Robert R. Redfield

Brass Bands of the British Isles 1800-2018 - a historical directory Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history. This directory is an attempt to collect together information about such bands and make it available to all. Over 19,600 bands are recorded here, with some 10,600 additional cross references for alternative or previous names. This volume supersedes the earlier "British Brass Bands - a Historical Directory" (2016) and includes some 1,400 bands from the island of Ireland. A separate work is in preparation covering brass bands beyond the British Isles. A separate appendix lists the brass bands in each county

The Brass Band Bibliography Gavin Holman,2019-08-05 9th edition, 2019. A comprehensive list of books, articles, theses and other material covering the brass band movement, its history, instruments and musicology; together with other related topics (originally issued in book form in January 2009)

The Public Rituals of Life, Death, and Resurrection in Tlayacapan, Morelos (Mexico) Robert H. Jackson,2020-01-20 A process of social, cultural, and religious change occurred in central Mexico starting in the sixteenth century, following the Spanish conquest. Missionaries from different religious orders attempted to convert the indigenous peoples of central Mexico to Catholicism, and a part of this process involved the imposition of a new ritual cycle on the existing Mesoamerican cycle that governed agriculture and the cosmic order. This study describes the evolution and modern practice of the public ritual of life, death, and resurrection in Tlayacapan, Morelos. Tlayacapan is a community located in northern Morelos that has evolved from being a traditional community of Náhuas to a center of cultural tourism based on its architectural patrimony, artisan tradition, and, particularly, its public ritual. Carnival and the Day of the Dead continue to form a part of the traditional ritual cycle, but have also been used to attract tourism. This study discusses the modern practice of carnival, Holy Week and the Day of the Dead, and the historical origins of these public rituals.

Vientos en el horizonte , Las bandas de música constituyen un elemento singular e ineludible del paisaje sonoro de pueblos y ciudades, profundamente arraigado en la memoria individual y colectiva. Esta antología de estudios se inscribe en la reciente línea historiográfica que reivindica el fenómeno bandístico desde la musicología iberoamericana. Con un total de

veinte capítulos firmados por especialistas españoles e internacionales, la obra se organiza en seis secciones temáticas que proponen itinerarios de lectura tan variados como sugerentes: I) Entre el Antiguo y el Nuevo Régimen; II) Guerra y propaganda; III) Educación, filantropía y redención; IV) Movilidad, redes y proyección social; V) Territorios de ultramar; y VI) Perspectivas analíticas. La confluencia de fuentes inéditas y enfoques metodológicos diversos hace de las bandas un cruce fecundo entre música y sociedad, entre el texto y el contexto. Vientos en el horizonte supone una aportación significativa en el ámbito de los estudios bandísticos, ampliando los horizontes de la investigación musical y cultural.

Banda Helena Simonett, 2001-01-30 The first in-depth study of banda, a Mexican and Mexican American musical practice. Runner-up for the International Association for the Study of Popular Music (IASPM) - US Chapter Book Award. (2002) Banda music has been performed by traditional brass bands in rural northwestern Mexico for more than a century, while technobanda, a newer style that has replaced the brass instruments with synthesizers and electric instruments, has become part of a lifestyle for tens of thousands of young people in the US, particularly in Los Angeles. The young people who flock to technobanda concerts also insist on the use of the Spanish language, a particular etiquette on the dance floor and above all, a specific style of dress: cowboy/cowgirl apparel and belt buckles emblazoned with the name of their home Mexican state. In this engaging and insightful ethnography, Helena Simonett brings us inside the music and its culture. Her discussions of narco-trafficking and narco-corridos ballads reveal the interconnected roles of musical, commercial and criminal networks, and illuminate how and why musical and social issues become so interconnected for banda artists and audiences. In this richly contextualized analysis of a singularly important contemporary musical style, Simonett sheds new light on how expressive culture both generates and reflects intersecting social identities.

Brass Bands of the World: Militarism, Colonial Legacies, and Local Music Making Katherine Brucher, 2016-04-15 Bands structured around western wind instruments are among the most widespread instrumental ensembles in the world. Although these ensembles draw upon European military traditions that spread globally through colonialism, militarism and missionary work, local musicians have adapted the brass band prototype to their home settings, and today these ensembles are found in religious processions and funerals, military manoeuvres and parades, and popular music genres throughout the world. Based on their expertise in ethnographic and archival research, the contributors to this volume present a series of essays that examine wind band cultures from a range of disciplinary perspectives, allowing for a comparison of band cultures across geographic and historical fields. The themes addressed encompass the military heritage of band cultures; local appropriations of the military prototype; links between bands and their local communities; the spheres of local band activities and the modes of sociability within them; and the role of bands in trajectories toward professional musicianship. This book will appeal to readers with an interest in ethnomusicology, colonial and post-colonial studies, community music practices, as

well as anyone who has played with or listened to their local band.
