The Vials of the Seven Last Plagues Elizabeth Clare Prophet,Seven Archangels,2004-04 Chapter 15 of the Book of Revelation begins with a vision of seven angels who pour their vials over the earth--the vials of the seven last plagues. As these vials are poured out, the Apostle John describes rivers and seas turned to blood, thunders and lightnings, a great earthquake, and darkness. What does this prophecy mean for us today? Here is the real story of what is happening on planet earth--and what will happen--from the point of view of the seven archangels. Read their words and learn how you can navigate through these challenging times.
