

The Parents Tao Te Ching

Hans-Georg Möller, Günter Wohlfart

The Parent's Tao Te Ching William Martin, 2009-09-09 Classic Taoist wisdom applied to the world of parenting, guiding mothers and fathers to meaningful conversations and relationships with their children. William C. Martin has freshly reinterpreted the Tao Te Ching to speak directly and clearly to the most difficult of modern tasks -- parenting. With its combination of free verse and judicious advice, The Parent's Tao Te Ching addresses the great themes that permeate the Tao and that support loving parent- child relationships: responding without judgment, emulating natural processes, and balancing between doing and being. A masterpiece. William Martin captures the essence of what it means to raise a child. Urgently needed, this precious book lifts parenting to new heights.-- Judy Ford, author of Wonderful Ways to Love a Child and Wonderful Ways to Be a Family

The Parent's Tao Te Ching William Martin, 1999

The Couple's Tao Te Ching William Martin, 1999-12-27 Following the successful debut of the Parent's Tao Te Ching-- William Martin now reinterprets the Tao for couples. With The Parent's Tao Te Ching, William Martin beautifully re-interpreted Lao Tzu's Tao Te Ching--one of the world's oldest and most widely read books of wisdom--expressly for parents. Now, he distills and freshly re-interprets the essence of each of the Tao's 81 chapters to speak directly and clearly to couples. William Martin's indelible, spirited, and sage advice, rendered in free verse, captures the ancient spirit of Lao Tzu's original text, yet speaks directly to modern lovers--and to the full sweep of their experiences and emotions. A deeply felt alternative to advice books that urge readers to manipulate their partners rather than to love them, The Couple's Tao Te Ching is for everyone who has embarked upon a loving relationship, which, as William Martin says, can be the most rewarding and enlightening adventure possible. Foreword by Hugh and Gayle Prather

A Path and a Practice William Martin, 2004-12-20 Martin strikingly translates the Tao Te Ching's 81 chapters to uncover how directly the Tao speaks to readers who are on or about to embark on a spiritual journey.

The Activist's Tao Te Ching William Martin, 2016-04-15 "[An] inspiration." — Alice Walker, The New York Times Book Review Change and anger are in the air. Looking for answers to today's wrenching challenges, William Martin turns to the Tao Te Ching and finds that while Taoism is known for its quiet, enigmatic wisdom, the Tao can also have the cleansing force of a rushing river. Through his interpretation of this ancient Chinese text, Martin elucidates revolutionary messages

condemning power-seeking and greed. He emphasizes that humans have a “natural virtue” that can help them heal the planet; shows how Taoism’s simplicity can be subversive and its flexibility a potent force; and reassures that “when injustice is the rule, justice always lies in wait.” Provocative and stirring, Martin’s Tao flows within and through those who ride the waves of anger and frustration and gently guides them to true freedom. “We have learned the secret of transformation: Injustice feeds our determination. Hate increases our love. Wounds bring forth our healing, and fear uncovers our courage and serenity.” — from *The Activist’s Tao Te Ching*

The Sage's Tao Te Ching William Martin, 2000 Completing the trilogy that began with the *Parent's Tao Te Ching* (praised as pure gold by Hugh Prather) and continued with the *Couple's Tao Te Ching* (a singular book, said George Fowler), William Martin now distills and freshly reinterprets the Tao for sages, or those in the second half of life. As Martin writes, sages are the primary keepers and transmitters of wisdom, culture, values, and spirituality. Martin's free-verse interpretation captures the ancient spirit of Lao Tzu's text, yet speaks directly to modern readers. The text is accompanied by a visual interpretation of the Tao in more than 50 original ink-brush drawings. Like the *Parent's Tao* and *Couple's Tao* before it, the *Sage's Tao* has the hallmarks of a classic. You have ceased trying /To tie up all loose ends./You have discovered/That life does not need to be neat/You have more questions than answers,/And this is a great delight to you./You trust the mystery of life/Without having to possess it. - from the book

The Sage's Tao Te Ching, 20th Anniversary Edition: Ancient Advice for the Second Half of Life (20th Anniversary) William Martin, 2020-04-14 The twentieth anniversary edition of William Martin’s free-verse interpretation of the *Tao Te Ching*, written expressly for those coming into the fullness of their wisdom Lao Tzu’s *Tao Te Ching* reminds its readers that the sage has been venerated in China for thousands of years. Twenty years ago, William Martin subtly and powerfully captured the complex emotions connected with growing older in this free-verse interpretation of the Tao. His words resonate just as much now, encouraging today’s sages to recognize their inestimable worth in a youth-centric world that often goes astray: “If there is to be a transformation, it will be the sages among us who will show the way. The elders, the wisewomen, the shamans, the grandmothers, and the grandfathers will provide the guidance, for they have undergone the necessary initiations . . . and emerged into the spaciousness of simplicity, freedom, and joy.”

Parents Tao Te Ching Kristen Hudson, 2016-01-09 Many people say that your children are your legacy. Raising children in today's hectic world is certainly no easy feat. When your child is less than a year old, you need to deal with cries during the wee hours of the night, not to mention frequent changing of diapers. When they grow up, you need to prevent them from running around the house and from disturbing the neighbours. It is once said that being a parent is the toughest job in the word but does it always have to be that way? *Parents Tao Te Ching: A 7 Step Parenting Framework To Make Your Children Love You Even More, Without Compromising Your Hectic Schedule* will show you how you can strengthen your family bond

and bring your children closer to you. They will begin to respect you as a parent and see you as a loving authoritative figure whom they can emulate from. In this book, you will learn: - Tips on knowing yourself better so you can adopt a parenting style that suits your personality - Two things you should do to know your child better so you can get them to share their feelings with you more - How to discipline your children properly so you can command their respect - Words that you should not use when talking to your children - Three ways to make time for your children so you can make them feel loved when they are around you - Secrets to show your affection to your children without the risk of them rejecting you And many more... Lao-tzu's Taoteching Laozi, 2009 One of the best-selling English-language translations of the Taoteching. A refreshing new translation. . . . Highly recommended.--Library Journal With its clarity and scholarly range, this version of the Taoteching works as both a readable text and a valuable resource of Taoist interpretation.--Publishers Weekly Read it in confidence that it comes as close as possible to expressing the Chinese text in English.--Victor Mair, professor of Chinese studies, University of Pennsylvania Lao-tzu's Taoteching is an essential volume of world literature, and Red Pine's nuanced and authoritative English translation--reissued and published with the Chinese text en face--is one of the best-selling versions. Features that set this volume apart from other translations are its commentaries by scores of Taoist scholars, poets, monks, recluses, adepts, and emperors spanning more than two thousand years. I envisioned this book, Red Pine notes in his introduction, as a discussion between Lao-tzu and a group of people who have thought deeply about his text. Sages have no mind of their own their mind is the mind of the people to the good they are good to the bad they are good until they become good to the true they are true to the false they are true until they become true . . . Lao-tzu (ca. 600 BCE) was a Chinese sage who Confucius called a dragon among men. He served as Keeper of the Royal Archives and authored the Taoteching. Red Pine is one of the world's foremost translators of Chinese literary and religious texts. His books include The Heart Sutra, Poems of the Masters, and a collection of all the known poems by the mountain hermit Han Shan, The Collected Songs of Cold Mountain.
