It's a fascinating window into what makes him tick, a priceless handbook for avoiding the pitfalls, mistakes, and problems that are so easy for women to fall into.

The Wizard Heir Cinda Williams Chima, 2009-10-18 The sequel to *The Warrior Heir* by New York Times and USA Today bestselling author Cinda Williams Chima. Sixteen-year-old Seph McCauley has spent the past three years getting kicked out of one exclusive private school after another. And it's not his attitude that's the problem: it's the trail of magical accidents—lately, disasters—that follow in his wake. Seph is a wizard, orphaned and untrained, and his powers are escalating out of control. After causing a tragic fire at an after-hours party, Seph is sent to the Havens, a secluded boys' school on the coast of Maine. At first, it seems like the answer to his prayers. Gregory Leicester, the headmaster, promises to train Seph in magic and initiate him into his mysterious order of wizards. But Seph's enthusiasm dampens when he learns that training comes at a steep cost, and that Leicester plans to use his students' powers to serve his own wicked agenda. In this companion novel to *The Warrior Heir*, everyone's got a secret to keep: Jason Haley, a fellow student who's been warned to keep away from Seph; the enchanter Linda Downey, who knew his parents; the rogue wizard Leander Hastings; and the warriors Jack Swift and Ellen Stephenson. The only question is: Does Seph have the strength to survive this wizard war?

Heir Chronicles: Books I-III Cinda Williams Chima, 2014-10-14 Three boys, three talismans, one destiny. In this page-turning collection featuring *The Warrior Heir*, *The Wizard Heir*, and *The Dragon Heir*, Cinda Williams Chima explores what it means to be different, what's worth fighting for, and what's worth dying for.... Every man is for himself in the thrilling Heir trilogy.

The Ghost Had an Early Check-Out Josh Lanyon,2018-09-20 To live and draw in LA. Now living in Los Angeles with former Navy SEAL Nick Reno, artist Perry Foster comes to the rescue of elderly and eccentric Horace Daly, the legendary film star of such horror classics as *Why Won't You Die, My Darling?* Horace owns the famous, but now run-down, Hollywood hotel Angel's Rest, rumored to be haunted. But as far as Perry can tell, the scariest thing about Angel's Rest is the cast of crazy tenants—one of whom seems determined to bring down the final curtain on Horace—and anyone else who gets in the way.

Raising Cain Dan Kindlon, Ph.D.,Michael Thompson, PhD,2009-08-05 The stunning success of *Reviving Ophelia*, Mary Pipher's landmark book, showed a true and pressing need to address the emotional lives of girls. Now, finally, here is the book that answers our equally timely and critical need to understand our boys. In *Raising Cain*, Dan Kindlon, Ph.D., and Michael Thompson, Ph.D., two of the country's leading child psychologists, share what they have learned in more than thirty-five years of combined experience working with boys and their families. They reveal a nation of boys who are hurting—sad, afraid, angry, and silent. Statistics point to an alarming number of young boys at high risk for suicide, alcohol and drug abuse, violence and loneliness. Kindlon and Thompson set out to answer this basic, crucial question: What do boys need that they're not getting? They illuminate the forces that threaten our boys, teaching them to believe that "cool" equals macho strength and stoicism. Cutting through outdated theories of "mother blame," "boy biology," and testosterone," Kindlon and Thompson shed light on the destructive emotional training our boys receive—the emotional miseducation of boys. Through moving case studies and cutting-edge research, *Raising Cain* paints a portrait of boys systematically steered away from their emotional lives by adults and the peer "culture of cruelty"—boys who receive little encouragement to develop qualities such as compassion, sensitivity, and warmth. The good news is that this doesn't have to happen. There is much we can do to prevent it. Kindlon and Thompson make a compelling case that emotional literacy is the most valuable gift we can offer our sons, urging parents to recognize the price boys pay when we hold them to an impossible standard of manhood. They identify the social and emotional challenges that boys encounter in school and show how parents can help boys cultivate emotional awareness and empathy—giving them the vital connections and support they need to navigate the social pressures of youth. Powerfully written and deeply felt, *Raising Cain* will forever change the way we see our sons and will transform the way we

help them to become happy and fulfilled young men.

The Midnight Pianist Julia Osborne, 2018-10-01 '...distant hooves beat time with the name. Nick Nick Nicholas Nick, they cantered. A melody began that danced along on the magical words...' It's 1960 in an Australian country town - a time well before smartphones and social media. Fourteen-year-old Sandra, a shy but ambitious piano student, is on a journey of discovery. She's secretly in love with Nick Morgan, but he's already left school and hardly knows she exists. Everything changes when she finally gets to know Nick at a polocrosse carnival. Even her best friend and Sandra's beautiful piano become less important. But she is swept out of her depth by events which test the value of her friendships and challenge her in ways she could never have imagined. 'A truly absorbing tale for teenagers.' - Barbara Ker Wilson AM, University of Queensland Press (Ret.) 'There are so many beautiful passages, lovingly felt moments and deft touches that will strike the reader back to the purity of their own childhood, first love and love of the land that make for inescapable reading. I can thoroughly recommend it.' - Tom Thompson, ABC Radio 702 'A delightful coming-of-age story about first love, teenage dreams and the courage to face reality... all told through a filter of beautiful music...' - Candida Baker
