Keeping Christ in Christmas K G Nelson, 2019-06-25 This book is in part based on a real life experience that happened to the author, but for the most part it is fiction. However, we must remember that there is nothing fictional about the birth of Christ. This book is intended to remind all of us that Christmas was created to celebrate the birth of Christ and for no other reason. The following is a short synopsis of the book. John and his older brother Jim have a Christmas tradition, they stay up on Christmas eve and Jim tells John stories of Christmases past. However, one particular year Jim decided that he is too old for such nonsense. John felt like his Christmas has been completely ruined because Jim wouldn't stay up with him on Christmas eve. Then John received a visit from a mysterious man named Nick. Nick took John on a wonderful journey that reminded him what Christmas is really about.

How Christmas Became Christmas Nathaniel Parry, 2022-11-10 In some respects, the contrasts of Christmas are what make it the most delightful time of the year. It is a time of generosity, kindness and peace on earth, with broad permission to indulge in food, drink and gifts. On the other hand, Christmas has become a battleground for raging culture wars, marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday. This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character. By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization, this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ. Chapters

chronicle how Christmas's magic and misrule link to the nativity, and why the carnival side of the holiday appears so separated from traditional Christian beliefs.

Keeping Christmas Allison Pittman, 2020-09-01 Charles Dickens's A Christmas Carol is second only to the nativity story itself when it comes to public consciousness. Just as Jesus Christ changed the world on the night of his birth, so Ebenezer Scrooge changes during a single night of supernatural visitations. In *Keeping Christmas*, novelist and Dickens enthusiast Allison Pittman offers 25 readings for advent, seamlessly bringing together the Word of God and the words of A Christmas Carol. This contemplative, entertaining read is the perfect companion for those dark winter nights as we eagerly anticipate the coming celebration of Christmas when, like Scrooge, we are given the gift of reflection, repentance, and life anew. Beautifully packaged and highly designed throughout, *Keeping Christmas* is sure to become a treasured family tradition--much like the reading or viewing of A Christmas Carol.

HOLIDAY CELEBRATIONS and Much More Pat Morrell-Donnelly, 2024-02-26 "HOLIDAY CELEBRATIONS and Much More" is Pat Morrell-Donnelly's tenth (10th) book to publish. It has been said "Don't look back if you don't want to go that way." This is true when looking back at mistakes and challenges one has faced. But sometimes it is good to reflect on the past particularly regarding special holidays, events and happy times. "Precious memories how they linger." It is sometimes helpful to reminisce and remember loved ones and friends, many of whom are no longer with us. Recalling special Christmas's, Thanksgiving dinners and get-together's with family and friends can be good for the soul. Nostalgia 2 point O. It is good to spend a few moments in thought regarding these joy-filled celebrations, special times and memorable events spent with loved ones. "HOLIDAY CELEBRATIONS and Much More" speaks to just those things, those celebrations and events so

precious to recall. This book contains 200 poems Pat has written through the eighties, nineties, two thousand and on about different holidays and celebrations. After some of the sets of poems there are pictures depicting the occasion, and pictures of Pat's table settings representing each holiday or event. Some poems also convey what was going on in the country, to some extent, particularly the years about which her poem was written. Also some poems tell about what was going on in Pat's life at that particular time. To find all of the New Year's poems in one place, covering so much of the past history, is quite unusual and unique. Pat's first book to publish "The Climb Up Life's Mountain" was published in 2009 when Pat was eighty years of age. Her ninth book "All About Love" was published July 2023. Pat published her first nine books in fifteen years. Pat has written over eighteen (1800) hundred poems. Pat shares many of her life's experiences through her poetry. Thoughts wake her up in the night and she scribbles those thoughts, or poem, on a note pad deciphering the next morning. She has written many poems while under the hair dryer. Pat's aim is to get her poems out of her computer into books so they will not be lost forever when she is no longer here. At age ninety-four only the Good Lord knows when the final page of her "Life's Book" will be written and finished. Pat is thankful for the "gift" God has given her to write poetry. If it lifts some ones spirit, or takes them away for a few minutes from worldly cares, it will have been worth her time publishing this book.
