John A. Subhan

The Signs of The Judgement Day Maria Yaseen, 2021-01-09 In this book on the signs of Judgment Day, all of the major and minor signs are discussed one after another, in a chronological way. This Book is a detailed review of all important signs of Judgment Day. Book will be narrating Quran and Sunnah. Book will also be narrating other sources. Then book will derive from those sources. Because we need to really think deeply about these things. There are major issues discussed. Like Ya'juj and Ma'juj. What do we say about them? Where are these billions of people? Where are they living? Dajjal is he alive or dead? What supernatural power does he have? Does this mean that Dajjal is some mystical force? Or is he an actual entity? These are various theories around them. And all of them are discussed in this book. In the genre of signs of judgment, you have these phrases that might be difficult to unpack. One of the wisdoms might be that, you only recognize it after it happens. And Allah knows best. The book mentions the minor signs and the major signs of Judgment Day. The minor cover categories of specific incidents and number general trends that will be events towards the end of times. Book mentions societal changes that will occur, including change in culture, the way people live and the way people interact with one another. Now, there are many Hadiths that are predicting signs of the Day of Judgement. There's entire section of hadiths that are not authentic. But book will be mentioning every hadith that is authentic. And to cover all bases, Book will inform on what unauthentic Hadiths say on that specific subject.

The Day Judgement in Islam Part 1 Maria Yaseen, 2021-06-02 This book is the continuation of the series; with the first book being the signs of the Judgement Day. In the previous book, we have talked about the major and signs the minor signs. We talked about all of the issues up until the coming of the Dajjal and the coming of Isa Ibn Maryam AS and Ya'juj and Ma'juj. Then we mentioned all signs until the Trumpet is blown. Now, we will continue from where we left off. We're going chronologically This book begins the next section of this series. Which is going to be a very, very detailed discussion of this topic, that will turn to the Quran and Sunnah. And we'll discuss what we know about one of the most fundamental pillars of

our religion. That is the Day of Judgement itself. So, we'll discuss the reality of Qiyamah from the beginning of Qiyamah. Meaning the Trumpet being blown, up until the very end, which is when people will be taken to their final destination, either Jannah or Jahannam.

Signs of the Second Coming of Jesus Christ and the End of the World Steve Urick, 2009-08 One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ. God has not left us in the dark concerning the details of Christ's future coming, but has given us several clear prophetic signs to watch for. Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age. If you ever wondered why the world is the way it is, and where it is headed, then you need to read this book! Whether you are a Christian or not, this revealing work will give you the vital information you need to prepare for what may come in the near future, and for eternity itself. (this book gives much historical information, compares worldviews, and provides several charts for a better understanding of historical developments).

Apocalyptic Politics Martyn Whittock, 2022-11-03 Apocalyptic (end times) beliefs are found across different religious cultures and time periods, especially those influenced by the Abrahamic faiths. These apocalyptic beliefs are often associated with radicalized politics and what we would today often describe as “populist” movements and leaders. What are the roots of such beliefs? How have they developed over time? In what ways do they impact the modern world? In a series of case studies—ranging over different faiths, time periods, and global locations—this book explores how and why these beliefs have become so often the driver of radicalized politics.

Encyclopedia of Islam Juan Eduardo Campo, 2009 Explores the terms, concepts, personalities, historical events, and institutions that helped shape the history of this religion and the way it is practiced today.

The Signs Before Judgement Day Ibn Kathir, Fortress iPublications, 2013-08-12 The work is by Ibn Kathir, an eminent Muslim scholar, and is based entirely upon authentic texts. In many Ahadith, or Traditions, the Blessed Prophet Muhammad

(S) described the condition in which people would live in those times. Some of the developments foretold by the Prophet (S) have already come to pass, such as the construction of high-rise buildings in the Middle East, also the frequent break-up of family ties and the almost universal presence of usury. Numerous Ahadith of the Prophet (S) describe such matters as the Dajjal or Antichrist and other temptations and disasters to which mankind will be subjected to as the disintegration of the natural order of things accelerates. The Last Days are also marked by supernatural apparitions which will manifest on an awesome scale the power of Allah Almighty.
