Patricia Coughlin

Halfway to You Jennifer Gold, 2023-02-28 An ambitious podcaster and her reclusive interviewee embark on a life-altering journey to uncover long-lost truths in this immersive story about love, travel, and family secrets. Forty years ago, aspiring writer Ann Fawkes left the United States for a Mediterranean adventure that opened her heart to travel and love. After a chance encounter propelled her into the publishing world, she released her first novel, an instant bestseller--and the last book she ever wrote. Now, Ann lives a reclusive life in the San Juan Islands, hiding from the public and its probing questions. But when podcaster Maggie Whitaker convinces Ann to sit for an interview, Ann agrees on one condition: Maggie must keep her story off the record. Determined to change Ann's mind before she loses her job, Maggie agrees. But as she learns about Ann's life--particularly the love affair that inspired her novel and the decisions she made in its wake--Maggie realizes Ann's story intersects with her own in shocking, life-changing ways. A sweeping, heart-wrenching novel that spans decades and continents, *Halfway to You* explores the distances we create between ourselves and the ones we love most and what it takes to finally bridge them.

Polite Calamities Jennifer Gold, 2024-07-23 In a hazy 1960s Rhode Island summer, three disparate lives converge and combust in this riveting story of the empowerment women find in friendship, solidarity, and rage, from the author of *Halfway to You*. Winifred is blunt, opinionated, and outrageously colorful. In a community that demands domesticity, she simply doesn't fit. When her wealthy husband suddenly dies, Winifred's fellow society housewives no longer have a reason to play nice. Cast out entirely, Winifred throws roaring parties for the clerks and waiters that serve the town, finding the connections she's been craving--and upsetting the gentle balance of her elite neighborhood in the process. Flailing artist Marie wants to paint over her past before the painful memories consume her. On the brink of making a longtime dream come true, her newfound friendship with Winifred might be the key to finally moving forward--or her undoing. High-society housewife June weathers a chronic pain that would make other women faint. With her veneer crumbling, she has no patience for the free spirit shaking up her community. Filled with a mixture of obsessive hatred and fascination for the outcast, June's determined to destroy Winifred and return her life to the way it used to be. When slow-simmering summer secrets and resentments finally reach the boiling point, everyone is at risk of being burned. *Polite Calamities* explores what community really means when societal survival is at stake, and what happens when women decide it's time to stop behaving and start living.

Mark Clement Rodgers,2004 In a quiet San Diego suburb, two people, whose lives become entwined because of an unspeakable horror that invades their lives, fight to save what has developed between them. They ultimately lose the struggle in a way that they could never have imagined.

Generation Oz Trilogy Timajin Ali,2018-02-27 Generation Oz trilogy: A dark wizard called Maxim was banished from his magic school of wizardry, grew powerful and took on 2 witches as his apprentices (Momeanir and Moevillir). After they destroyed Maxim's old school Momeanir took a pair of magical gold slippers that Maxim wanted for himself. She turns him to stone and the 2 witches start taking over Oz. Glinda is instructed by her future seeing daughter to assemble the Tin Man, the Scarecrow and the Cowardly Lion in order to defeat the witches. She gives them heart, knowledge and courage, as well as weapons in order to defeat the sisters. They find themselves losing and one of Glinda's daughters summons the chosen one, Dorothy and her dog Toto, to Oz. A house lands on Momeanir, killing her and Dorothy accidentally kills the other sister by splashing her with water. Oz is saved and Dorothy returns home, but still visits occasionally with the gold slippers. 16 years later and Maxim is no longer made of stone (now that Momeanir and Moevillir are dead). Glinda and 4 of her daughters try to stop Maxim but he kills them all. Maxim attacks the Tin Man, Scarecrow and Lion, ripping their brains, courage and heart from their bodies. He threatens to kill their children if they don't tell him where the gold slippers are. Lion tells him and he kills them and kidnaps their children. Maxim visits Dorothy, kidnaps her and tells her daughter Jennifer to find the slippers and bring them to him in 2 days or he'll kill her mother. Jennifer is given the slippers by Nicky (another one of Glinda's daughters) and teaches her how to use the slipper's magic. Jennifer rescues her mother along with her friend's children. Janet (the scarecrows daughter), Jamie (the tin man's son) and Leon (the Lion's son) are given their parents magical relics and, along with Jennifer and Nicky, they attack Maxim. Maxim over powers Jennifer and Dorothy has to step in, turning him back into stone. Everything seems peaceful until Maxim's soul takes over a witches body and we end on a to be continued and start part 2 and part 3. Tangled Threads Jennifer Estep, 2011-04-26 The fourth book in the "outstanding" (Romantic Times) Elemental Assassin fantasy series featuring Gin Blaco, who by day is a waitress at a Tennessee BBQ joint, and by night is a tough female assassin. I'd rather face a dozen lethal assassins any night than deal with something as tricky, convoluted, and fragile as my feelings. But here I am. Gin Blanco, the semi-retired assassin known as the Spider. Hovering outside sexy businessman Owen Grayson's front door like a nervous teenage girl. One thing I like about Owen: he doesn't shy away from my past—or my present. And right now I have a bull's-eye on my forehead. Cold-blooded Fire elemental Mab Monroe has hired one of the smartest assassins in the business to trap me. Elektra LaFleur is skilled and efficient, with deadly electrical elemental magic as potent as my own Ice and Stone powers. Which means there's a fifty-fifty chance one of us won't survive this battle. I intend to kill LaFleur—or die trying—because Mab wants the assassin to take out my baby sister, Detective Bria Coolidge, too. The only problem is, Bria has no idea I'm her long-lost sibling...or that I'm the murderer she's been chasing through Ashland for weeks. And what Bria doesn't know just might get us both dead...
