After the Storms Liz Hambleton, 2023-04-17 Another sanctuary and another lie. After fleeing for their lives, Rowan's band of survivors makes it to the Underground. The last to find her way, the welcome that greets her is not a warm one. She's about to find out just how far the web of betrayal spreads, touching everything she holds dear. All the while, her family is kept from her, too far away to reach. Longing for Sam and desperate to escape, her powers grow stronger, but will it be enough? While the last global killer rages overhead, Rowan makes allies and adversaries, preparing for the final battle. Once the storm is over, she knows an old enemy will come to find her, but this time she won't run. This time, she's ready to end his tyranny, once and for all.

**The Third Storm** Liz Hambleton, 2022-06-23 When you don't know who to trust, you can't outrun the storms or your past. Rowan is her nephews' only hope of surviving the harrowing storms threatening to destroy the earth. She would do anything to protect them, including seeking refuge on a military vessel under an assumed identity. On their journey to safety, she and the boys stumble upon an unconscious stranger. When Sam awakens in Rowan's care, he's given a chance at a fresh start. A man haunted by mistakes he made during the storms, he's searching for redemption. He assumes the role of father and husband, hiding with them on the ship, hoping his old life never resurfaces. They both have secrets - deep, dark things that can hurt their newfound family. Their floating refuge soon turns dangerous when the desire for power turns the people they depended on against them. Neither of them can outrun their past. Now they find themselves trapped out at sea, trusting no one but each other.

**The Final Storm** Liz Hambleton, 2022-10-21 Rowan wishes for simple things. Her family has endured so much, and she doesn't have the luxury of wanting any more than she needs. Safety for the people she loves. A bed to share with Sam. The people on this island to survive. Surviving is all they can do until the storms end their disastrous attack on the world. The fight isn't over, no matter how much Rowan wants to believe they've found safety. The future she envisioned tells a different story, and it's one she can't ignore. Sam wants Rowan and everything that comes along with her. He adopted her nephews, and they share them as sons. Their future grows in Rowan's belly, and they want nothing more than to leave the past behind for good. But the past finds its way back to them, crashing into their happiness and tearing apart the life they've built. Their struggle to survive threatens everything they love, but they'll fight until nothing is left - together.
