**Jean Carnahan**

*This Road I Traveled* Carla L. Bailey, 2016-08-24 Come take a walk with me on this road I travel that was a daunting yet blessed journey. Being the mother of a special-needs daughter, along with four children, every day is busy with challenges, but what happens when I get sick and I am told that I have only a year to live? What will happen to my children? Who will raise my special-needs daughter? When the doctors lose hope, then I will trust my faith in God more than I ever have before. I pray that my journey can inspire your belief that God is still in charge, and he has the final say when you believe.

Two Lifetimes Patti Henry MEd LPC, 2020-11-04 This remarkable book is written to help people move out of being run by their wounded emotional child to being run by their empowered authentic adult self. It chronicles shifting from living life fearfully to living life powerfully and lovingly. It will change your life.

Glimmers of Grace Faith Hakesley, 2020-07-13 It started with a Tootsie Roll. The day then-18-year-old Faith Hakesley was to testify in court against the well-liked Catholic priest who had raped her, a court guard pressed a Tootsie Roll into her hand. It was the first glimmer. The little piece of candy reminded her of the Scripture about faith the size of a mustard seed, and this bit of encouragement, by way of the guard, but really from God, gave her the courage she needed to endure the trial. In *Glimmers of Grace: Moments of Peace and Healing Following Sexual Abuse*, Faith shares what she has learned about the gifts God wants to give victims throughout their journey of healing. Practical, personal, and versatile, *Glimmers of Grace* accompanies readers step by step from acceptance to true freedom. In each reflection, you'll explore the healing gifts God offers, including: Hope Kindness Perseverance Self-compassion Joy Each reflection includes a gratitude prompt, positive affirmation, achievable to-dos, and journaling questions to help you embrace each gift. Like Faith, you can learn, slowly but surely, to see where and how God is speaking to you and find hope and healing after sexual abuse. *Glimmers of Grace* can also help spouses, friends, loved ones, or anyone who works with abuse victims gain perspective and understanding. ABOUT THE AUTHOR Faith Hakesley is a wife, homeschooling mother of three, and blogger. In 2008, she was one of five victims of clerical abuse to meet privately with Pope Benedict XVI during his trip to Washington, D.C. She is passionate about sharing her personal story of healing in order to offer hope, healing, and peace to those who are suffering. **Somewhere, a Boy and a Bear** Gyles Brandreth, 2025-12-02 For the 100th anniversary of the publication of *Winnie-the-*

Pooh, Gyles Brandreth chronicles the writing of this beloved classic and the life of its creator, A. A. Milne. Somewhere, a Boy and a Bear tells the remarkable story of A A Milne, a playwright, a bestselling crime writer, poet, polemicist, humorist, and the man who created Winnie-the-Pooh. Gyles Brandreth explores Winnie-the-Pooh, a bear beloved by millions: his genesis, his life across a hundred years, his special philosophy, and the reasons for his worldwide popularity. Brandreth's book is also the intimate biography of three generations of the fascinating and troubled Milne family, which knew fame and fortune, despising both for a time, but a family that ultimately found a profound reason to be grateful for the riches Pooh brought them. With an extraordinary cast list that includes Elizabeth II and Walt Disney, Somewhere, a Boy and a Bear moves from idyllic childhood games in the English countryside to New York in the 1930s and the love affairs, litigation, and heartrending family rifts that touched the life of one of Britain's most brilliant writers and his most famous creation.

*Resetting* Susan B. Hassmiller, 2020-01-07 A wife and medical professional reflects on the loss of her husband in a series of reflections that reveal the emotional stages of grief and healing. Although grief and loss are universal human conditions, the idea of losing those we love is still greatly feared, largely undiscussed, and certainly not prepared for. It is no wonder people feel alone and isolated in their feelings and thoughts when loss comes to them. Longtime nurse and Red Cross volunteer Susan Beth Hassmiller is no stranger to death. Not only has she experienced the suffering of death alongside her patients, but she was blindsided by the physical and emotional toll of loss in her personal life when her husband was fatally injured in an accident. *Resetting* is written in a daily diary format in which Susan opens a very private window to the actual

feelings and thoughts she lived through during her grief process. Raw and gripping, *Resetting* reveals a profound understanding of the human experience of death. By sharing her perspective as a wife, widow and medical professional, Susan helps those who going through grief gain a new perspective and a greater understanding of death, while also offering ideas on how to help those who are experiencing bereavement—from words to say to providing support.

**Another Day's Pain: A Rocksborg Novel** K. C. Constantine, 2024-04-16 K.C. Constantine returns with the long-awaited final chapter of his saga of the Rocksborg Police Department. The police force of Rocksborg, Pennsylvania, doesn't see a ton of action. With jobs and industry moving away from the small city outside Pittsburgh, Detective Ruggiero "Rugs" Carlucci's greatest adversaries are his negligent vacation-prone fellow officers and an older divorcee who has a habit of dancing naked on her back porch when she stops taking her medication. Retirement is on the horizon for Rugs, and the Vietnam vet is counting the days until he can move on from the job. But Rocksborg isn't going to let Rugs drift off to retirement without a fight. Before he can neatly wrap up his career, Rugs will face a mad shooter, a vengeful city councilman, and, most perilously, his own mother. With a supporting cast of characters painted through uproarious profanity and heart-wrenching confessions, *Another Day's Pain* is a bold and darkly funny novel about crime and the damaged souls it leaves behind.
