

Everything I Love To Do Is Illegal

Michael Seilmaier

One Last Time Sisliya Raj, One Last time , Sometimes life doesn't give us forever it only gives us one last time and we don't know it was the last time ,One last smile , One last embrace ,One last word unspoken but felt. It's not about endings but something that undefined.If you knew it was the last time would you hold it tighter or would you live it fuller or would you go softer ? We never know what's the last time so be kind to everyone whoever you meet because we never know the battles what other is going throughSpread kindness wherever you go .

Together We March Leah Henderson,2021-01-19 March through history and discover twenty-five groundbreaking protest movements that have shaped the way we fight for equality and justice today in this stunningly illustrated and sweeping book! For generations, marches have been an invaluable tool for bringing about social change. People have used their voices, the words on their signs, and the strength in their numbers to combat inequality, oppression, and discrimination. They march to call attention to these wrongs and demand change and action, from a local to a global scale. Whether demanding protective laws or advocating for equal access to things like voting rights, public spaces, and jobs, the twenty-five marches in this book show us that even when a fight seems impossible, marching can be the push needed to tip the scales and create a movement. This gorgeous collection celebrates this rich and diverse history, the often-overlooked stories, and the courageous people who continue to teach us the importance of coming together to march today.
