Body Horror and Shapeshifting: A Multidisciplinary Exploration Jessica Folio, Holly Luning, 2019-01-04 This volume was first published by Inter-Disciplinary Press in 2014. The body is unveiled, not as a terra incognita, but as terra to be rediscovered. The authors – whose diverse origins echo the multiple media used to convey their ideas – establish a link between bodily metamorphosis and psychological fissures. The body is a locus of paradoxes: deformed, infected, monstrosized or negated but at the same time fascinating, intimate or sensual. Here, readers will open the door of disruption. They will explore the flesh or the inner processes of the body, the idea of its degeneration, even its perception as a gaping wound. The authors in this volume question the very notion of identity as they embark on a journey to reflect on the self. Life itself is a shapeshifting dance we unknowingly join in its myriad of colours and moves.

How to Write Like Tolstoy Richard Cohen, 2016 For anyone who has ever identified with a hero or heroine, been seduced by a strong opening sentence, or been powerfully moved by a story's end, [this is a] journey inside the minds of the world's most accomplished storytellers, from Shakespeare to Stephen King--Amazon.com.

Now What, Grad? Chris Palmer, 2015-12-08 Many soon-to-be graduates are worried about their future. They stress about whether they'll find a job, if it will be fulfilling, whether they will earn enough to pay off their student loans, and whether they will fail and disappoint their families. Young people need to learn many things that colleges don't teach, including how to behave professionally, how to collaborate, how to be life-long learners, and how to be resourceful, resilient, and ethical.

This book will teach students the things they need to succeed in the real world, such as how to organize a job search, how to ace job interviews, how to manage time effectively, how to manage and reduce stress, how to be an effective leader, how to run a meeting well, how to survive a bad performance review, how to become a powerful speaker, how to network, and many other skills that are the keys to success and fulfillment.

What's a Christian, Anyway? Glenn Packiam, 2025-03-11 In an age when Christianity has been corrupted and co-opted by cultural forces and personal agendas, pastor and theologian Glenn Packiam shows how an ancient Creed can save the modern church--and might just save your faith. The Church today has lost its way. We've pursued the wrong priorities, put our hope in personalities, and elevated popularity over spiritual maturity. And it's not just the Church that's lost; we are too. As culture wars rage and competing voices argue, many Christians are left asking a basic question, What's a Christian, anyway? But there's hope. The church has been here before, and our spiritual ancestors crafted a powerful resource to help us find our way: the Nicene Creed. Readers who take this journey with Packiam will discover how the Creed--born in an ancient time of controversy, confusion, and disunity much like today--is not just a statement of beliefs, but a rope to lead us home; experience an invitation into the mystery and wonder of God through these ancient words; and rediscover a path to becoming faithful witnesses to the way of Jesus as we learn to live into the Creed's beautiful story, stunning hope, and powerful vision of what a Christian is. The world yearns for Christ's joy, peace, and hope, but the gospel is only believable if Christians live like it's true. Join this adventure into the heart of authentic Christianity, and rediscover for yourself the fresh, timeless power of our Creed, returning to the living heart of what it means to be a Christian.
