Things Don't Mean Anything Until They Mean Something John A. Bayerl, 2018-12-11 This is not a “how to” book; rather, it is a “how it was” description of a man experiencing profound grief and gradually healing and moving toward learning to love again. Through vignettes and relevant poetry, the reader will become enmeshed in this account of lost love and the indomitable desire to love again. Death is seen not only as an ending, but also as an opportunity for a new beginning.

Hope Has a Cold Nose Christine Hassing, 2020-09-28 “To have a service dog like Able should be the medication any soldier is prescribed who has gone out and had trauma of some kind.” In *Hope Has a Cold Nose*, Christine Hassing relays true stories of military veterans and others who rose from the ashes of PTSD and MST with the help of their service dogs. Devoting every chapter to a different human-canine pair, Hassing shares the story of each person with PTSD and their service dog with pathos and creativity. These powerful stories, part testimonial, part author’s interpretation using rhythm and rhyme, bring important insights about how service dogs help people with PTSD and MST in countless ways. From sensing a nightmare and waking a veteran before terror takes hold, to placing a comforting paw on someone’s shoulder to

ward off a panic attack, these dogs play a key role in helping those who've lived through trauma reintegrate into society. Lovingly written, *Hope Has a Cold Nose* is a unique and compelling collection of survivors' stories for dog lovers of all kinds, for those who've experienced PTSD and their loved ones, and for those interested in how service dogs can help people heal from the deepest emotional wounds.

Jesus' Journey to the Cross William Powell Tuck, 2021-09-16 Discussions of Jesus' words and actions as he went to the cross are fairly common. What about the other players? How do their reactions connect to the critical, final action of Jesus? Dr. William Powell Tuck, who has previously written about the centrality of the cross in Christian faith (*The Church Under the Cross*), and the last words of Jesus (*The Last Words from the Cross*), takes a look at the reaction of others who were involved, leading up to the final cry of Jesus, "It is finished!" In doing so, Dr. Tuck leads us to questions of how we respond to Jesus personally, and especially to the meaning of this central event of Christianity. It is easy for us to think about the resurrection and to speak of the joy, strength, and triumph that it portrays. But we lose the depth and breadth of the resurrection when we fail to look at these scenes from the journey Jesus took to the cross itself. Our response to strength, glory, and triumph is less a demonstration of who we are than our response to trials and apparent tragedy. In this book you will learn to look at different perspectives on that difficult time, as people react to events they do not understand. How can we learn to respond better to the situations that our lives present to us? This book is suitable for individual reading, and would also make an excellent study for a small group. While it would be particularly valuable as a Lenten study, meditation on the cross is valuable at any time of the year.
