What the Children Said Jeanne Pitre Soileau, 2021-08-23 Winner of the 2022 Opie Prize Jeanne Pitre Soileau vividly presents children's voices in What the Children Said: Child Lore of South Louisiana. Including over six hundred handclaps, chants, jokes, jump-rope rhymes, cheers, taunts, and teases, this book takes the reader through a fifty-year history of child speech as it has influenced children's lives. What the Children Said affirms that children's play in south Louisiana is acquired along a network of summer camps, schoolyards, church gatherings, and sleepovers with friends. When children travel, they obtain new games and rhymes and bring them home. The volume also reveals, in the words of the children themselves, how young people deal with racism and sexism. The children argue and outshout one another, policing their own conversations, stating their own prejudices, and vying with one another for dominion. The first transcript in the book tracks a conversation among three related boys and shows that racism is part of the family interchange. Among second-grade boys and girls at a Catholic school, another transcript presents numerous examples in which boys use insults to dominate a conversation with girls, and girls use giggles and sly comebacks to counter this aggression. Though collected in the areas of New Orleans, Baton Rouge, and Lafayette, Louisiana, this volume shows how south Louisiana child lore is connected to other English-speaking places: England, Scotland, Ireland, Australia, and New Zealand, as well as the rest of the United States.

Testimonial Of One's True Greatness Phillip Berrian, 2022-03-25 The Lord Himself is continually blessing me right here as well as right now. And I've said it once, and will now say it faithfully and once more again. That without a touching; and a compelling healing story, one wouldn't be able to tell others of the Grace, and the Goodness of God's Ultimate and Testimonial Glory.

I Sailed with Magellan Stuart Dybek, 2024-07-02 Major new fiction from an acclaimed master From the prizewinning writer Stuart Dybek comes a superb new work: a novel-in-stories, eleven masterful tales told by a single voice with remarkable narrative power. In *I Sailed With Magellan*, Dybek finds characters of irrepressible vitality amidst the stark urban landscapes of Chicago's south side; there, the daily experiences of the neighborhood are transformed in the lush imaginative adventures of his hero, the restless Perry Katzek. There is remarkable music in each of Dybek's intertwined episodes, the rhythm of street life captured in all its emotional depth and unexpected humor: a man takes his young nephew to a string of taverns where the boy sings for his uncle's bourbon; a small-time thug is distracted from making a hit by the mysterious reappearance of several ex-girlfriends; two unemployed youths hatch a scheme to finance their road trip to Mexico by selling orchids stolen from the rich side of town; a young couple's amorous beach adventure is interrupted when an unexpected visitor washes ashore. As these poignant, often funny chapters unfold, Perry grapples toward the exotic possibilities the world offers him, glimpsing them even beneath the at times brutal surface of the inner-city. Throughout *I Sailed With Magellan*, fans of Dybek will find the captivating storytelling, the sharp, spare prose, the brilliant dramatization of resilient, inventive humanity that they have come to expect from him.

The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31 A revised, enlarged, and updated edition of this authoritative and entertaining reference book —named the #2 essential home library reference book by the Wall Street Journal “Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's.”—William Safire, New York Times Magazine (on the original edition) “A quotations book with footnotes that are as fascinating to read as the quotes themselves.”—Arthur Spiegelman, Washington Post Book World (on the original edition) Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, *The New Yale Book of Quotations* reveals the striking fact that women originated many

familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.
