss, and a sudden turn in the company's fortunes that catches Abbey unawares. It's up to him now, to apply all that HR wisdom learnt in business school to the dilemmas confronting him at work and in love. Can he hold down his job or will it end the way his marriage threatens to - rapidly and without too many regrets? *Just Married, Please Excuse:* Yashodhara, a quick-tempered gal from the big city, is hitched to Vijay, a laidback desi boy from a small town - in one word, trouble! The young couple must learn to adjust to married life and to each other - whether it is Yashodhara's 'tamper tentrums' or Vijay's foot-in-mouth syndrome - with a little help from their idiosyncratic staff Zarreena and Vinod, their nutty friend Vivi and, of course, their respective families. With the unexpected arrival of baby Anoushka a.k.a Peanut, the battles escalate, fuelled by their vastly divergent views on raising a child. Will their many differences - so endearing at the start of their romance - actually turn out to mean that they are just incompatible? Will they ever manage to agree on anything? Or have they just bitten off more than they can chew? A fresh and

honest take on marriage and parenthood, this is a story of self-discovery that will have you laughing out loud - and sympathizing wholeheartedly with its quirky and likeable cast of characters.

The Indian Slow Cooker Anupy Singla, 2018-11-13 "India's [cuisine] is perhaps best suited to the steady simmer of a slow cooker . . . easy, healthful recipes with traditional flavors. " —Better Homes & Gardens This updated edition of Anupy Singla's bestselling debut cookbook includes fifteen additional Indian recipes developed specifically for the slow cooker. Since its original publication in 2010, *The Indian Slow Cooker* has become a touchstone primer for everyone seeking an accessible entry point to cooking authentic, healthy Indian fare at home. Taking full advantage of the ease and convenience of the slow cooker, these recipes are simpler than their traditional counterparts and healthier than restaurant favorites, as they don't require extra oil and fat. Singla's "Indian Spices 101" chapter introduces readers to the mainstay spices of an Indian kitchen, as well as how to store, prepare, and combine them in different ways. Among these sixty-five recipes are all the classics—specialties like dal, palak paneer, and aloo gobi—and dishes like butter chicken, keema, and much more. The result is a terrific introduction to healthful, flavorful Indian food made using the simplicity and convenience of the slow cooker. "Next time you have a hankering for Indian food, don't think take-out. Think ahead. That's the message from Anupy Singla, author of *The Indian Slow Cooker* who is on a mission to correct misperceptions about Indian food. " —Associated Press "Because Indian dishes are rich in spices and robust flavors, they stand up well in slow cookers. Singla actually developed the recipes specifically for the slow cooker so the techniques and ingredients work well in the machine. " —Good Housekeeping

The Desirable Sister Taslim Burkowicz, 2019-11-13T00:00:00Z Gia and Serena Pirji are sisters, but as the first-generation born in Canada to immigrant parents, their lives play out in different ways because of their skin tone. Gia's fair skin grants her membership to cliques of white kids as a teen, while Serena's dark skin means she is labelled as Indian and treated as inferior. This superficial difference, imposed by a society obsessed with skin colour and hierarchy, sets the sisters into a dynamic that plays out throughout their lives. In a world where white skin is preferable, the sisters are pitted against each other through acts of revenge and competition as they experience adultery, ruined friendships, domestic abuse, infertility and motherhood. Taslim Burkowicz's vivid, sensory-rich writing style brings readers to the party scene in Goa, suburban supermarkets in Vancouver and a safari in Africa, where Gia and Serena navigate through the highs and lows of a tumultuous, loving relationship. *The Desirable Sister* reveals the bitter games of treachery women are forced to play to achieve the ranks of beauty and success, and ultimately shows the strength of love between sisters.

Words Of Passage Bala Thomson, 2012-11-20 Bala's Story is third volume in a set published by Xlibris under the generic title of *Words of Passage*. The period covered starts with her father-in-law's story, *Words of Passage: The Original*, and then there is her husband's memoir, *Words of Passage: A Journalist Looks Back*. Bala's Story touches on her Hindu values, and

then features the struggles she had in a Western country with a small Indian population, and how she transformed life there with the talent of her cooking, the charm of her language and the determination that gave her a place in broadcasting history.
