Henry C. Lee, Thomas O'Neil

**Foreign Faction - Who Really Kidnapped JonBenet?** A. James Kolar, 2012-06 The investigation into JonBenét's kidnap and murder endured years of missteps, resignations, scandal, false accusations, arrests, and the controversial exoneration of her family for any involvement they may have played in the cover-up of her death. Kolar comes forward to share startling new discoveries made during his lead role into the inquiry. The prevailing theory of a lone-intruder is disassembled as Kolar calls into question whether one single perpetrator could have been responsible for this crime.

**Foreign Faction** A. James Kolar, 2012 A former lead investigator in the JonBenet Ramsey homicide case breaks six years of silence. Foreign Faction blows the cover off the lone-intruder / sexual predator theory and reveals startling new evidence that heretofore has only been seen by a select few. Explore the journey of these discoveries, and determine for yourself who really was responsible for the kidnap and murder of the childhood beauty queen, JonBenet Ramsey.

**Murder of JonBenet Ramsey** Rachel Bithell, 2023-12-15 This title takes a close look at the horrific murder of a six-year-old girl that stunned the world. And trust me, this isn't just another retelling. While shelves may be lined with books on this infamous case, I assure you, this one stands apart. **An Angel Betrayed** David J. Hughes, 2014-03 JonBenet Ramsey was six years old when she was murdered on Christmas night, 1996 in her home in Boulder, Colorado. Her killer has never been brought to justice, because the police, prosecutors,

lawyers, and her own family were too focused on their own careers, public images, political agendas, and social status. Experts sold out, lawyers used every dirty trick available, and police were hamstrung by political maneuvering and restrictions placed on them largely without public consent. She was An Angel Betrayed. The murder of JonBenet Ramsey was a tragedy for her and her loved ones. The corrupted investigation into her death was tragic for the entire country. Now, a common man tells how the American justice system has been compromised by money, politics and cowardice, and how it bodes ill for where our society is headed. About the Author: David J. Hughes was born to a working-class family in Vermont. He was inspired to write this book by frustration and a strong sense of duty. This is his first book.
