Rev. Paul S. Gould

Development of the Roadmap of Political Zionism in the State of Israel Mari Carmen Forriol, 2023-05-30 This book deals with many different aspects of Zionism, including analysing the origins of Zionism in Western and Eastern Europe as a consequence of the antisemitism of the late 19th to mid-20th century in Europe. It also analyses how political Zionism was implanted in historic Palestine, and maps its development since the creation of the State of Israel and the consequences of this, among which are the country's occupation, and the violation of the human, political and economic rights of its inhabitants. It also deals with Hamas' response to this situation.

And Then the End Came... Rev. Paul S. Gould, 2012-10 A novel based on the prophecy of the Bible concerning the end of days. While fiction, the prophetic events are as close to the prophecies foretold from the pages of the Bible as possible. The lens is based on the current geopolitical fervor of the middle east.

Who Is an Evangelical? Thomas S. Kidd, 2019-09-24 A leading historian of evangelicalism offers a concise history of evangelicals and how they became who they are today Evangelicalism is arguably America's most controversial religious movement. Nonevangelical people who follow the news may have a variety of impressions about what evangelical means. But one certain association they make with evangelicals is white Republicans. Many may recall that 81 percent of self-described white evangelicals voted for Donald Trump, and they may well wonder at the seeming hypocrisy of doing so. In this illuminating book, Thomas Kidd draws on his expertise in American religious history to retrace the arc of this spiritual movement, illustrating just how historically peculiar that political and ethnic definition (white Republican) of evangelicals is. He examines distortions in the public understanding of evangelicals, and shows how a group of Republican insider evangelicals aided the politicization of the movement. This book will be a must-read for those trying to better understand the shifting religious and political landscape of America today.

Why Still Care about Israel? Sandra Teplinsky, 2013-09-01 Could you be asking all the wrong questions about Israel? Conversation about the Arab-Israeli conflict usually starts by asking if God is for or against the Jewish state--or Palestinians, Arabs or Muslims. In this updated and urgent book, Sandra Teplinsky, an American-Israeli Jewish believer, shows why many Christians are asking the wrong questions about Israel. With gracious honesty and solid biblical insight, she unravels the mystery and controversy of Israel--and shows how it impacts you--by taking you into the Lord's passion for all humankind.

With precision and passion, Sandra Teplinsky weaves a wealth of material and presents a compelling case why we still need to care about Israel. It's a powerful treatise and treasure. --Chris Mitchell, Jerusalem bureau chief, CBN News; author, Dateline Jerusalem An essential handbook of immeasurable worth for every thoughtful believer. Its message could not be more needed than in this present hour of global conflict, both political and spiritual.--Pastor Jack Hayford, author, Secrets of Intercessory Prayer; president, The King's University The dividing line of the true Church will be its position on the Jews and Israel. You must be on God's side. Read this book!--Sid Roth, TV host, It's Supernatural! A much-needed and fresh approach to the Arab-Israeli conflict. Readers will be left well informed and caring deeply about the Jewish people (and others) because they encountered the heart and voice of God.--Jonathan Bernis, president, Jewish Voice Ministries International; author, A Rabbi Looks at the Last Days Inspirationally written, biblically accurate, extensively researched and user friendly to the common believer, Bible student or seasoned minister--a desperately needed message! --James W. Goll, director, Encounters Network; author, The Coming Israel Awakening

The World Almanac of Islamism American Foreign Policy Council, 2011-10-27 From Western Europe to Asia, from the Middle East to the Horn of Africa, societies are finding themselves under growing assault from radical Islamist forces. In some countries, such as Spain and France, the challenge posed by radical Islam is still limited in scope and embryonic in nature. But in others, including Somalia and Pakistan, it poses a mortal danger to the future of the existing state. The World Almanac of Islamism is the first comprehensive reference work to detail the global reach of Islamism across six continents. Each country study, written by leading subject-matter experts, examines the full scope of the Islamist phenomenon, from the activities of radical Islamist groups to the role of Islamist actors and ideas in society to the response - or complicity - of the local government. An additional series of "movement" studies explores the global reach, ideology, and capabilities of the world's most powerful transnational Islamist movements. Finally, Almanac includes regional summaries and a global overview designed to provide context and strategic insights into current and emerging trends relating to Islamism the world over. This collection makes a major contribution toward properly defining the Islamist threat and paving the way for the implementation of more effective strategies to counter the rise of radical Islamism by the United States and its allies. It provides policymakers, the news media, scholars, and students with a more comprehensive understanding of the threat we now confront from Islamic extremism. Additionally, the full Almanac is available electronically in database form. It can be accessed online at almanac.afpc.org.

Le Prince vert. Du Hamas aux services secrets israéliens Mosab Hassan Yousef,2012-04-11T00:00:00+02:00 De 1997 à 2007 Mosab Hassan Yousef était le Prince vert. C'est sous ce nom de code qu'il renseignait la Sécurité intérieure israélienne, le Shin Bet, tout en militant au sein du Hamas, l'une des organisations palestiniennes les plus radicales. Arrêté au sortir de l'adolescence par l'armée israélienne, il bascule lorsqu'en prison il est confronté à la barbarie dont font preuve les membres du Hamas envers les autres prisonniers palestiniens. À sa libération, mettant constamment sa vie en danger, il devient la pièce maîtresse des services secrets israéliens au sein de l'organisation cofondée par son père, un informateur si précieux que son existence n'est connue que d'une poignée de hauts responsables de l'État hébreu. Agent double au cœur de la poudrière du Proche-Orient, Mosab Hassan Yousef a vécu au plus près, et des deux côtés, les événements de la seconde Intifada. Il livre ici un témoignage inédit sur la répression dans les territoires occupés, la guerre civile qui oppose depuis 1993 les différentes factions palestiniennes, le fonctionnement du Shin Bet et l'organisation des attentats-suicides par les terroristes du Hamas. Si Mosab Hassan Yousef est allé jusqu'à rompre avec ses proches, son peuple et son identité, c'est d'abord pour entraver la spirale infernale des attentats et des représailles. Jamais il n'a touché d'argent en échange et ses informations et son seul but a toujours été de sauver des vies dans les deux camps – la liste des attentats qu'il a aidé à déjouer, parfois au dernier moment, est là pour le prouver. Document exceptionnel à l'image des Mémoires des plus grands espions, *Le Prince vert* nous plonge dans le quotidien du peuple palestinien entre désir de paix et sanctification du martyr.
