Severe Thunderstorm Watches and Warning John D Buck,2022-09-22 There have been numerous watches and warnings for severe weather. Understanding the distinction between a watch and a warning is crucial. When there are ideal conditions for the formation of severe storms, a severe thunderstorm watch is issued. They are released to warn people to be ready and maintain weather awareness for the duration of the watch. When a warning is in effect, severe thunderstorm warnings are also issued. The National Weather Service will then issue a warning when a storm is detected or indicated by radar and fits the criteria for a severe thunderstorm.
