Between Wrath and Mercy Jess Wisecup,2022-08-22 A mother will do anything to save her child, no matter the cost. After her daughter is kidnapped, Emmeline Highclere-a thirty-four-year-old mother living in isolation with memories and grief her only companion-must do everything in her limited power and divine abilities to get the girl back. Emmeline believes her daughter, Elora, is the Beloved-the conduit with goddess-granted divine abilities prophesied to bring peace to the Three Kingdoms. Because the last person thought to be the Beloved was brutally murdered by the enemy kingdom of Folterra, Emmeline has dedicated the last sixteen years to hiding her daughter and keeping her safe. When Elora is kidnapped by a Folterrann prince, Emmeline must leave her place of hiding, resolving to do anything to rescue her daughter. But to have any chance against those who took the girl, Emmeline must call upon one of the most powerful conduits in the Three Kingdoms, the Crown Prince of Vesta-the man who broke her heart-and hope he helps her despite their estrangement. With the weight of his father's impending death hanging over his head, Crown Prince Rainier has begun to make moves to prove his dedication to assume the role of king. When he is visiting the estate that was once a second home to him, the woman who has long haunted his dreams and consumed his thoughts appears before him, asking for his help to find the child she had with another man. Now, he must decide: does he drop what he is doing to help Emmeline, or does he maintain his unwavering duty to the Crown? Now, Emmeline and Rainier must work together to find the Beloved-to save the girl from the Folterrans and fulfill the prophecy of peace-while they both battle feelings of remorse, grief, and heartbreak, trying to ignore the heated desire and simmering attraction between them that never left. Please Note: This book contains explicit content and darker elements, including mature language, violence, and sexual content. It is not intended for anyone under 18 years of age. This is book one in a series.

Biblical Commentary on the Prophecies of Isaiah Franz Delitzsch,1873

British Evangelical Theologians of the Twentieth Century Thomas Noble, Jason Sexton, 2022-04-21 Throughout the twentieth century, Britain produced some of the most prominent evangelical theologians in both church and academic circles. This survey and introduction, edited by Thomas Noble and Jason Sexton, presents twelve of these theologians, exploring what made their work so influential and their continued relevance for today. As well as surveying each man's work, *British Evangelical Theologians of the Twentieth Century* considers what is meant by calling these theologians 'evangelical' Christians - taking into account their understanding of biblical authority, standing in the Reformation tradition and treatment of Scripture as well as their approaches to biblical criticism and liberal theology. As a result, it is ideal for students looking to deepen their understanding of British evangelical Christianity as a whole, as well as increasing their knowledge of the individual figures. From James Orr and Lesslie Newbigin to John Stott and J. I. Packer, a range of perspectives within British evangelicalism is reflected. Along with brief biographies, each body of work is examined in three particular areas: stance on the Bible ('biblicism'), the atonement ('crucicentrism'), and concern for mission and evangelism ('conversionism'). *British Evangelical Theologians of the Twentieth Century* is a thorough introduction to twelve of the keenest and most influential minds in British evangelical thought. It will leave you with an appreciation of each man's contribution to English-speaking evangelicalism, as well as helping you to engage critically with their theology and understand how their work is relevant to the development and discussion of British evangelical theology today.

Barth on the Descent into Hell David Lauber, 2017-09-29 The Christian confession that Jesus Christ descended into hell has been variously misunderstood or simply neglected by the Church and dogmatic theology. This work is a significant retort to dogmatic forgetfulness and ecclesial misunderstanding. It succeeds in doing so by offering a close reading and critical analysis of Karl Barth's treatment of the descent into hell and its relation to his extraordinary theology of the atonement. The reach of David Lauber's work is extended by placing Barth in conversation with Hans Urs von Balthasar's innovative theology of Holy Saturday. In revealing and unexpected ways, this book casts light upon the ecumenical breadth of Barth's theology. It is a valuable interpretation of significant facets of Barth's doctrine of God, reflection upon the passion of Jesus Christ, and ethics. In addition, Lauber offers a constructive theological proposal for how the descent into hell affects the theological interpretation of Scripture, the trinitarian being and activity of God, and the non-violent and authentic shape of Christian life and witness before our enemies.

Mission Shaped by Promise Jukka A. Kaariainen,2012-10-03 Utilizing resources from Martin Luther and the Lutheran tradition, this study offers an understanding of the gospel as promise as key to addressing the challenge of relating the missio Dei to a generous, constructive approach toward the religious other. In its construction of a Lutheran missiology, it retrieves and reappropriates four resources from the Lutheran tradition: the gospel as promise, the law/gospel distinction, a theology of grace as promise of mercy fulfilled, and a theology of the cross utilizing the hiddenness of God. The law of God as accusing yet webbing humanity to its Creator; the gospel as the comforting promise of mercy; and the hiddenness of God as mystifying form the overarching framework within which the Lutheran missiology presented here seeks to engage the religious other by dialectically relating gospel proclamation and dialogue. Such a view of mission shaped by promise offers the paradox of God being both revealed and hidden in the cross as a distinctive contribution to an interreligious dialogue centered on the ambiguity and hiddenness of God.
