

Antonello Da Messina San Girolamo Nello Studio

Antonello (da Messina), Fiorella Sricchia Santoro, Museo e gallerie nazionali di Capodimonte

Antonello Da Messina Gioacchino Barbera, Antonello (da Messina), Keith Christiansen, Andrea Bayer, Metropolitan Museum of Art (New York, N.Y.), 2005 This book on one of the most influential painters of the 15th century early Italian Renaissance comprises of an informative essay by the author plus entries on seven works that will be seen for the first time in the United States as part of a focus exhibition at The Metropolitan Museum of Art, New York.

The Renaissance Nude Thomas Kren, Jill Burke, Stephen J. Campbell, 2018-11-20 A gloriously illustrated examination of the origins and development of the nude as an artistic subject in Renaissance Europe Reflecting an era when Europe looked to both the classical past and a global future, this volume explores the emergence and acceptance of the nude as an artistic subject. It engages with the numerous and complex connotations of the human body in more than 250 artworks by the greatest masters of the Renaissance. Paintings, sculptures, prints, drawings, illuminated manuscripts, and book illustrations reveal private, sometimes shocking, preoccupations as well as surprising public beliefs—the Age of Humanism from an entirely new perspective. This book presents works by Albrecht Dürer, Lucas Cranach, and Martin Schongauer in the north and Donatello, Raphael, and Giorgione in the south; it also introduces names that deserve to be known better. A publication this rich in scholarship could only be produced by a variety of expert scholars; the sixteen contributors are preeminent in their fields and wide-ranging in their knowledge and curiosity. The structure of the volume—essays alternating with shorter texts on individual artworks—permits studies both broad and granular. From the religious to the magical and the poetic to the erotic, encompassing male and female, infancy, youth, and old age, *The Renaissance Nude* examines in a profound way what it is to be human.

Albrecht Dürer's material world Edward H. Wouk, Jennifer Spinks, 2024-04-30 The painter and printmaker Albrecht Dürer is one of the most important figures of the German Renaissance. This book accompanies the first major exhibition of the Whitworth art gallery's outstanding Dürer collection in over half a century. It offers a new perspective on Dürer as an intense observer of the worlds of manufacture, design and trade that fill his graphic art. Artworks and artefacts examined here expose understudied aspects of Dürer's art and practice, including his attentive examination of objects of daily domestic use, his involvement in economies of local manufacture and exchange, the microarchitectures of local craft and, finally, his attention to cultures of natural and philosophical inquiry and learning.

The Study Andrew Hui,2024-12-03 A uniquely personal account of the life and enduring legacy of the Renaissance library With the advent of print in the fifteenth century, Europe's cultural elite assembled personal libraries as refuges from persecutions and pandemics. Andrew Hui tells the remarkable story of the Renaissance studiolo—a "little studio"—and reveals how these spaces dedicated to self-cultivation became both a remedy and a poison for the soul. Blending fresh, insightful readings of literary and visual works with engaging accounts of his life as an insatiable bookworm, Hui traces how humanists from Petrarch to Machiavelli to Montaigne created their own intimate studies. He looks at imaginary libraries in Rabelais, Cervantes, Shakespeare, and Marlowe, and discusses how Renaissance painters depicted the Virgin Mary and St. Jerome as saintly bibliophiles. Yet writers of the period also saw a dark side to solitary reading. It drove Don Quixote to madness, Prospero to exile, and Faustus to perdition. Hui draws parallels with our own age of information surplus and charts the studiolo's influence on bibliographic fabulists like Jorge Luis Borges and Umberto Eco. Beautifully illustrated, *The Study* is at once a celebration of bibliophilia and a critique of bibliomania. Incorporating perspectives on Islamic, Mughal, and Chinese book cultures, it offers a timely and eloquent meditation on the ways we read and misread today.

Augustine Beyond the Book Karla Pollmann,Meredith Jane Gill,2012-05-11 This interdisciplinary collection of essays investigates the processes by which Augustine of Hippo's writings were re-invented in other media, including the visual arts, drama and music. Thereby it highlights the crucial role of Augustine's readers in constructing his universal stature.

La nostra Londra Simonetta Agnello Hornby,George Hornby,2020-02-19 Un inno a due voci a una Londra che continua a crescere e cambiare, dove ogni marea del Tamigi porta qualcosa o qualcuno di nuovo. Il racconto personalissimo e appassionato di Simonetta Agnello Hornby, ormai un classico per chi ama la città o la vede per la prima volta, si arricchisce adesso di luoghi nuovi e curiosi, descritti dalla voce ironica e brillante di suo figlio George Hornby. Simonetta Agnello giunge a Londra nel settembre 1963. A sole tre ore da Palermo, è catapultata in un altro mondo, che le appare subito come un luogo di riti e di magie. La paura di non capire e di non essere accettata segna il passaggio dall'adolescenza alla maturità. Si sposa, diventa Mrs. Hornby, ha due figli. Ora può riannodare i fili della memoria e accompagnare il lettore nei piccoli musei poco

noti, a passeggio nei parchi, nella amata casa di Dulwich e di Westminster, nella City e a Brixton, dove ha fatto l'avvocato. Al contempo, sulle orme dell'illuminista Samuel Johnson, cattura l'anima della sua Londra, profondamente tollerante e democratica. Il viaggio continua attraverso la voce di George Hornby, che con il suo humour tutto inglese e uno sguardo aperto e disincantato, ci svela novità, scoperte, luoghi profondamente mutati o finalmente divenuti accessibili, sempre permeati dalle storie umane di chi ha contribuito a crearli. Dal tempio di Mithras al Garden Museum, fino ai ristoranti e pub più rinomati o singolari della città, un percorso insolito e affascinante in una Londra che non avete ancora conosciuto e che non smette mai di stupire. Perché, come dice Samuel Johnson, «quando un uomo è stanco di Londra, è stanco anche di vivere».

Antonello da Messina Luciana Arbace, Antonello (da Messina), 1993

La mia Londra Simonetta Agnello Hornby, 2014-05-07 Simonetta Agnello arriva sola a Londra nel settembre 1963 - a tre ore da Palermo, è in un altro mondo. La città le appare subito come un luogo di riti e di magie: la coda nella fila degli aliens al controllo passaporti; l'autostrada sopraelevata diventa un tappeto volante. La paura di non capire e di non essere accettata forza impietosa il passaggio dall'adolescenza alla maturità. Diventa Mrs. Hornby. Ha due figli. Tutta una vita come inglese e come siciliana. Ora Simonetta Agnello Hornby può riannodare i fili della memoria e accompagnare il lettore nei piccoli musei poco noti, a passeggio nei parchi, nella amatissima casa di Dulwich, nel fascinoso appartamento di Westminster, nella City e a Brixton, dove lei ha esercitato la professione di avvocato; al contempo, cattura l'anima della sua Londra, profondamente tollerante e democratica, che offre a gente di tutte le etnie la possibilità di lavorare. Racconto di racconti e personalissima guida alla città, questo libro è un inno a una Londra che continua a crescere e cambiare: ogni marea del Tamigi porta qualcosa o qualcuno di nuovo per farci pensare e ripensare. Gioca in tal senso un ruolo formidabile la scoperta di Samuel Johnson, un intellettuale che vi arrivò a piedi, ventisettenne, alla ricerca di lavoro; compilò il primo dizionario inglese ed è considerato il padre dell'illuminismo inglese. Johnson appare negli studi che Tomasi di Lampedusa - ancora una volta il nodo fra Londra e Palermo - dedicò alla letteratura inglese, con un suo celebre adagio che qui suona motto esistenziale, filtro di nuova esperienza: «Quando un uomo è stanco di Londra, è stanco anche di vivere»
