Prophetic Habits Faith White, 2025-05-14 Why 40 days? Because transformation takes time. Because hearts shift slowly. And because the Prophet Muhammad ﷺ transformed lives — not just with miracles, but with habits. This book was born from a deep yearning: To reconnect with the Prophet not only through love or study, but through action. To live like him — one day at a time. For 40 days, you are invited to walk beside him. To wake as he woke. To smile as he smiled. To forgive as he forgave. To build not just a routine, but a heart anchored in prophetic rhythm. Each chapter offers a simple, actionable habit rooted in his Sunnah — Not overwhelming, not lofty, just real steps toward spiritual renewal. You won't finish this journey perfect. But you will finish it different. May these pages guide you gently toward the light he brought into the world — and may you carry it forward. With peace, presence, and prayer,

The Way to Salvation in the Light of Surah Al-'sar Asrār Aḥmad,2004 Articles and a speech by the author; previously published in the monthly Misṭaq, Lahore, 1966.

English Translation of the Message of the Qur'an ,2006 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes.
