Insulting Music Lily E. Hirsch, 2022-11-01 *Insulting Music* explores insult in and around music and demonstrates that insult is a key dimension of Western musical experience and practice. There is insult in the music we hear, how we express our musical preferences, as well as our reactions to settings and sites of music and music making. More than that, when music and insult overlap, the effects can both promote social justice or undermine it, foster connection or break it apart. The coming together of music and insult shapes our sense of self and view of other people, underlining and constructing difference, often in terms of race and gender. In the last decade, music's power dynamics have become an increasingly important concern for music scholars, critics, and fans. Studying musicians such as Frank Zappa, Nickleback, Taylor Swift, and the Insane Clown Posse, and musical phenomena such as musician jokes, the use of music to torture people, and the playing of music in restaurants, this book shows the various and contradictory ways insults are used to negotiate those existing dynamics in and around music.

How Far Can Love Travel Shanu Singh, 2024-03-07 Daksh is a tech guy, who gets exhausted with his devastated work-life balance and decides to go on a solo trip. Little did he know that his solo trip will turn into a no-so-solo trip with Diya's entry into his life. A gorgeous, jolly, extrovert and traveller when meets Daksh, falls in love with him instantly. But she has a past that led her to make Daksh suffer for her love. Daksh wants her love but for how long will he chase her? Is there an end to this? *How Far Can Love Travel* is a book about love and its madness.
