Comercio Internacional José Luis Jerez Riesco, 2007-09-21 La complejidad de una materia, cuando está explicada con sencillez, deja de ser árida y gravosa al acceso divulgativo de una temática tan importante como son los postulados y las técnicas operativas utilizadas en el comercio exterior. La obra se concibe como un examen de los útiles y herramientas imprescindibles, sin cuyo conocimiento sería una temeridad intervenir en los entornos internacionales, para realizar transacciones comerciales en el ámbito internacional. En un mundo donde las áreas de mercado son cada vez más expansivas y las plataformas comerciales marcan una tendencia hacia la globalización económica, acceder al conocimiento riguroso y actualizado de la temática comercial internacional es una necesidad ineludible. Esta obra está diseñada para el estudio y consulta, referente necesario para descifrar los arcanos de los contenidos que son la base del funcionamiento de los operadores comerciales transfronterizos. El autor: José Luis Jerez es doctor en Derecho por la UCM. Abogado y Licenciado en Ciencias Políticas y Económicas, Sociología, Ciencias de la Información. Escritor. Profesor de ESIC y de varias universidades. World Cocoa Directory ICCO, 2004-03 Cocoa is a truly global commodity. It is important to economies, both in the developing world where it provides a major source of income for farmers, dealers and exporters, and in the developed world

where it provides employment and income through the processing and manufacturing industries in consuming countries. The World Cocoa Directory provides a unique and authoritative portrait of this essential industry, and an important resource for investors, traders, suppliers, retailers and analysts. It brings together, within one volume, the entire international cocoa industry, from farmer -- through shipper -- to chocolate bar manufacturer and distributor, and includes specialist processors, baggers and storage companies. The directory, which has been fully updated for 2004, contains over 4,000 business names, addresses and contact details from around the world of cocoa -- from Cote d'Ivoire to Indonesia, to the headquarters of the International Cocoa Organization.
