*The Adam and Eve Story* Chan Thomas, 1993 This is the Book of the Century! At LAST someone - this time a basic research scientist - has come forth with proof of cataclysms, which are worldwide supersonic inundations such as Noah's flood. They were discovered by great men such as Andre DeLuc, Baron Georges Cuvier and Guy de Dolomieu, and have remained unsolved mysteries ever since. Now the author takes you through thrilling solutions of finding the process of cataclysms, their timetable, and the derivation of trigger, a 20-year search. Truly, CATAclysms LEAVE NO ONE UNTOUCHED! He describes the next cataclysm in awesome detail plus the deterioration of civilization and the escalation of crime before the next cataclysm. It just so happens that the author's scientific prediction of the next cataclysm agrees with clairvoyants Nostradamus', Cayce's, and Scallion's predictions. Never before have facts been presented in such a spine-tingling, inspiring fashion; and never have so many secrets been unlocked in one book. This is the most stirring subject, written in the most intriguing, engrossing, and exciting style ever. You will remember this exceptional book for years! *The Adam and Eve Story* Chan Thomas, 2021 This curious text gained a lot of attention as the 2010's approached their end, and as science finally started to acknowledge the fact that there is a big possibility that the Magnetic Pole Shift can, indeed, be a cataclysmic event that destroys everything, and that this cataclysm might be imminent. A discussion that, for years, was shut down by the use of terms conspiracy theory and pseudoscience, is finally starting to gain the attention it needs; even though it might be too late now. This is only a single part of a vast literature dealing with the subject of Magnetic Pole Shift. We hope this book is read only as the first step on your research on this extremely important topic.

**Project Mankind** Ashwin Vinoo,2023-10-04 Mankind lives in an illusion of freedom, unaware of their true origins and purpose... We didn't come directly from apes as Darwinians claim. Rather, mankind is the seventh version of a hybridization experiment run by extraterrestrials to create a slave warrior race that can also function as a source of genetic material to advance our creators. Most of these races look humanoid and were once the Gods of our civilization, who descended from the skies in their fiery chariots and guided humanity's first civilizations. However, over time, man was made to forget his origins as it was deemed that him realizing that he wasn't free would interfere with the program. A few millennia pass and our cities are buzzing with technology that came out of nowhere shortly after UFO sightings began. Since the 1950s, people have reported lights in the sky, alien encounters, and reports of government-run secret space programs using reverse-engineered extraterrestrial technology. In the meantime, our governments continue to lie about UFOs and extraterrestrials; stating that they lack any tangible evidence despite the incredible number of eyewitnesses coming forward, whose testimonies are detailed and interconnecting. Unbeknownst to the public, there is a plan in place to wipe out the majority of the world population and replace them with grey-human hybrids that were created with reproductive material acquired through mass human abductions conducted by grey aliens. This plan will take place after a solar flash event will raise the background frequency of our planet and induce a pole-shift that will trigger floods and other catastrophes. The shift in frequency will result in the failure of all the electronics we have come to depend on, and it will render our race helpless. In this period of great human suffering, the Gods will descend once again, bearing gifts that will pacify our situation, provided we allow them to administer us. The question is "Will mankind wake up in time to avert their fate?". This book is tailored to provide the serious investigator a framework of understanding on the ET and paranormal phenomenon

Kiara brilliantly and eloquently connects the dots, and presents clear and practical solutions for these complex and precarious times. ~ Yves Nager, Find your Life Purpose For those who are consciously aware of the challenging implications of these times, and seek both cosmic perspectives and spiritual guidance, Gaia Luminous is an invaluable resource of scholarly and balanced investigation, combined with profound personal experience. ~ Simon Peter Fuller, Rising out of Chaos Kiara Windrider serves up a full course of scientific inquiry, evolutionary thinking and sacred insights from a wide variety of traditions. This thrilling read feeds our sense of the possible and activates our commitment to a bold new vision for humanity. ~ James O'Dea, The Conscious Activist

The Great Pyramid Void Enigma Scott Creighton, 2021-06-29 • Analyzes ancient Coptic-Egyptian texts and evidence from astronomy and archaeology to show how the Big Void may be a grand “Hall of Ancestors” • Explores the controversy surrounding the discovery of the Big Void and debunks many of the theories regarding the purpose of this massive new “chamber” • Reveals how the Great Pyramid was built by Khufu as an indestructible “recovery vault” to help Egyptian civilization rebuild after an anticipated cataclysm In November 2017, an international team of more than 30 scientists published the results of their two-year-long Great Pyramid research project in the journal Nature. Using an advanced imaging technique known as muon radiography, three groups working independently from each other discovered a massive, previously unknown space within the Great Pyramid of Giza. Mainstream Egyptologists suggest that the “Big Void” is simply a stress-relieving device for the Grand Gallery. But, as Scott Creighton reveals, ancient Coptic-Egyptian texts describe exactly what the Big Void is. Exploring the controversy surrounding the Big Void, Creighton artfully debunks many of the theories about the purpose of this massive chamber as well as other long-held Egyptology beliefs. Analyzing the Coptic-Egyptian texts and evidence from astronomy, archaeology, and other sources, the author reveals how the Great Pyramid was built by Khufu as an indestructible recovery vault to help Egyptian civilization rebuild after a cataclysmic natural disaster--a rapid pole shift and subsequent deluge--predicted by his astronomer-priests. And the key component of the recovery vault

would have been the Hall of the Ancestors, a sealed safe haven containing the mummified remains of the Osiris Kings, deceased pharaohs who would seek the benevolence of the gods to ensure Egypt's recovery from the disaster.
