Sample Book Insights: #1 The dreams I want to hear about are the emotional fuel that helps people take control of their lives and be what they want to be. They are the goals and aspirations of golfers who are passionate about the game. #2 I heard something similar from Byron Nelson recently. He had always dreamed of owning a ranch, and golf was the only way he was going to get it. He was all but done as a competitive player when he got that ranch paid for. #3 Golfing potential depends on a player's attitude. It is the well-being of a player with the wedges and the putter, and how well he thinks. It is not dependent on a player's physical characteristics. #4 The champions I've worked with have a strong will, and they all have dreams. They make a long-term commitment to pursue those dreams. It can be difficult for a

person with potential to become great if everyone around them expects them to win all the time.
