Winter's Storm Mary Stone,2020-01-02 They survived, but survival won't save them. When the survivors of the massacre at the Riverside Mall are murdered one after the other, the police suspect a serial killer and turn to the FBI. Winter Black is on the case, working to track down the third person involved in the mass shooting that happened the same night she took down The Preacher, the man who killed her parents. The hit list is long while the list of suspects is short, and when the killer ends up dead, the suspect list narrows down to a pinpoint. The path to solving the case grows even more twisted, and protecting the survivors feels nearly impossible as the storm of hate grows bigger, more fierce as it moves closer to Winter, taking down anyone within its path. Who is this assassin? Are they intent on simply finishing what Tyler Haldane and Kent Strickland started, or is it worse? Do they intend to finish what The Preacher started as well? And where does Justin, Winter's baby brother, fit in? Is he the storm, or is he simply caught up in its force? Book eight of Mary Stone's riveting Winter Black Series, Winter's Storm, delves into a darkness we hope doesn't exist and brings it close enough to feel its chill. Winter's End Mary Stone,2020-03-25 Sometimes, the beginning is the end. For thirteen years, FBI Special Agent Winter Black has been haunted by a man who performed heinous acts. Murdering her parents. Abducting her baby brother. Leaving her in a coma that changed her life forever. For thirteen years, she's suffered mentally and physically. Often doubted her sanity and ability to move forward to achieve her goal of bringing that brutal man down. Thirteen years of regret. Of hope. Of fear. Of hate. But now, the boy she longs for has transformed into a man she fears. She has to face him. Catch him. Maybe even kill him. Even if it means the end of her. Winter's End, the ninth and final book of Mary Stone's gripping Winter Black Series, examines the intricate battle between love and hate. Right from wrong. Leaving you breathless and asking...what would you do? Scroll up to one-click your copy today!

Winter's Mourn Mary Stone,2019-04-10 A killer is watching... Thirteen years ago, Winter Black came home early from a sleepover to find her parents brutally murdered and her little brother gone-taken by a serial killer called The Preacher. Now a rookie FBI agent assigned to her first murder case, Winter has returned to the small Virginia town where she grew up. But when bones found by a hunter lead to the discovery of a secret burial ground containing the remains of children, the investigation suddenly hits close to home as the past and future collide with each new shocking discovery. Will they find her

brother's bones in the makeshift graveyard next? Only The Preacher knows, and he'll do anything to keep the past-and its secrets-buried until he's ready to make his final move. A masterfully conceived psychological thriller reminiscent of Lisa Jackson, Harlan Coben, and Karin Slaughter, Winter's Mourn will keep readers turning the pages-and watching the window-long past midnight.

After recovering from the brain injury she received that brutal night, Winter single-mindedly pursues a career as an FBI agent.
