*Unrequited Love* Radhika Singhal, We can't chose not to fall in love with someone. We occasionally fall head over heels for someone, regardless of our social conditioning, education, or objectives. Many kinds of art and literature have been inspired by unrequited or unreciprocated love. As crucial as it is to not avoid interactions, one must always be aware of situations in which one feels undervalued. In unrequited love, it's critical to love oneself enough to prevent unhealthy coping methods. Unrequited love is when you love someone but they don't love you back. When your sentiments aren't returned, your thoughts and emotions can spiral out of control. Unrequited Love is a book full of acceptance, mourning, setting boundaries for oneself, self-love, one sided love and the unreciprocated love,

**Love, Loathing and Longing: The Story of My Unrequited Love** Mrigen Sharma, 2021-07-30 Hi, I'm Rishav. I'm a university graduate, and my flaw is falling in love with a peer girl. I find dashing Anuska in DU, the best fresher of the department, to be my perfect match, although our meeting in the first year goes very badly. Knowing that she has a boyfriend, I try to put her out of my mind until she embarks on a passionate love for me. Anjali, another batch-mate, simple and intelligent, is shocked to find out that she too wants me, whom she has thought of as her best friend. Like every ill-fated boyfriend, I am also loaded with two unique problems: earning money and getting parental consent to tie the nuptial knot. Finally, I come to a militancy-infested hill station to earn my keep. Anuska's father is a heart patient; she can't betray him. And I falter at the crucial moment. Anjali awaits me in the shadows... Love Loathing and Longing is not a love story with a happy ending. It's just a story of my unrequited love.

**The Brightest Spark** Victoria Lum,2023-11-08 What is the person she despises is the perfect man for her? He's known as a Casanova, a flirt, a philanderer. But to me, he's nothing but a pain in the neck. We're like oil and water, fire and explosives - a volatile mix that can't seem to stay away from each other. Twelve years ago, Jack Szeto was the bad boy with the lip ring and panty-melting grins. I was the goodie-two-shoes with the fancy last name who never fell for his act. Now, he's a devil in an expensive suit - the Jack of all trades who still has the power to seduce women from all walks of life. When my best friend begged me to model in a sexy photoshoot for an upcoming romance novel from a bestselling author, I agreed without knowing Jack would be one of my partners in the racy sessions. Suddenly, every room with him in it feels stifling. Every brush of his body against mine feels intoxicating. And the intensity in his gaze threatens to blaze through my carefully erected barriers. I'm forced to wonder if his bad boy persona is all an act or if I'm going to be another woman falling victim to his charms. Or maybe he's the brightest spark I've been waiting for all my life. Tropes for The Brightest Spark: □Unrequited love □Opposite sides of the tracks □Enemies to lovers (from the female character's perspective) □Touch her and you'll regret it □Forced proximity □Bad boy with good girl □Forbidden □Swoon and light angst and holidays!
