*The Good, the Bad, and the Grateful* A. Daniels, 2023-04-17 *The Good, The Bad, and The Grateful* is personal story chronicling everyday teachers, family, friends, and co-workers who were spiritual teachers during the first 50 years of the author's life. It is a celebration of all the defining moments of life, good and bad, and how they all give us blessings. It encourages reflection with famous quotations from some of the greatest spiritual teachers of our time after each chapter to help bridge the ordinary events in the author's life to some of the most well-known spiritual practices. The intention of this book is to inspire anyone who reads it to take time to reflect on his or her private life and realize how we are all evolving into more beautiful beings. It is the author's hope that readers use this book as a guide to help identify the angels in their lives and take time to share their stories, good and bad, with each other and demonstrate how grateful they are to have loved and learned despite any obstacles or pain they may have experienced. True leadership serves and empowers. The back of the book has names of organizations that are on the front lines helping those in our communities with mental illness. A portion of the proceeds from each book will be donated to help raise mental health awareness. Each reader can also log onto the author's website to directly to purchase the book and post the name of a loved person in their life that is suffering with mental illness and send them an intention for healing. It is a spiritual wake-up call to affect change in a safe environment with an open mind-set and a willingness to act with a collective, clear, joyful, intention.

*Hope out of Darkness: A Guide to First Responder Mental Wellness* Dena Ali, 2024-11-11 In *Hope Out of Darkness: A Guide to First Responder Mental Wellness*, Dena Ali, battalion chief with the Raleigh, NC, Fire Department and sought-after speaker, delivers a comprehensive exploration of the mental health issues facing first responders. Combining powerful personal experience with intensively researched insights and data from subject matter experts, Ali dispels mental health myths, outlines a range of resources for support and treatment, and skillfully employs both her vulnerability and wisdom to offer hope to first responders in need.

*You Are a Sovereign Being* Mary Paleologos, 2023-01-03 Through darkness comes light, through fear comes love. and through pain comes the triumph of the human spirit. We are all sovereign beings who possess a powerful source of strength, compassion, kindness, and love gifted to us by God. In an inspiring true story of triumph, Mary Paleologos chronicles her personal journey as she bravely battled three brain hemorrhages and an eating disorder—all while unveiling timeless truths

about our true nature and spiritual identity. It was not until she healed, awakened, and transformed her life experiences and embodied the truth of who she really was that Mary truly understood the meaning of sovereignty and how it is given to all of us at birth by God. Through her spiritual wisdom and glimpse into her journey to the truth, Mary gently reminds believers that we are all overcomers with a God-given inner authority and the power to pursue our divine purpose. Included are tools and practices that will help anyone navigate the dawn of a new era as a sovereign being. *You Are a Sovereign Being* is an inspirational story of triumph that offers insight and wisdom about the God-given authority that lies within all of us.

**Redefining Financial Literacy** Cindy Couyoumjian, 2021-04-06 Redefining and Reclaiming Financial Literacy With over thirty-six years of industry experience, Cindy Couyoumjian is committed to filling the financial literacy void for many Americans. In her timely and thought-provoking book, Cindy gives a unique macro perspective of what she calls “the hidden forces behind your money,” which are the unseen political and economic forces that may influence your investment decisions. Through meticulous research, Cindy shows how these hidden forces have contributed to a complex retirement system, which includes pensions, social security, and what she believes is the outdated 60/40 investment model. To address this issue, Cindy spent endless hours developing a new multi-asset class investment methodology, known as the REALM model, that may offer broader investment strategies aimed to mitigate risk from the hidden forces that may negatively impact your goals. Redefining Financial Literacy can help you • Understand the complex macro forces that you cannot control, yet could determine your financial future, • Take actionable steps to regain command of your retirement strategy, • Build a retirement with potential durable income strategies, lesser volatility, and risk-adjusted returns. Redefining Financial Literacy and Cindy’s innovative REALM model can open your eyes to investment possibilities while helping you regain confidence in the American dream. Diversification does not guarantee profit nor is it guaranteed to protect assets. There is no assurance that any strategy/model will achieve its objectives. Irrepressible Cathy Madavan, 2020-02-20 Why do some people seem to throw themselves into every opportunity, bouncing back from every setback? Is this irrepressible spirit just for the hyper-motivated? How do the rest of us live courageously, relate authentically and develop resilience? Popular speaker and author Cathy Madavan deploys her trademark humour and down-to-earth wisdom to identify twelve ways we can become irrepressible. How do you discover your irrepressible purpose? How do you respond when disasters strike? How do you become a person of influence? How do

you build a tribe of friends, but still keep healthy boundaries? How do your habits develop resilience, capacity and flexibility? This is your invitation to irrepressible living. These principles are your tools for building a courageous, resilient and fulfilling life. Cathy Madavan lives on England's south coast with her husband Mark, and has been teaching about resilience, relationships and purpose for over 20 years.

Zen Parenting Cathy Cassani Adams, 2022-02-01 The host of the top ranked Zen Parenting podcast and mother of three reveals a calmer, more self-aware parenting approach for parents to effectively teach and support their children: say less, but listen more. We can't always plan for what's next—that's been made more and more clear in the past few years. The truth is that life is never predictable, especially as parents. What is possible is your unlimited capacity for compassion, and caring—for yourself and for your children. As you navigate the uncertainty with openness and humility, you find the clarity, connection and community that is Zen Parenting. Using the seven chakras, therapist Cathy Cassani Adams discusses parenting issues such as school pressure, self-care, emotional intelligence, mental health, sexuality and gender, and more, while offering concrete examples and strategies to help you wake up to your life as a parent: Chakra One—The Right to Be: Establish your physical, emotional, and mental foundation Chakra Two—The Right to Feel: Practice creativity and how to access your emotions Chakra Three—The Right to Act: Establish a sense of self for yourself and your kids Chakra Four—The Right to Love and Be Loved: Experience openheartedness, empathy, and compassion Chakra Five—The Right to Speak and Hear Truth: Discover genuine and meaningful communication Chakra Six—The Right to See: Explore mindfulness, meditation, and your own intuition Chakra Seven—The Right to Know: Connect to something greater than yourself “This book is my new favorite guide for parenting, to be sure. But it's also a master class in a life well-lived.” —Dr. John Duffy, author of *Parenting the New Teen in the Age of Anxiety* and *The Available Parent*

*Daring Greatly* Brené Brown, 2012-09-11 The #1 New York Times bestseller. More than 2 million copies sold! Look for Brené Brown's new podcast, *Dare to Lead*, as well as her ongoing podcast *Unlocking Us!* From thought leader Brené Brown, a transformative new vision for the way we lead, love, work, parent, and educate that teaches us the power of vulnerability. “It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at the best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly.”—Theodore Roosevelt Every day we experience the uncertainty, risks, and emotional exposure that define what it means to be vulnerable or to dare greatly. Based on twelve years of pioneering research, Brené Brown PhD, MSW, dispels the cultural myth that vulnerability is weakness and argues that it is, in truth, our most accurate measure of courage. Brown explains how vulnerability is both the core of difficult emotions like fear, grief, and disappointment, and the birthplace of love, belonging, joy, empathy, innovation, and creativity. She writes: “When we shut

ourselves off from vulnerability, we distance ourselves from the experiences that bring purpose and meaning to our lives.” Daring Greatly is not about winning or losing. It’s about courage. In a world where “never enough” dominates and feeling afraid has become second nature, vulnerability is subversive. Uncomfortable. It’s even a little dangerous at times. And, without question, putting ourselves out there means there’s a far greater risk of getting criticized or feeling hurt. But when we step back and examine our lives, we will find that nothing is as uncomfortable, dangerous, and hurtful as standing on the outside of our lives looking in and wondering what it would be like if we had the courage to step into the arena—whether it’s a new relationship, an important meeting, the creative process, or a difficult family conversation. Daring Greatly is a practice and a powerful new vision for letting ourselves be seen.

**Summary of Daring Greatly** Alexander Cooper, 2021-10-29 Summary of Daring Greatly - How the Courage to Be Vulnerable Transforms the Way We Live, Love, Parent, and Lead - A Comprehensive Summary PART 1 - WHOLEHEARTEDNESS Wholeheartedness means that a person feels worthy even though this person, just like any other, has flaws. Wholeheartedness is about being focused on positive traits and good qualities and not being focused on a person's shortcomings. According to Brown, wholeheartedness is based on five ideals. The first ideal is the notion that every human being needs love and a sense of belonging, the second is that those who feel that they belong somewhere and that they are loved also believe that they are worthy. The third is about the feeling of worthiness. The author says that feeling of worthiness is built over time. The fourth is that wholehearted people want to live courageous, compassionate and connected lives. And the fifth is that people who live wholeheartedly see their vulnerabilities as catalysts for achieving courage, compassion and connection in their lives. Furthermore, Brown says that if a person does not allow for himself or herself to be vulnerable, that person will definitely shut down from the positive things that life has for him or her. Being vulnerable means to start doing something even when you do not know for certain that you will prevail and when a person tries to protect itself from being vulnerable, he/she does that as a measure of fear and disconnection. *Braving the Wilderness: Reese's Book Club* Brené Brown,2017-09-12 #1 NEW YORK TIMES BESTSELLER • REESE'S BOOK CLUB PICK • A timely and important book that challenges everything we think we know about cultivating true

belonging in our communities, organizations, and culture, from the #1 bestselling author of *Rising Strong*, *Daring Greatly*, and *The Gifts of Imperfection* Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! "True belonging doesn't require us to change who we are. It requires us to be who we are." Social scientist Brené Brown, PhD, MSW, has sparked a global conversation about the experiences that bring meaning to our lives—experiences of courage, vulnerability, love, belonging, shame, and empathy. In *Braving the Wilderness*, Brown redefines what it means to truly belong in an age of increased polarization. With her trademark mix of research, storytelling, and honesty, Brown will again change the cultural conversation while mapping a clear path to true belonging. Brown argues that we're experiencing a spiritual crisis of disconnection, and introduces four practices of true belonging that challenge everything we believe about ourselves and each other. She writes, "True belonging requires us to believe in and belong to ourselves so fully that we can find sacredness both in being a part of something and in standing alone when necessary. But in a culture that's rife with perfectionism and pleasing, and with the erosion of civility, it's easy to stay quiet, hide in our ideological bunkers, or fit in rather than show up as our true selves and brave the wilderness of uncertainty and criticism. But true belonging is not something we negotiate or accomplish with others; it's a daily practice that demands integrity and authenticity. It's a personal commitment that we carry in our hearts." Brown offers us the clarity and courage we need to find our way back to ourselves and to each other. And that path cuts right through the wilderness. Brown writes, "The wilderness is an untamed, unpredictable place of solitude and searching. It is a place as dangerous as it is breathtaking, a place as sought after as it is feared. But it turns out to be the place of true belonging, and it's the bravest and most sacred place you will ever stand."

**Rising Strong** Brené Brown,2017-04-04 #1 NEW YORK TIMES BESTSELLER • When we deny our stories, they define us. When we own our stories, we get to write the ending. Don't miss the five-part Max docuseries Brené Brown: Atlas of the Heart! Social scientist Brené Brown has ignited a global conversation on courage, vulnerability, shame, and worthiness. Her pioneering work uncovered a profound truth: Vulnerability—the willingness to show up and be seen with no guarantee of outcome—is the only path to more love, belonging, creativity, and joy. But living a brave life is not always easy: We are,

inevitably, going to stumble and fall. It is the rise from falling that Brown takes as her subject in *Rising Strong*. As a grounded theory researcher, Brown has listened as a range of people—from leaders in Fortune 500 companies and the military to artists, couples in long-term relationships, teachers, and parents—shared their stories of being brave, falling, and getting back up. She asked herself, What do these people with strong and loving relationships, leaders nurturing creativity, artists pushing innovation, and clergy walking with people through faith and mystery have in common? The answer was clear: They recognize the power of emotion and they're not afraid to lean in to discomfort. Walking into our stories of hurt can feel dangerous. But the process of regaining our footing in the midst of struggle is where our courage is tested and our values are forged. Our stories of struggle can be big ones, like the loss of a job or the end of a relationship, or smaller ones, like a conflict with a friend or colleague. Regardless of magnitude or circumstance, the rising strong process is the same: We reckon with our emotions and get curious about what we're feeling; we rumble with our stories until we get to a place of truth; and we live this process, every day, until it becomes a practice and creates nothing short of a revolution in our lives. Rising strong after a fall is how we cultivate wholeheartedness. It's the process, Brown writes, that teaches us the most about who we are. ONE OF GREATER GOOD'S FAVORITE BOOKS OF THE YEAR "[Brené Brown's] research and work have given us a new vocabulary, a way to talk with each other about the ideas and feelings and fears we've all had but haven't quite known how to articulate. . . . Brené empowers us each to be a little more courageous."—The Huffington Post
