Charles Hubbard Sergei, William Norman Guthrie, Theodore Ballou Hinckley

The Complete Book of Numerology David A. Phillips, Ph.D., 2005-11-01 Discover the science of self-discovery To the conventional scientist, numbers are merely symbols of comparative quantities, but in the broader, metaphysical sense, they assume a deeper, more profound significance. The Complete Book of Numerology reveals the underlying meaning behind the numbers in your life and enables you to understand the connection between your numerological patterns and your degree of abundance, health, and general well-being. Overall, delving into the world of numbers will provide you with a simple and accurate way to decipher your experiences in the same manner that a road map helps you navigate a route that you haven't previously traveled.

The Awesome Power of Secret Magic Ginnie Nightingale, Especially for Beginner Witches Step into the enchanting world of spellcasting with Ginnie Nightingale's *The Awesome Power of Secret Magic*—a guide written for anyone ready to unlock the ancient art of turning intention into reality. Begin your journey today and discover the hidden magic waiting to transform your world.

30+ Brain-Exercising Creativity Coach Businesses to Open Anne Hart, 2007-01-02 Exercise your brain's right hemisphere to write words using improved visual imagery. Here's how to open 30+ businesses as a creative writing coach incorporating selected techniques for healing and memory enhancement inspired by music, drama, and art therapists. Learn healing techniques from creative writing therapists using the tools of music, visual imagery, and expressive arts therapies in the background. It's a multimedia approach to enhancing creativity, memory and to write salable work. Are you interested in

guiding life story writers in a variety of environments from life-long learning or reminiscence therapy to working with hospice chaplains? Be an entrepreneur, career coach, or manuscript doctor organizing groups using music and art in the background to inspire authors. Design brain-stimulating exercises for specific types of writing. Tired of analyzing puzzles to build brain dendrites and stimulate, enhance and exercise your own memory or those of groups or clients? Help yourself or others write salable works and move beyond journaling as a healing tool. Write therapeutically about a significant event in anyone's life against a background of art or music. Fold paper to make pop-up books, gifts, or time capsules where you can illustrate and write. Even add MP3 audio files.

101+ Practical Ways to Raise Funds Anne Hart, 2007-12-11 Raise funds and/or promote your favorite cause. Develop original creativity enhancement products such as writing vocational biographies. Solve problems and publish measurable results. Design practical media projects that easily can be turned into home-based businesses or one-time projects. Homeschoolers, parents, teachers, students, entrepreneurs, and workers interested in opening powerful, affordable-budget, trend-ready home-based publishing, writing, or video podcasting and video news release-production businesses and creative writing fundraising events will enjoy these unique applications to help you create your own board games, projects, businesses, publications, and events. Sample business start-ups (or one-time project) categories include the following categories: description of business, income potential, best locale to operate the business, training required, general aptitude or experience, equipment needed, operating your business, target market, related opportunities, and additional information for resources. Develop practical projects using the skills of video production, creative writing, book and pamphlet publishing, or newsletter design. These skills include adapting stories, novels, news events, or scripts and skits to numerous platforms, formats, and media types. Inform others how to avoid pitfalls and blind spots that can derail careers early in the game. The campaigns are ideal for most promotional, business, or training situations.

Chinese Numerology Richard Webster, 1998 Webster teaches the original system of Chinese numerology which is still practiced throughout the East, and from which Chinese astrology, feng-shui, and the I Ching were derived. Also included are solar-lunar conversion tables to the year 2000.

Numerology Hans Decoz, 2001-01-01 For lovers of tarot, astrology, and deepening your connection with yourself and others-- a divine roadmap to numerology Ever notice how some numbers seem to follow us throughout the course of our lives? Consider the numbers we choose when buying a lotto ticket--birth dates, anniversaries, ages, and addresses as well as other hopefully lucky numbers. They each have some personal meaning. Through the centuries, numerologists have been studying the significance of numbers and perfecting their art in the belief that numbers strongly influence both our behavior and our fate. They have learned that by understanding the meaning of numbers, we can gain greater insight into ourselves. In *Numerology: Key to Your Inner Self*, world-renowned numerologist Hans Decoz and accomplished writer Tom Monte have

teamed together to produce an easy-to-understand guide that introduces the reader to the basic concepts and applications of numerology. Presented here is a technique that relates the major questions of an individual's life -his talents, challenges, career, and personal growth--with the basic numeric facts of his existence--his birth date and name. The book begins with a fascinating explanation of what numerology is and an intriguing look at the philosophy that lies behind it. It then examines how numerology works, focusing on the numeric meanings of personal names, birth dates, and language in general. Included is a step-by-step guide to calculating your own numbers and interpreting them in chart form.
