Chosen Boy Hannah Gray,2023-10 When my parents took me to a hockey camp as a kid, they never dreamed it would take me off the path of becoming a doctor, like everyone else in the family. Unfortunately for them, the moment I stepped into that arena and onto that ice, there was no going back. Fast-forward to my junior year at Brooks University, and I've got one shot to make it to the pros. It's now or never. Because if I don't? Hello, medical school. Good-bye, skates. The season gets even harder when the hockey team is forced to work with the dance team for a fundraiser, and I'm paired with the daughter of my family's sworn enemy. As much as I hate to admit it, Sutton Savage is hard not to notice with her dark hair, big blue eyes, and angelic face to go along with those mouthy lips. Soon, it's damn near impossible for me to hate her. And before I know it, I'm striking up a deal with her for her to be my girlfriend. My fake girlfriend. Since we were kids, I've found Sutton to be an entitled brat, someone I couldn't stand, but suddenly, I'm looking at her differently. And when no one is around, I still want to kiss her ... and I realize things are becoming a lot more complicated than I ever imagined they would. Romeo and Juliet were forbidden to be together, and look how well that turned out for them. The thing is, I'm beginning to see Sutton is worth drinking the poison for. She might not be the one I've always wanted. But now, she's the only one I see.

The Bad Boy's Wife Karen Shepard,2005-06-01 What happens when you marry the bad boy--the reckless, irresistible cowboy who steals your heart and throws it back to you, the one you should have called it a day with after the affair? When Cole, a gorgeous ne'er do well horse trainer and stereotypical bad boy, proposes to Hannah, daughter of a wealthy Southern family, it comes as a shock to everyone. After a twenty-year marriage, Cole leaves Hannah for one of her best friends and they play out their passions on a ranch in Kentucky, where old secrets and sentiments spring forth to unsettle their relationship. Caught in the middle are their beloved daughter Mattie, and Georgia, the hired hand debutante who casts their fate.

AltDeath.com Lynne Hansen,Sally Bosco,2004-10 An online murder mystery club for teens discovers they have a real murder to solve when one of their members is found dead under suspicious, perhaps even paranormal circumstances.

The Change Lynne Hansen,2004-03 Although sixteen-year-old Hannah Gray hates nearly everything about her pioneer life on the Kansas prairie, becoming a werewolf is the absolute worst.

Haven Lake Holly Robinson, 2015-04-07 New from the author of *Beach Plum Island*... A natural-born storyteller presents a gripping story about grief, anger, and the healing power of love. Sydney Bishop hasn't returned to Haven Lake, her idyllic childhood home, since a pair of shocking, tragic deaths shattered her family when she was only sixteen. Now a child psychologist engaged to marry a successful surgeon, Sydney has worked hard to build a relationship with Dylan, her fiancé's teenage son, so she feels nothing but empathy when he runs away—until she discovers that his hitchhiking journey has led him to Haven Lake and her mother Hannah's sheep farm. Sydney returns to Haven Lake for the first time in twenty years to coax the boy home. Against her daughter's wishes, Hannah offers to take Dylan in until he's ready to reveal his own troubling secrets. Now, for Dylan's sake as well as their own, Sydney and Hannah must confront the devastating events that tore them apart and answer the questions that still haunt their family—and the suspicious surrounding community—about what really caused two people to die on their farm those many years ago.
