Argument Writing, Teacher Guide, Grades 9-12 PCG Education, 2016-06-07 Argument Writing Paths to College and Career Jossey-Bass and Public Consulting Group, Inc. (PCG) are proud to bring the Paths to College and Career English Language Arts (ELA) curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences the standards require, Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies and other classroom resources. The Paths Writing Units, Argument Writing, Informative Writing, and Narrative Writing, complement the full instructional program and can also be used independently, providing in-depth writing instruction to support all students in grades 9-12 in meeting grade level standards. To emphasize the relationship between reading and writing, each Writing Unit includes accessible model texts that exemplify key elements of each text type, and source texts that provide a topic for the unit writing assignment. Individual lessons guide students through the writing process, providing instruction on grammar and conventions and highlighting collaboration and reflection as key elements of effective writing. Students' final essays are assessed using a checklist developed by the class over the course of the unit. The organization and distinctive content of the model and source texts in each unit afford teachers the flexibility to implement

each unit independently of the others, and at any point during the curriculum. For example, a unit may be implemented to assess students' writing prior to implementation of the standard curriculum, to scaffold writing instruction leading into a writing assessment, or to support struggling writers by addressing gaps in skills as demonstrated in previous assessments. The Paths Writing Units provide teachers with invaluable opportunities to engage students as active participants in their own learning at every stage of the writing process, and to customize instruction to meet the varying needs of all students. ABOUT PUBLIC CONSULTING GROUP Public Consulting Group, works with schools, districts, and state education agencies to build their capacity for instructional and programmatic improvements. Aboriginal and Torres Strait Islander Art in the Collection of the National Gallery of Victoria National Gallery of Victoria, Judith Ryan (Museum curator), 2015 Aboriginal and Torres Strait Islander Art in the Collection of the National Gallery of Victoria is a major overview of the work of Indigenous artists of the past 130 years. Entries on more than 100 works in the NGV's collection reveal the influence of early Indigenous objects on contemporary dialogues; explain systems of representation in Indigenous art; and reveal the ways artists have responded to change and have incorporated new aesthetic principles and artistic concepts, images and imaginaries over time. Through visual analysis, readers gain an understanding of preoccupations with place, ceremony, identity and race in Aboriginal and Torres Strait Islander art. This beautifully illustrated publication identifies similarities in artistic perception across time and place, and disrupts prevailing binaries of centre and periphery, traditional and contemporary, and urban and non-urban modes of representation and identification.

Kind of a Big Deal Saul Austerlitz, 2023-08-22 *Vulture's Best Comedy Book of 2023* From the author of Generation Friends, featuring brand-new interviews with Will Ferrell and Adam McKay, a surprising, incisive, and often hilarious book about the film that changed comedy, Anchorman. It's been nearly twenty years since Ron Burgundy burst into movie fans' lives, reminding San Diego to "stay classy" while lampooning a time gone by—although maybe not as far gone as we might think? In Kind of a Big Deal, comedy historian Saul Austerlitz tells the history of how Anchorman was developed, written, and cast, and how it launched the careers of future superstars like Will Ferrell, Steve Carell, and Paul Rudd, also setting the stage for a whole decade of comedy to come and influencing films like The 40-Year-Old Virgin, Talladega Nights, Knocked Up, Superbad, and so many more. But Kind of a Big Deal isn't only a celebration of Anchorman—it's also a cultural analysis of the film's significance as a sly commentary on feminism, the media, fragile masculinity, 1970s nostalgia, and more. Featuring brand-new interviews with stars such as Will Ferrell, director Adam McKay, and other key players, the book includes insider commentary alongside updated pop-culture analysis. And it also shares surprising stories and facts: from the film's original conception as a plane crash/cannibal comedy mashup to the surprising, real-life newscaster who inspired the character of Veronica. Overall, this is a celebration of a movie that millions love—but it's also an unsparing look back at what has and hasn't changed, since the 1970s and since 2004. Perfect for fans of the film and anyone who cares about comedy today, Kind of a Big Deal proves that the movie was, and is, exactly that.
