Robert W. Chambers

My Daddy Yusuph Koni, 2021-08-18 Do fathers love their children more than the mothers do? Why or why not? Yusuph is Tanzania Congolese boy who born and grow in Tanzania with unaware of his mother's (Tecla) and father's (Joseph) love for him because of some complicated situation. As Yusuph grew up, he longed to live with his family but at the end he received bad news of Joseph's death. I literally can't remember what was my dad looks like, or his voice, or anything about him but there are still some missing pieces of him deep down inside me that I brought into my countless dreams of him. Father will say they love their children just as much as their Mothers, but it looks different on the outside. He buried him in his mind, and transform almost every aspect of his live, he decided to pursue his new dream of not letting his children go through the life he went through. Yusuph and Samir were selected by the college to study abroad. Father tend to love their children in the way they perceive is the best but mother love their children in the way they can best perceive it. So, from children's perspective, the father's love may seem to be less than the mothers. Samir explore Yusuph's life situation to accomplish writing his own novel. ... He's committed to reading as many novels as he can, hoping that one day he'll find something to write about in his novel, but still, I wish I could tell my life story so he could write something... THE BEGINNING OF NOVEL WITHIN A NOVEL. Later on Yusuph find out that, before Joseph death, he left special love message for him about his steps sister, Clementine who live in Drc Congo. It is very difficult for Yusuph to go meet his step sister because he want to spend most of his time with his girlfriend (Naomy) for his future family. As time goes by pain of loosing Joseph never leaves Yusuph. The foot prints our loved ones leave on our souls are permanent. Never to be filled with another. Never forgotten. They live on in our memories and in our hearts. The importance of fatherhood extend beyond a provider. Keep that in mind. Yusuph couldn't deal with the future while he didn't clean all of his past memory. Now we're all together and we can't shake hands... We can't kiss... Hugging each other is a test for us... Having sex is also a problem.... I don't think if we will get married... Bearing children is a dream... Mother's love is mild while father's love is shape. They are different but neither is dispensable. Instead to go study abroad, he go to meet Clementine because she is the one who will restore all the love he had for Joseph without care if there a civil war. Yusuph's heart-beat, thump-thump -- His finger is taking up trigger-slack. He holds off as Justine (Rebel) continues to drag Clementine backward into the woods... So yeah, I think fathers love their children, but they way they express it can sometimes be misunderstood or undervalued.

Albert's Journey into the Universe Iam Steward, 2013-05-13 Albert's Journey into the Universe explores our garden universe in a playful manner that is fun for children of all ages. The story includes many of the elements that make for imaginative learning. The story takes the reader to places that we are not capable of going with our normal perspective paradigm but they are places also within our realm of possible evolution. Change your paradigm, change your reality. Meet critters that can communicate with man, go to the far reaches of the universe, travel around the world in a day, visit inner Earth, vision what our imagination can achieve, navigate through the micro and the macro universe, take inner journeys that lead you to source then go on a vision journey of your own. Envision a world where mankind is learning how to steward our spaceship Earth as well as our physical space suit that we are provided with from birth till death. Take a comical look at the possible blockages that keep us from achieving our full potential as a galactic species on a path towards source. Take a moment to imagine where mankind is destined to go giving divine blessing from within (our consent), from our connection with source. It is up to us. No one can do this for us; no government, no religion, no parent figure, no space aliens not even our ascended masters can make it happen. Yep; it is up to us. We may as well have fun making the desired changes, so have as much fun reading and imagining as you can.

The Way of the Fight Georges St-Pierre,2013-04-23 The renowned UFC fighter tells his remarkable life story from bullied kid to world champion in this New York Times–bestselling memoir. For mixed martial arts fighter Georges St-Pierre, the greatest asset is not physical strength or athleticism—it's a sense of purpose. From his beginnings as a small, mercilessly bullied child first discovering karate to his years as a struggling garbage collector who spent all his free time in the gym, his hard-fought rise in the sport of mixed martial arts, and his long, painful recovery from a career-threatening injury, Georges never lost sight of his ambition to become the greatest martial artist of all time. In *The Way of the Fight*, Georges reveals what propelled him not only to become a champion but to embrace obstacles as opportunities to build character. *The Way of the Fight* is an inspirational look into the mindset of a master. To Georges, all life is competition, and there's no more perfect metaphor for competition than the life of a fighter. He explains the value of discipline, risk and even fear, with the wisdom of one who knows that his next fight could always be his last. Drawing inspiration from fighting legends, Eastern philosophy and a trusted inner circle, *The Way of the Fight* is a powerful, life-changing guide to living with purpose.
