South American Handbook 2000 Ben Box,1999 This award-winning travel series has been capturing worldwide attention and admiration for 76 years since the publication of the now-legendary South American Handbook. The authors are all experts who have lived or worked in the countries they write about, and their prose will inspire readers to enjoy these places as much as they do. Footprint Handbooks are packed with up to 1,700 pages of up-to-date information for travelers, including highlights of virtually every town and site, money-saving tips, advice on staying healthy, and anecdotes on local history, culture, customs, and etiquette.

Footprint South American Handbook Ben Box,2006 Talking about the most exciting continent on earth, this title discusses the best of festivals, swimming with sea lions, and walking with dinosaurs. Get off the beaten track. It also talks about cities of gold and mountains of silver, where to eat, drink, and sleep, evolution, revolution, and visitors from outer space. With full- colour maps, it also looks at the pick of heart-stopping adventure activities, man-eating fish, blood-sucking bats, and smooth-talking dolphins.

South American Handbook 2004 Ben Box,2003 Footprint's South American Handbook, the longest-running guidebook in the English language, celebrates its 80th anniversary this year. As the Minneapolis Star Tribune declared, it is amazingly detailed, updated every year, and has good city maps. It has set the standard since 1924. The same could be said for Footprint's 80 other travel guides as well. Covering more than 120 of the world's most exciting destinations, Footprint guides offer everything discerning travelers need to get the most out of their trip.
