**Translation Practices** ,2009-01-01 This cutting-edge collection, born of a belief in the value of approaching 'translation' in a wide range of ways, contains essays of interest to students and scholars of translation, literary and textual studies. It provides insights into the relations between translation and comparative literature, contrastive linguistics, cultural studies, painting and other media. Subjects and authors discussed include: the translator as 'go-between'; the textual editor as translator; Ghirri's photography and Celati's fiction; the European lending library; La Bible d'Amiens; the coining of Italian phraseological units; Michèle Roberts's Impossible Saints; the impact of modern translations for stage on perceptions of ancient Greek drama; and the translation of slang, intensifiers, characterisation, desire, the self, and America in 1990s Italian fiction. The collection closes with David Platzter's discussion of translating Dacia Maraini's poetry into English and with his new translations of 'Ho Sognato una Stazione' ('I Dreamed of a Station') and 'Le Tue Bugie' ('Your Lies').

**Career Skills for Surgeons** Charalambos Panayiotou Charalambous,2017-09-12 This book presents various skills to help surgeons improve their day-to-day performance and development including professionalism, communication, situation awareness, decision making, leadership, and technical dexterity. It also offers advice on how to organise a surgical theatre list, improve theatre efficiency, prepare for surgical interviews and participate in surgical research and audit. Furthermore, it emphasises the need to strive for safety in surgery and to learn from things going wrong. The complex world of emotions that surgeons may encounter is also discussed. The guidance presented here may be of value to any aspiring surgeon, whatever their surgical specialty, and wherever they choose to practise. The skills highlighted in this book reflect the author's initial experiences as a surgical trainee, the teachings of his senior trainers, as well as his subsequent involvement in supervising multiple junior surgeons as a Consultant in Trauma and Orthopaedics. Much of the material presented is supported by an extensive literature review. This book complements the previously published book Career Skills for Doctors by the same author.

**Michael Winner: Winner Takes All** Michael Winner, 2013-01-22 Michael Winner, the legendary film director, writer and food critic, is a colourful figure who has led a remarkable life. He has a reputation for being outspoken, and, true to form, in his autobiography he tells it like it is with sharp and insightful observations. 'Winner Takes All' begins with his unconventional childhood as a Jewish boy attending a Quaker boarding school and introduces his eccentric mother, who was a compulsive gambler. Michael Winner gained his first taste of fame, when aged fourteen, he met the stars for a showbusiness column in twenty London local papers. At Cambridge he edited the student newspaper and became a local celebrity. The author is a natural raconteur and his anecdotes from the film industry are compelling. He recounts his early life with relish and provides fascinating accounts of his experiences directing some of the world's most famous actors and actresses, including Charles Bronson, Sophia Loren, Joan Collins, Orson Welles, Marlon Brando and Anthony Hopkins. Many of them became close friends. As a food critic, Michael Winner is famous for shooting from the hip. Love him or loathe him, he is constantly in the public eye. His esure TV commercials - which produced a national catchphrase 'Calm down dear!' - have been an advertising industry phenomenon. What may come as a surprise to the reader is the gentle side that he reveals in his autobiography. He speaks with candour about his private life; he admits his fear of relationships with women and confides the heartbreaking story of the love of his life, a famous female star.

**Authorizing Shakespeare on Film and Television** L. Monique Pittman, 2011 Authorizing Shakespeare on Film and Television examines recent film and television transformations of William Shakespeare's drama by focusing on the ways in which modern directors acknowledge and respond to the perceived authority of Shakespeare as author, text, cultural icon, theatrical tradition, and academic institution. This study explores two central questions. First, what efforts do directors make to justify their adaptations and assert an interpretive authority of their own? Second, how do those self-authorizing gestures impact upon the construction of gender, class, and ethnic identity within the filmed adaptations of Shakespeare's plays? The chosen films and television series considered take a wide range of approaches to the adaptative process - some faithfully preserve the words of Shakespeare; others jettison the Early Modern language in favor of contemporary idiom; some recreate the geographic and historical specificity of the original plays, and others transplant the plot to fresh settings. The wealth of extra-textual material now available with film and television distribution and the numerous website tie-ins and interviews offer the critic a mine of material for accessing the ways in which directors perceive the looming Shakespearean shadow and justify their projects. Authorizing Shakespeare on Film and Television places these directorial claims alongside the film and television plotting and aesthetic to investigate how such authorizing gestures shape the presentation of gender, class, and ethnicity.

**The Island Girls** Rachel Sweasey,2024-10-21 A moving story of love and courage that will captivate readers of Fiona Valpy, Lorna Cook and Hazel Gaynor. 'Spanning continents and decades, this sweeping epic stole my heart' – Renita D'Silva 1941: For the townspeople of Poole on the Dorset coast, the war feels like it's right on their doorstep. And with more and more men leaving to fight, one fisherman's daughter is determined to do whatever she can to help. Peggy volunteers to use her skills on the water to work with the flying boats alongside the RAF based in the harbour. But when she is asked to undertake a special mission, she will have to make a terrible choice – between her duty to her country and her only chance of happiness. 1998: Rebekah has travelled halfway around the world to take up a role on Brownsea Island. This tiny island off the coast of England is a treasure trove of natural wonder, but it still carries the scars of fighting. And when Rebekah discovers a lost letter from the war, hidden all this time, she becomes determined to deliver it, fifty years later. But the idyllic Dorset harbour hides many more secrets, and Rebekah's search for the truth will change her life in ways she never imagined possible... Readers are loving Rachel Sweasey's captivating writing: 'I was swept up by this beautiful story of love, loss and the courage of so many during WW2' – Helen Parusel 'I loved this dual time-line read. Set in the start of WW2 and present day it deals with loss and war and finding love when you don't expect to ever love again. This was a great book and I highly recommend this one.' Goodreads reviewer [REDACTED] 'Loved this book. I got totally immersed in the characters and their lives, loves and loss. The mix of fact and fiction and the two different time lines worked very well.' Goodreads reviewer [REDACTED] 'A brutally honest account of how both men and women coped with the changes in their lives. This author writes so authentically about grieving that at times I simply had to stop reading. Anyone who has lost someone will immediately identify with the visceral pain felt by the characters. The settings were gorgeous and the descriptions of French food made me long to go back.' Goodreads reviewer [REDACTED] 'Loved it, sadness and joy, ups and downs. Hope there will be a sequel!' Goodreads reviewer [REDACTED] 'Fantastic read, was enjoyable – even cried at one part I felt I was inside the book.' Goodreads reviewer [REDACTED]

**Madly, Deeply** Alan Rickman,2022-10-18 An international bestseller One of Barnes & Noble's Best Biographies & Memoirs of 2022 Selected by the Guardian as one of the best books of 2022 Amazon's choice for one of the best book gifts of 2023 Madly, Deeply is a rare invitation into the mind of Alan Rickman—one of the most magnetic, beloved performers of our time. From his breakout role in Die Hard to his outstanding, multifaceted performances in the Harry Potter films, Galaxy Quest, Robin Hood: Prince of Thieves, and more, Alan Rickman cemented his legacy as a world-class actor. His air of dignity, his sonorous voice, and the knowing wit he brought to each role continue to captivate audiences today. But Rickman's ability to breathe life into projects wasn't confined to just his performances. As you'll find, Rickman's diaries detail the extraordinary and the ordinary, flitting between worldly and witty and gossipy, while remaining utterly candid throughout. He takes us

inside his home, on trips with friends across the globe, and on the sets of films and plays ranging from *Sense and Sensibility*, to Noël Coward's *Private Lives*, to the final film he directed, *A Little Chaos*. Running from 1993 to his death in 2016, the diaries provide singular insight into Rickman's public and private life. Reading them is like listening to Rickman chatting to a close companion. Meet Rickman the consummate professional actor, but also the friend, the traveler, the fan, the director, the enthusiast; in short, the man beyond the icon. *Madly, Deeply* features a photo insert, a foreword by Emma Thompson, and an afterword by Rima Horton.

***Diaries 1969-1979*** Michael Palin,2006 Michael Palin has kept a diary since newly married in the late 1960s, when he was beginning to make a name for himself as a TV scriptwriter (for the Two Ronnies, David Frost etc). Monty Python was just around the corner. This first volume of his diaries reveals how Python emerged and triumphed, how he, John Cleese, Graham Chapman, the two Terrys - Jones and Gilliam - and Eric Idle, came together and changed the face of British comedy. But this is but only part of Palin's story. Here is his growing family, his home in a north London Victorian terrace, which grows as he buys the house next door and then a second at the bottom of the garden; here, too, is his solo effort - as an actor, in *Three Men in a Boat*, his writing endeavours (often in partnership with Terry Jones) that produces *Ripping Yarns* and even a pantomime. Meanwhile Monty Python refuses to go away: the hugely successful movies that follow the TV (his account of the making of both *The Holy Grail* and the *Life of Brian* movies are pager-turners), the at times extraordinary goings on of the many powerful personalities who coalesced to form the Python team, the fight to prevent a American TV network from bleeping out the best jokes on US trasmission, and much more - all this makes perceptive, funny and rivetting reading.
