The Crash of Piedmont Airlines Flight 22 Paul D. Houle, 2016-01-05 Against a backdrop of inadequate funding, misplaced priorities and a lack of manpower, American commercial aviation in the 1960s was in a perilous state. In July 1967, when a Piedmont Airlines Boeing 727 collided with a Cessna 310 over Hendersonville, North Carolina, killing 82 people, the industry was in crisis. Congress called hearings on aviation safety and government and union officials pressured President Lyndon Johnson to request increased funding for aviation safety. But the National Transportation Safety Board's probe into the crash was flawed from the start. The investigative team was made up of individuals whose companies had certain interests in the outcome. The lead investigator was the brother of the vice president of Piedmont Airlines. In an effort to shift blame from the government and Piedmont, critical conversations recorded on tape never made it into the NTSB's report. Maintenance and training records, as well as industry warnings of the 727's operational limitations, were also omitted. This book reveals the true story of the investigation: what was left out and why.

Encyclopedia of Television Pilots Vincent Terrace, 2019-09-05 On November 27, 1937, NBC presented TV's first pilot film, Sherlock Holmes (then called an experiment). Thousands of pilot films (both unaired and televised) have been produced since. This updated and restyled book contains 2,470 alphabetically arranged pilot films broadcast from 1937 to 2019. Entries contain the concept, cast and character information, credits (producer, writer, director), dates, genre and network or cable affiliation. In addition to a complete performer's index, two appendices have been included: one detailing the pilot films that led to a series and a second that lists the programs that were spun off from one series into another. Never telecast pilot films can be found in the companion volume, *The Encyclopedia of Unaired Television Pilots, 1945-2018*. Both volumes are the most complete and detailed sources for such information, a great deal of which is based on viewing the actual programs.

In the process, she slams in Julian's face the very doors that other parents struggle to open for

their children.

The Rooming House Diaries Bill Mathis,2019-08-08 Six fascinating and touching diaries are discovered in an old rooming house that detail the lives of the owners and tenants spanning over a century of change in Chicago's Back-of-the-Yards neighborhood. An unwed pregnant teen shows up; a teen from Paris, France appears, the result of a relationship during World War I; the first Mexican in the neighborhood is given a room and eventually inherits the place, his diary describes his young life running the streets in Tijuana, Mexico and how the rooming house served undocumented AIDS clients. The matriarch leaves a long-hidden diary that details her undisclosed life of brothels. Filled with love, life and family secrets, The Rooming House Diaries prove DNA does not always make a complete family.

No Bugs in Heaven Brian Ellis,2022-05-04 Caskets should only come in one size. This was Jim's observation on the worst day of his life. Or was it? Jim was a typical father both loving and involved. But on this day, Jim's Tradition, charms on a bracelet, caused him to doubt how he fathered the most wonderful seven-year-old girl, Zoe. Jim traded this doubt for his sense of peace, and nothing he was doing helped. He needed help and the Journey, along with Zoe and the mysterious Abe, was there to do just that. With a sense of wonder, Jim was carried through a series of places and events. Each setting was more spectacular than the last, and each place was set up to teach and make Jim understand reality. Jim's search for peace could only be found through turmoil and hard work. And with each setting came a charm, a charm that was made by his own hard work and example of a father. In the end, he would find peace right where he left it, right in the middle of the truth. Jim was a great father, and all of heaven was there to teach. All Jim needed to do was let go and listen. All he needed to do was seek and find. The Journey was real, and Jim's Tradition didn't stand a chance.
