Rachel Sandford

The Nine Lives of Chloe King Celia Thomson, 2004

The Nine Lives of Chloe King Liz Braswell, 2011-06-07 Chloe King is a seemingly normal girl. She goes to class (most of the time), fights with her mom, and crushes on a boy...or two. But around her sixteenth birthday, Chloe finds that perhaps she isn't so normal after all. There's the heightened night vision, the superfast reflexes—oh, and the claws. As Chloe discovers who she is—and where she comes from—it is clear she is not alone. Someone is trying to get her. And they will stop at nothing until they do. Chloe has nine lives...but will nine be enough? First released as a trilogy in 2004, this bind-up edition arrives just as the new ABC Family original series *The Nine Lives of Chloe King*, based closely on the original novels, premieres in June 2011.

The Nine Lives of Chloe King, 2011 When she falls from a tower and lives, Chloe's scary adventure changes her perspective on the world as she comes to discover special gifts she possesses as a descendant of an ancient warrior clan with feline powers.

The Chosen Celia Thomson, 2005 Chloe King has funky superpowers. She is a girl with catlike superpowers, and two rival groups think she is some chosen leader.

The Nine Lives of Chloe King /C Liz Braswell Writing as Celia Thomson Celia Thomson, 2011 Chloe King was a normal sixteen-year-old girl until the day she fell from San Francisco's highest tower and died. But then she woke up. Now Chloe's life is anything but normal. Luckily, she still has eight lives to go.

The Nine Lives of Chloe King, 2011 When she falls from a tower and lives, Chloe's scary adventure changes her perspective on the world as she comes to discover special gifts she possesses as a descendant of an ancient warrior clan with feline powers.

The Stolen Celia Thomson, 2010-05-11 She argues with her mother. She occasionally skips class. And she alternately crushes on two totally different boys. But Chloe King is by no means your typical teenager. The girl can scale buildings and see in the dark. Sometimes, at night, she even likes to leap from rooftop to rooftop. Yes, Chloe has the instincts and ability of a cat. And that makes her unique indeed. It also makes her a wanted woman. Because the Order of the Tenth Blade does not deal kindly with people like Chloe. It stalks them. Preys upon them. And wants many of them -- like Chloe, for instance --

dead.

The Chosen Celia Thomson,2010-05-11 CHLOE KING MAY BE THE ONE. Despite a rocky few weeks, Chloe King is starting to get it. She's figured out who she is (a girl with catlike superpowers), where she belongs (at home with Mom), and what she wants to do (chill with her friends). Yes, she's got funky superpowers, and yes, two rival groups think she's some chosen leader. But no, she's not buying all that ancient-warrior crap. And she's definitely not developing a superhero alter ego like in those old comic books. For Chloe, being the One means she can have whatever she wants -- i.e., more goof-off time and fewer cat people conventions. Then she finds her friend bleeding in an alley. All at once Chloe realizes that the years of bloodshed are not over. In fact, they never will be. The Mai and the Tenth Blade are going to persist in their dangerous rivalry. Unless Chloe accepts her destiny -- and takes control.

The Fallen Liz Braswell,2011-06-28 Chloe King is a normal girl. She goes to class (most of the time), fights with her mom, and crushes on a boy...or two. But around her sixteenth birthday, Chloe finds that perhaps she isn't so normal after all. There's the heightened night vision, the super fast reflexes - oh, and the claws. As she discovers who she is - and where she comes from - it is clear she is not alone. And someone is trying to get her. Chloe has nine lives. But will nine be enough?

Bewitched Again Julie D. O'Reilly,2013-07-20 Starting in 1996, U.S. television saw an influx of superhuman female characters who could materialize objects like Sabrina, the Teenage Witch, defeat evil like Buffy the Vampire Slayer and have premonitions like Charmed's Phoebe. The extraordinary abilities of these women showed resistance to traditional gender roles, although these characters experienced infringements on their abilities in ways superpowered men did not. Supernaturally powerful women and girls have remained on television, including the heavenly connected Grace (of Saving Grace), telepathic Sookie (of True Blood), and magical Cassie (of The Secret Circle). These more recent characters also face numerous constraints on their powers. As a result, superpowers become a narrative technique to diminish these characters, a technique that began with television's first superpowered woman, Samantha (of Bewitched). They all illustrate a paradox of women's power: are these characters ever truly powerful, much less superpowerful, if they cannot use their abilities fully? The superwoman has endured as a metaphor for women trying to have it all; therefore, the travails of these television examples parallel those of their off-screen counterparts.

ABC Family to Freeform TV Emily L. Newman,Emily Witsell,2018-03-02 Launched in 1977 by the Christian Broadcasting Service (originally associated with Pat Robertson), the ABC Family/Freeform network has gone through a number of changes in name and ownership. Over the past decade, the network--now owned by Disney--has redefined family programming for its targeted 14- to 34-year-old demographic, addressing topics like lesbian and gay parenting, postfeminism and changing perceptions of women, the issue of race in the U.S., and the status of disability in American culture. This collection of new essays examines the network from a variety of perspectives, with a focus on inclusive programming that has created a space

for underrepresented communities like transgender youth, overweight teens, and the deaf.

Spring Jeff Mariotte,2010-05-11 SPRING FORWARD Kerry's life has done a one-eighty. Once she was a college kid with a summer share. A girl whose friends affectionately called her Bulldog. Now she's gotten mixed up with real live witches who are embroiled in a centuries-old feud. For months Kerry's been on a hunt to uncover the truth. She's visited bizarre places and gained extraordinary skills. In a quest to uncover the secrets of the past, she's discovered a magical part of herself she never could have imagined. As the final season begins, Kerry realizes she is the only one who can end this witchy war. Doing so, however, will cause one last, unbelievable twist. A twist that will change Kerry's life -- and that of her friends -- forever.

The Fallen Celia Thomson,2004-05-25 This new, edgy, girl-power suspense series begins with an introduction to Chloe King, a girl who discovers she is the descendant of an ancient warrior clan possessing feline power--on the run from those who swore to wipe out her kind. 6/04.
