

El Viraje De La Filosofia

Johann Fischl

La filosofía Carlos Rojas Osorio,2006 A historical introduction to philosophy, highlighting significant changes that have taken place throughout the history of its study.

Filosofía de la filosofía Oscar Nudler,2010 Este libro es parte de la colección e-Libro en BiblioBoard.

SER MARXISTA EN FILOSOFÍA Louis Althusser,2017-06-06 «A todos aquellos que dudan hoy de la filosofía, a quienes dudan de que el marxismo sea capaz de tomar parte en la filosofía de una manera no arbitraria ni subjetiva, sino justa y eficaz, les digo: ¡Ved qué es lo que sucede a vuestro alrededor! ¡Ved cómo van de rápido las cosas! ¡Ved esas luchas en las cuales se involucran los jóvenes del lado de los ancianos, batallas en las que la teoría marxista sale fortalecida y rejuvenecida! ¡Ved cómo se corrigen los errores del pasado! ¡Ved qué perspectivas se abren ante nosotros, cómo se acerca el futuro! ¿Tomáis partido en la lucha de clases, obrera y popular? Recordad: la lucha de clases necesita de la filosofía, de “lucha de clases en la teoría”. ¿Aspiráis a ser filósofos? Recordad: el filósofo se bate en la teoría, y cuando entiende las razones de esta necesaria pugna, se une a las filas de la lucha de clases, obrera y popular.» Ser marxista en filosofía, que Althusser escribió en 1976, consta de veintiséis capítulos cortos en el que se busca una nueva comprensión de los vínculos entre Marx y la práctica de la filosofía. ¿Qué tiene que decir Marx acerca de la práctica filosófica? ¿Es posible imaginar una filosofía puramente marxista? ¿Qué significa practicar la filosofía como un marxista? ¿Qué horizonte político podría –y debería– adoptar una filosofía marxista? ¿De qué manera un filósofo podría llamarse a sí mismo marxista hoy día? Estas son algunas de las preguntas que Althusser intenta responder en este libro, en un texto claro, preciso y meticuloso de excepcional elegancia.

La Filosofía contemporánea Cirilo Flórez Miguel,1980-01-01

Historia de la filosofía III Johannes Hirschberger,Raúl Gabás,2015-02-09 La presente obra es ya un clásico de la historiografía filosófica. Publicada en castellano por primera vez en 1954, ha contribuido a la formación en filosofía de varias generaciones tanto en España como en América Latina. Johannes Hirschberger aspira a fundir la actividad historiográfica con la pensante, ya que su intención es ofrecer un texto suficientemente amplio y condensado a la vez, que logre resumir con viveza las principales corrientes de las distintas épocas y el pensamiento de los autores. Con esta nueva edición, revisada a fondo y ampliada hasta nuestros días, sobre todo en lo referente a la bibliografía, la filosofía española y las últimas corrientes

de pensamiento, Herder Editorial quiere rendir homenaje a uno de sus grandes autores y orientar la mirada de los amantes de la filosofía hacia un espejo donde se reflejan las caras e inquietudes de nuestra época. Este tomo comprende el periodo entre la fenomenología de Husserl y los comienzos del siglo XXI.

Interpretación Lógica de la Filosofía Política Tradicional de China ZHANG SHIWEI, 2021-11-18 Examining key political problems of the past, and the thinkers who addressed them, this book presents a panoramic and extensive exploration of Chinese political philosophy. As the reader will discover, China's traditional political philosophy is the one with distinctive national characteristics and ideals. Therefore, the book helps to clarify the evolution of Chinese political thought, while investigating fundamental political issues throughout the country's history. The book offers a unique resource for researchers and graduate students in the fields of political science, philosophy, and history, as well as ordinary readers who are interested in China's traditional and political culture.

Filosofía para dummies Martin Cohen, 2012 Uno de los mayores atractivos de la filosofía es que te hace pensar mucho, para comprender los razonamientos e ideas de otros pensadores, y para desarrollar tus propias respuestas. Pero puede ocurrir que iacabes con más preguntas que al principio!. Esta sencilla guía es como un agradable viaje a la historia de la filosofía, de la mano de un autor experimentado, que te acompañará en tu camino a través de terrenos como el ser, el conocimiento, la verdad o la belleza. •¿Qué es la filosofía?--adéntrate en la ciencia de las ideas y ponte tu sombrero de pensar• ¡Ah, ahora lo entiendo todo!--comprende los conceptos clave que trataron los principales filósofos y disfruta con sus textos• Partidos de izquierdas, de derechas, de centro y de nada-- un poquito de filosofía política para que encuentres la lógica (o la incoherencia) de los programas políticos• Temas íntimos--ética, moral, lógica, conciencia... cada persona es única e irreplicable, pero la sociedad de personas es también un hecho real• Ciencia y filosofía, de la mano--descubre cómo los filósofos han puesto los cimientos a grandes teorías sobre el espacio, el tiempo y muchos otros ámbitos de estudio.

Diccionario de ética y de filosofía moral Monique Canto-Sperber, 2001 La reflexión moral ha sido fundamental en la

tradición histórica y filosófica de las sociedades. Términos como amor, voluntad, comunidad, así como autores, corrientes intelectuales y problemas son presentados en una doble perspectiva de información y análisis. Obra de memoria, reflexión y sabiduría, este diccionario intenta contribuir al enriquecimiento de la reflexión del hombre contemporáneo.

The Top Books of the Year El Viraje De La Filósofa The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Let's delve into the realm of top-selling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. El Viraje De La Filósofa : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the

students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
