*Sharon Creech* Pamela Sissi Carroll, 2007-08-30 Sharon Creech is a best-selling author for young adult readers, and her books are enjoyed in both classroom settings and for leisure reading for three important reasons: -She shows great respect for teens through giving attention to the voices of teen protagonists, creating adventures in which teens grown socially and emotionally as a result of a journey. She captures the language of her characters, including dialects from the hollers of West Virginia and the mountains of Switzerland, and introduces figurative language and vocabulary to enrich her readers' experience during and after their time with her books. With humor and gentleness, she provides readers with a sense of hope. After an introductory chapter and biographical sketch, there is one chapter per volume that examines the characters, plot, setting, and themes in each work. **Sharon Creech Box Set** Sharon Creech, 2001-10-01 Selected novels by Newbery Award winner Sharon Creech -- Walk Two Moons, Absolutely Normal Chaos, and Chasing Redbird -- now in a boxed set.

*Sharon Creech 4-Book Collection* Sharon Creech, 2014-10-28 Newbery and Carnegie Medal-winning author Sharon Creech's stories become instant classics, beloved for their genuine characters and celebration of classic themes such as the gifts of love, family, and forgiveness. This quartet collects four of her bestselling novels, including the Newbery Medal-winning Walk Two Moons. Walk Two Moons: In this Newbery-winning novel, thirteen-year-old Salamanca Tree Hiddle, proud of her country roots and the Indian-ness in her blood, travels from Ohio to Idaho with her eccentric grandparents. Along the way, she tells them of the story of Phoebe Winterbottom, who received mysterious messages, who met a potential lunatic, and whose mother disappeared. As Sal entertains her grandparents with Phoebe's outrageous story, her own story begins to unfold—the story of a girl whose only wish is to be reunited with her missing mother. Ruby Holler: Trouble twins Dallas and Florida are orphans who have given up believing there is such a thing as a loving home. Tiller and Sairy are an eccentric older couple who live in the beautiful, mysterious Ruby Holler, but they're restless for one more big adventure. When they invite the twins to join them on their journeys, they first must all stay together in the Holler, and the magic of the place takes over. The Great Unexpected: Young Naomi Deane is brimming with curiosity and her best friend, Lizzie Scatterding, could talk the ears off a cornfield. Naomi has a knack for being around when trouble happens. She knows all the peculiar people in

town—like Crazy Cora and Witch Wiggins. But then, one day, a boy drops out of a tree. Just like that. A strangely charming Finn boy. And then the Dingle Dangle man appears, asking all kinds of questions. Curious surprises are revealed—three locked trunks, a pair of rooks, a crooked bridge, and that boy—and soon Naomi and Lizzie find their lives changed forever. The Boy on the Porch: When a young couple finds a boy asleep on their porch, their lives take a surprising turn. Unable to speak, the boy Jacob can't explain his history. All John and Marta know is that they have been chosen to care for him. And, as their connection and friendship with Jacob grow, they embrace his exuberant spirit and talents. The three of them blossom into an unlikely family and begin to see the world in brand-new ways.

*Family Matters* Ruth Lyn Meese, 2009-11-19 This volume is designed to give librarians and teachers guidance on the subject of adoption and foster care—both as themes in children's literature and as issues affecting many students. To help librarians and teachers gain a deeper understanding of this sensitive subject, *Family Matters: Adoption and Foster Care in Children's Literature* takes a close look at 115 works of children's literature that have themes related to adoption and foster care, including many that have received the Newberry Award, Caldecott Award, or other prestigious honors from the American Library Association. *Family Matters* is not just a digest of titles. It is an expert resource for addressing adoption and foster care in the classroom, both as a literary subject and as a personal issue with students. The book opens with an historical overview of adoption and foster care, then reviews level-appropriate titles by age group—K-grade 2, grades 3-5, and grades 6-8. Coverage includes discussions of the impact of adoption and foster care on normal development, as well as suggestions for safe language to use in the classroom, and fun, effective activities for each title.

Reading Raps Rita Soltan, 2005-12-30 Book clubs are sprouting up all over, and so are book club guides—but not all book club guides are equal. Many focus on a specific type of book club, or they take a generic approach of one size fits all; and most do not take into account the special needs of librarians and educators working with young readers. This guide has it all, and it will help you ensure that your book club meetings are both fun and educational. Focusing on children in grades 3-8 (and their families), the book offers 100 ready-made book club instructions for popular children's and YA titles—from newer releases, such as Theresa Nelson's *Ruby Electric* and Blue Balliett's *Chasing Vermeer* to perennial favorites and award-winning classics, such as Johanna Hurwitz's *Much Ado about Aldo* and Gary Soto's *Baseball in April* and *Other Stories*. Along with thought-provoking discussion questions, you'll find all the background information you need to conduct lively book discussions with a variety of readers—plot summary, themes and characters description, genre, reading level, author and award information, related reads, and more. The guide describes four types of family-oriented book clubs—family, mother/daughter, father/son, and readers' rap—as well as a book club for kids only. The author provides practical instructions for making each type of book club successful. For each title, she provides a plot summary, characterization sketches, questions to use for provocative discussion, and follow-up bibliographies on similar reads. Notes on genres, themes,

and reading levels are also provided. The selected titles reflect some of the best, most current, and most popular children's literature. In addition, a broad scope of genres and multicultural titles are included. Perfect for public library programs and after school book clubs, this is a one-stop resource, with practical, ready-made plans that can easily be adapted to multiple environments. Grades 3-8.
