Origen 'Commentary on the Gospel of Matthew' Apostle Horn, 2019-02-17 According to Eusebius (H. E. VI. 36) the Commentaries on the Gospel of Matthew were written about the same time as the Contra Celsum, when Origen was over sixty years of age, and may therefore be probably assigned to the period 246-248.

Ask and it is given (Translated) Neville Goddard, 2021-11-03 The purpose of this book is to indicate man's possibilities, to show that man can change his future; but, although modified, it again forms a deterministic sequence beginning at the point of interference—a future consistent with modification. The most important feature of man's future is flexibility. The future, though predetermined in advance in every detail, has many developments. At every moment of our lives we have before us the choice as to which of the many futures we will have.
