**Alexander Cooper**

**It Ends with Us** Colleen Hoover, 2020-07-28 In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily’s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He’s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn’t hurt. Lily can’t get him out of her head. But Ryle’s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “no dating” rule, she can’t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “a glorious and touching read, a forever keeper. The kind of book that gets handed down” (USA TODAY).

*Summary of It Ends With Us* Alexander Cooper, 2022-01-22 Summary of *It Ends With Us* From the book: “Lily never really had it easy in life, but that doesn’t stop her from working for the life she wants and deserves. Renewing America's Civic Compact Carol McNamara,Trevor Shelley,2023-09-25 Renewing America's Civic Compact addresses the chief challenges and principal tensions in the operation of our civil society in order to consider possible paths forward. The meritocracy, multiculturalism, issues of race, technology, and populist nationalism in American democracy today are some of the issues that have created more tensions to American public life. Chapters address the condition of civil conversation within the university and across American society. This collection then engages debates over the continued relevance and durability of liberal ideas and institutions; whether we have accessible means and resources to channel digital technology more fruitfully for the sake of human achievement and well-being; and how some have endeavored to revitalize the American civic vocation through both scholarly and practical education. Finally, the volume closes with a call to restore civic friendship, properly understood, as the foundation for renewing America's civic compact.
