Summary of Ruth Haley Barton's Sacred Rhythms Everest Media, 2022-03-25T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 The experience of longing and desire reminds me that I am alive in ways that I want to be alive. It reminds me that I am living my life as it is meant to be lived in God. #2 There are times when I am aware of my brokenness, and a longing for real, fundamental change groans within me. I want to live my life in such a way that there is more of this. I want to be with friends and family, and share from the heart. #3 The question of desire is the most important question you will ever ask. It is the most difficult, and it may be the most dangerous, but it is also the most important. It is the longing within you for love, for God, and for a life lived as it should be lived. #4 The question What do you want me to do for you. is very personal and exposes the truest part of us. Longing for More Ruth Haley Barton, 2010-08 the quiet places of your heart, do you ever yearn for something more? Many Christian women, if we are honest, feel discontented about aspects of our lives. Some of us long to be married, while others long to escape from marriage. Some of us struggle with our roles in the church, wondering why God would give us gifts that are not allowed to flourish. Some of us feel we have no voice. Others of us have no idea what we would say if we did. Ruth Haley Barton believes that what lies underneath all our confusion is a longing for freedom--not the freedom to do as we please, but the freedom to discover our full identity in Christ and use our gifts to serve God. With wisdom and charity Barton's exhilarating book explores the many areas of a woman's life that need the freeing touch of Christ such as vocation, relationships, spirituality, identity, sexuality, singleness, marriage and motherhood. Avoiding both feminist and fundamentalist trappings, she affirms our longings as important markers which point us toward God's renewing love. When the limits of his own faith experience left him feeling spiritually empty, Niequist determined God must have a wider vision for worship and community. In his search, Aaron discovered that there was historical Christian precedent for enacting faith in a different way, an ancient and now future way of believing. Beyond the Battle Noah Filipiak, 2021-08-10 All men face some degree of temptation or discontentment. Here is your

guide to get you past frustration into freedom. We live in a culture where 55% of married men and 70% of single men look at porn at least once a month and over half of all marriages end in divorce. To understand why that is we have to look beyond the battle to the root of both the problem and the solution... Most books for men on how to defeat lust and improve their relationships with the women in their lives preach a plan for trying harder, thinking better, and battering their behavior into submission. The problem with this approach: no matter how strong we are today, the battle continues tomorrow, and nothing ever seems to change in the long run. In *Beyond the Battle*, author and pastor Noah Filippiak shows you why symptom-based behavior management approaches offer short-term solutions. Instead, he unpacks the keys to a gospel-centered, long-term victory, helping you win the war against temptation and entitlement. *Beyond the Battle* is an accessible, effective, man-to-man resource for individual or small group use that will guide you toward freedom from sexual temptations by connecting you more deeply to Jesus—to his sacrifice and sufficiency. Filippiak addresses deep questions of marriage, singleness, and sexual temptation like: What's really the worst enemy in a man's marriage? How are my assumptions about my wife contributing to the problem? How does a corrected understanding of God's grace change my outlook on marriage or singleness? This book turns typical purity strategies on their head by addressing head-on our sense of self-entitlement and our self-seeking tendencies, showing how to look to God—instead of to women—for intimacy, approval, acceptance, and validation. Includes free access to 7-week small group video curriculum plus an option 40-day devotional.
