*The Next Happy* Tracey Cleantis, 2015-03-03 When the best option is to let go of the life you planned for yourself and find a new path, a world of possibilities can surprisingly open up. Learn whether it is time to let go, and if so, how to move through your grief and find your way forward in *The Next Happy*. If you believe, you can do anything. Although well-meaning, these intended words of inspiration can make us feel like failures. The reality is that no matter how positive our outlook or how tenacious our approach, our dreams simply do not always come true--and there is nothing we can do about it. After multiple fertility treatments and years of hardship in her pursuit to have a child, Tracey Cleantis was forced to face this reality head-on. Yet, through this process and her work counseling hundreds of clients through the loss of their goals and aspirations, she discovered one simple truth: Sometimes there comes a time when the smartest, healthiest, and sanest thing to do is to let go of the original plan in order to find a new way forward toward happiness. And with this critical shift, a world of possibilities opens up to us. New, tangible dreams take shape. In *The Next Happy*, Cleantis offers a roadmap for that journey, teaching you how to: face the possibility of letting go of a dream that isn't working; accept and face sadness, anger, and shame; understand the true reasons why you wanted what you wanted and the real-life causes for why you didn't get it; and ask the questions that will let you move on and set realistic goals for finding a new way forward. With down-to-earth wisdom and humor, this enlightening counterpoint to the popular self-help notion to "follow your dream, no matter what it takes" provides the guidance and support to help you make the decision of whether it is time to give up an impossible dream, and if so, move through your grief, and discover the next happy.

**Signs, Superstitions, and God's Plan** Schmisek, Brian, 2022 "Brian Schmisek weaves together contemporary experience and writings with those of Greco-Roman classical antiquity. What a delight to discover the long arc of the quest for meaning in our beleaguered world. I found it comforting, challenging, and insightful. An interesting read in turbulent times." —Sr. Simone Campbell, SSS, advocate, former leader of Nuns on the Bus, award-winning author of *Hunger for Hope* "In *Signs, Superstitions, and God's Plan*, Brian Schmisek weaves together scripture, the classics, and modern thought in

exploring the ways we have sought to give meaning to our lives, from entrails to religious faith to the stars in the sky. This scholarly but accessible book inspires the reader to consider how events in life unfold, and the meaning of her own life.”

—Catherine Wolff, author, *Beyond: How Humankind Thinks About Heaven* “An indispensable resource for all of us who accompany others in developing the habitus of discernment and decision making, particularly theologians, transformational leaders, pastoral ministers, and educators who engage in reflective practice.” —Faustino M. Cruz; dean and professor of practical theology, Fordham University Graduate School of Religion “In *Signs, Superstitions, and God’s Plan*, Brian Schmisek displays the full panorama of his rich academic scholarship. With impressive credentials in philosophy, classical studies, and theology, he provides his readers with both wide-ranging examples of common and also some not-so-common human attempts to explain aspects of life on earth that baffle our understanding, frustrate our intentions, and leave us grasping for explanations.” —Frank Lazarus, president emeritus, University of Dallas Brian Schmisek is an award-winning author. He has had a distinguished career in Catholic higher education, most recently as provost and dean of faculties at St. Mary’s University of Minnesota. He was also dean at Loyola University Chicago and the University of Dallas.

*EVERYTHING HAPPENS for a Reason JUST BELIEVE* Madison Leigh, 2019-05-16 This is a writing journal. It is great for writing poetry, notes, lists, or just random thoughts. This writing journal is filled with many inspirational quotes and lined for you to use as needed.

**One with the Force** Krista Noble, 2024-11-19 Explores how popular religions and philosophies have influenced and are manifested in the world of Star Wars. You have watched Luke Skywalker destroy the Death Star in *A New Hope*, seen Yoda merge with the Force in *Return of the Jedi*, and heard Rey contact the Jedi of the past in *The Rise of Skywalker*. But did you know that the Star Wars films contain parallels to religions and philosophies from around the world—from Christianity to Buddhism, and from Native American teachings to the Vedic knowledge of ancient India? In *One with the Force: 18 Universal Truths in Star Wars*, Krista Noble explores these parallels. She discusses the Force, collective consciousness, enlightenment, and immortality, revealing that the Star Wars films have a universal perspective on life. Readers will learn about the connections between these films and the Vedic tradition, Buddhism, Taoism, Sikhism, Judaism, Christianity, Islam, and Native American/First Nations beliefs. They will see that the philosophy of the Jedi doesn't only apply “in a galaxy far, far away”; it is also highly relevant to everyday living. Like Luke Skywalker, we should all search our feelings to discover the deepest truths of life, pursue our individual destinies, and strive to reach our full potential as human beings. In these ways, we can embody the wisdom of the Jedi.

**Wrecked Souls** Nikita Achanta,2015-04-28 Asocial. Introvert. Cold. Indifferent. One could have easily used these four words to describe me before I went to boarding school. And boom. Something changed. I never had true friends or someone I could sit and spend quality time with, but then I found someone who had a sullen madness in her eyes one could not teach. She changed the person I was. She pulled me up when I was at my worst and crying for help. People could not stand the real side of me, so I built myself a maska mask to hide all that I really was. No one, truthfully, can stand a chaotic mind. No one can handle a catastrophe, but you eventually find someone who can. I did. Catastrophe finally met disaster, and for the better or for the worse, this disaster was a part of my life. She made me fall in love with myself all over again, for I thought I was a true goner when I joined boarding after twelve years of day school. Lost and insecure, she found me. This is not a tale of innocence lost but power gained. My name is Nikita Achanta, and this is my story.
