Valentine King Earnest Lee, Mikah Reign, 2024-01-26 The Police King, Fort Worth Police Department Detective Thaddeus King is once again in pursuit of a serial killer. On February 14, 2018, a day for love has turned into a day of death for the city of Fort Worth. Thaddeus King, the city's most elite detective, must embark on his most dangerous murder case. A blood thirsty killer is on the loose who is far from anything Detective King has seen in his 30 years with Fort Worth PD. Will King be able to stop this vicious menace before another citizen is slaughtered? Police Detective Thaddeus King, a native of Fort Worth, Texas, wrestles with licentious impulses, resentment of policing disproportionately targeting minorities, and personal obligation to combat evil in his community. In "Valentine King", Thaddeus aims to apprehend a savage serial murderer who

brutally exterminates the lives of unsuspecting victims on Valentine's Day. Though the killer's identity remains a mystery, his intimidating stature, raw strength, lightning speed, and muscular build might convince you he was a professional wrestler. While Detective King passionately pursues the killer, he is distracted by the celebration of lover's day and his birthday which coincidentally happens to be February 14th. As years go by and the killer's reign continues on this holiday of affection expression, King grapples with being a faithful lover to his girlfriend while his commitment to the Valentine's Day murder cases is unwavering. Suddenly, the COVID pandemic changes the landscape of our society and has a great impact on Detective King's murder investigation. Despite the Coronavirus' global disease spread, King is undeterred and resolute to end the murderer's expanding plague of death. Can Thaddeus King stop the 'Happy Valentine's Day Killer' or will the HVDK pierce Thad's heart with a deadly broadhead arrow tip released from his Cupid's bow?
