

A Letter To The American Church

Eric Metaxas

Letter to the American Church Study Guide Eric Metaxas, 2023-03-23 The Letter to the American Church Study Guide serves as a companion workbook to the bestselling book by Eric Metaxas. In his thought-provoking work, Metaxas draws striking parallels between the failure of the German Church in the 1930s to oppose tyranny and injustice, urging the American Church to take action. However, answering this call to action may require venturing into unfamiliar terrain. To assist readers in taking their first steps, this study guide offers daily reflection questions and weekly discussion groups, facilitating engagement with the material. Each chapter summary provides a condensed overview, enhanced by a convenient word bank featuring key terms and concepts. Moreover, the guide concludes with a guided prayer for each chapter, inviting readers to humbly seek the Holy Spirit's guidance.

Letter to the American Church Eric Metaxas, 2024-10-01 In an earnest and searing wake-up call, the author of the bestseller *Bonhoeffer: Pastor, Martyr, Prophet, Spy* warns of the haunting similarities between today's American church and the German church of the 1930s. Echoing Bonhoeffer's prophetic call, Eric Metaxas exhorts his fellow Christians to repent of their silence in the face of evil before it is too late. Now in paperback! "Silence in the face of evil is itself evil. Not to speak is to speak. Not to act is to act. God will not hold us guiltless." Can it really be God's will that His children be silent at a time like this? Decrying the cowardice that masquerades as godly meekness, Eric Metaxas summons the Church to battle. The author of a bestselling biography of Dietrich Bonhoeffer, Metaxas reveals the haunting similarities between today's American Church and the German Church of the 1930s. Echoing the German martyr's prophetic call, he exhorts his fellow Christians to repent of their silence in the face of evil. An attenuated and unbiblical "faith" based on what Bonhoeffer called "cheap grace" has sapped the spiritual vitality of millions of Americans. Paying lip service to an insipid "evangelism," they shrink from combating the evils of our time. Metaxas refutes the pernicious lie that fighting evil politicizes Christianity. As Bonhoeffer and other heroes of the faith insisted, the Church has an irreplaceable role in the culture of a nation. It is our duty to fight the powers of darkness, especially on behalf of the weak and vulnerable. Silence is not an option. God calls us to defend the unborn, to confront the lies of cultural Marxism, and to battle the globalist tyranny that crushes human freedom. Confident that this is His fight, the Church must overcome fear and enter the fray, armed with the spiritual weapons of prayer, self-sacrifice, and love.

Please note: This is a summary & not the original book. Eric Metaxas's Letter to the American Church draws a parallel between the German Church's response to the rise of Nazism and the contemporary American Church's engagement with societal issues. He invokes the legacy of Dietrich Bonhoeffer, who saw the Church as the Bride of God, to critique the American Church's retreat from public discourse, which he views as a failure to live out its faith authentically. Metaxas challenges the interpretation of Faithful Presence as a call for disengagement and criticizes the American Church for its reluctance to address moral issues, such as the sanctity of marriage, the rights of the unborn, and the dangers of Marxist ideology...
