

Joe Gunther Series In Order

Archer Mayor

Three Can Keep a Secret Archer Mayor, 2013-10-01 Archer Mayor's New York Times bestselling Joe Gunther series returns with a complex case involving two corpses, one escaped mental patient, and a long-held secret that binds them together. Three can keep a secret, if two of them are dead. —Ben Franklin Joe Gunther and his team—the Vermont Bureau of Investigation (VBI)—are usually called in on major cases by local Vermont enforcement whenever they need expertise and back-up. But after the state is devastated by Hurricane Irene, the police from one end of the state are taxed to their limits, leaving Joe Gunther involved in an odd, seemingly unrelated series of cases. In the wake of the hurricane, a seventeen-year-old gravesite is exposed, revealing a coffin that had been filled with rocks instead of the expected remains. At the same time, an old, retired state politician turns up dead at his high-end nursing home, in circumstances that leave investigators unsure that he wasn't murdered. And a patient who calls herself The Governor has walked away from a state mental facility during the post-hurricane flood. It turns out that she was indeed once Governor for a Day, over forty years ago, but that she might have also been falsely committed and drugged to keep her from revealing something that she saw all those years ago. Amidst the turmoil and the disaster relief, it's up to Joe Gunther and his team to learn what really happened with the two corpses—one missing—and what secret The Governor might have still locked in her brain that links them all.

Borderlines Archer Mayor, 2014 Lt. Joe Gunther is in Vermont's Northeast Kingdom investigating a minor embezzling case. It's a pleasant distraction, and a chance to reconnect with old friends, but when a house fire reveals itself to be arson, compounded by murder, Gunther can't help but investigate. Suddenly, he finds himself enmeshed in a web of animosity between put-upon townspeople, the state police, angry parents and members of a reclusive sect. Murder follows murder, yet no one seems to be telling Gunther the whole truth -- not even his childhood friends -- and truth is what he desperately needs if he's to stop the killings. Borderlines is the second of Archer Mayor's Joe Gunther mysteries.

Paradise City Archer Mayor, 2012-10-02 Now a New York Times bestselling series, Even in beautiful Vermont, Archer Mayor finds shadows . . . and his detective, Joe Gunther, finds a way to beat them back. —NPR Joe Gunther and his team at the Vermont Bureau of Investigation are alerted to a string of unrelated burglaries across Vermont. Someone, in addition to flatscreens, computers, and stereos, has also been stealing antiques and jewelry. Meanwhile, in Boston, an elderly woman surprises some thieves in her Beacon Hill home and is viciously murdered. The Boston police find that not only is the loot

similar to what's being stolen in Vermont, but it may have the same destination. Word is out that someone powerful is purchasing these particular kinds of items in the Paradise City of Northampton, Mass. Gunther, the Boston Police, and the vengeful granddaughter of the murdered old lady convene on Northampton, eager to get to the bottom of the mystery and find the responsible parties—although each is motivated to mete out some very different penalties.

Bomber's Moon Archer Mayor, 2019-09-24 The murder of a small-time drug dealer snowballs into the most complex case ever faced by Joe Gunther and his VBI team. It is said a bright and clear bomber's moon is the best asset to finding one's target. But beware what you wish for: What you can see at night can also see you. Often with dire consequences. *Bomber's Moon* is Archer Mayor's latest entry in the Joe Gunther series and it may just be his best yet. Two young women form the heart of this tale. One, an investigative reporter, the other a private investigator. Uneasy allies from completely different walks of life, they work together—around and sometimes against Joe Gunther and his VBI cops—in an attempt to connect the murders of a small town drug dealer, a smart, engaging, fatally flawed thief, and the tangled, political, increasingly dark goings on at a prestigious prep school. While Gunther and the VBI set about solving the two murders, Sally Kravitz and Rachel Reiling combine their talents and resources to go where the police cannot, from working undercover at Thorndike Academy, to having clandestine meetings with criminals for their insider's knowledge of Vermont's unexpectedly illicit underbelly. But there is a third element at work. A malevolent force, the common link in all this death and chaos, is hard at work sowing mayhem to protect its ancient, vicious, very dark roots.

Proof Positive Archer Mayor, 2014-09-30 Investigating the death of a Vietnam veteran whose PTSD culminated in a hoarding disorder, Joe Gunther learns that the victim's collection of combat photos contains information that a sinister adversary desperately wanted to keep hidden.

Open Season Archer Mayor, 2014 Lt. Joe Gunther of the Brattleboro, Vermont police force has a serious problem: in a community where a decade could pass without a single murder, the body count is suddenly mounting. Innocent citizens are being killed -- and others set-up -- seemingly orchestrated by a mysterious ski-masked man. Signs suggest that a three year-old murder trial might lie at the heart of things, but it's a case that many in the department would prefer remained closed. A man of quiet integrity, Lt. Gunther knows that he must pursue the case to its conclusion, wherever it leads. *Open Season* is the first of Archer Mayor's twenty-three Joe Gunther novels, a series of gripping police procedurals set in New England, where small-town charm, stoicism and civility sometimes conceal brutal truths.

Red Herring Archer Mayor, 2010-09-28 VBI (Vermont Bureau of Investigation) head Joe Gunther and his team are called in to investigate a series of violent deaths that appear unrelated until telltale clues reveal a linkage between them and that all of the deaths are, in fact, murders. However, apart from a single drop of unexplained blood left at each crime scene, there are no obvious connections between the victims or the cases. The police are faced with more questions than answers

including what do the mysterious deposits of blood mean, coming as they do from three additional unknown people. In their search for the elusive truth, the VBI must plumb the depths of every suspect's past, every victim's most intimate details, and examine each piece of evidence down to the smallest detail—an examination which includes a trip to the Brookhaven National Lab on Long Island and an exploration of cutting edge forensic technology.

The Company She Kept Archer Mayor, 2015-09-29 Over 26 years and 25 books, Joe Gunther has... grown in stature, and so has the series. —Publishers Weekly (starred review)

Open Season Archer Mayor, 2007 A frightened old woman kills a man at her door in the middle of the night and Detective Joe Gunther discovers they were co-jurors on a sensational murder trial three years earlier. Several more vicious assaults make Joe suspect that all of the jurors from that trial are now in danger.

The Catch Archer Mayor, 2008-09-30 Joe Gunther, a policeman for most of his adult life, gets the call that every cop hates and every law enforcement friend and family member fears - a fellow officer has been killed in the line of duty. During what appears to have been a routine traffic stop on a dark country Vermont road, a deputy sheriff was shot to death. From what can be seen on the cruiser's video recorder, it is believed that the killers were a couple of Boston-based drug runners pulled over by the deputy on their way from Canada to Boston. Gunther and his Vermont Bureau of Investigation team are brought in not only to identify the killers, but to track them down, regardless of where they've run - all the way from Boston to Portsmouth, New Hampshire, to the coast of Maine. Meanwhile, along that very same shoreline, Alan Budney, the disaffected son of a Maine lobsterman, is a man with big ambitions - to usurp and replace the state's primary drug kingpin, a plan that will inevitably place him on a collision course with Gunther's investigation. In a case that leads him into unfamiliar territory, Gunther finds himself facing some utterly ruthless players in a lethally dangerous game.--BOOK JACKET.

Presumption of Guilt Archer Mayor, 2016-09-27 A forty-year-old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site. It becomes a case for the Vermont Bureau of Investigation (VBI) and its leader, Joe Gunther, since they have the resources and the ability to investigate an old, very cold, missing persons case that has now been reclassified as murder. The victim was Hank Mitchell, and Gunther must chase down old rumors and speculations—who benefited from his death and the disappearance of his body? And was his death somehow tied to New York City mafia money being laundered through the construction project? But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death, right after speaking with Gunther. And when a young police officer—the son of VBI investigator Lester Spinney—is kidnapped, is that meant to be a warning to the VBI team to drop the case? After all these many years, the truth behind the murder still has to the power to kill, and it's up to Gunther and his team to capture the living and finally put the dead to rest.

Scent of Evil Archer Mayor, 2015 When the body of a fast-living young stockbroker is found in a shallow grave, suspicion first falls on a cuckolded policeman. Lt. Joe Gunther investigates the increasingly bizarre details of the crime, but finds that he's too far behind events to prevent a second murder. Indeed, whoever is responsible always seems to be a few steps ahead, as if there's a leak on the force. Sweltering August heat does nothing to calm the increasingly agitated town selectmen, who demand results. Fast-paced and intricately-plotted, with the unflinching attention to forensic detail that his readers have come to expect, *Scent of Evil* is the third of Archer Mayor's critically-acclaimed Joe Gunther mysteries.

The Readers' Advisory Guide to Mystery John Charles, Candace Clark, Joanne Hamilton-Selway, Joanna Morrison, 2012-01-09 With several well-chosen booklists, practical programming ideas, and a brand new compendium of print and web-based resources, your only crime would be not adding this guide to your collection!

Marked Man Archer Mayor, 2021-10-12 In Archer Mayor's *Marked Man*, the death of a local millionaire becomes suspicious when Joe Gunther learns that he was not who he claimed. A year ago, local philanthropist and millionaire Nathan Lyon died a natural death in his sprawling mansion, a 150,000 square foot converted mill, surrounded by his loving, attentive family. Or so it seemed at the time. Now Joe Gunther and his Vermont Bureau of Investigation team has discovered that almost nothing about that story was true. Nathan Lyon was actually Nick Bianchi from Providence, Rhode Island. His money came from Mafia-tainted sources. And his family now seems to be dying themselves and their deaths are now revealed to be murders. As Gunther's team desperately works to uncover what is going on at The Mill, who is responsible and what they are trying to accomplish, Joe himself travels to Rhode Island to look into the original source of the money. While the police are doing their jobs, private investigator Sally Kravitz teams up with reporter Rachel Reiling to expose the truth behind this tangled and expanding web of duplicity, greed, and obsession. Having betrayed many, it's no surprise that Nathan Lyon was a marked man. But now Gunther has to figure out who, among the many, killed him, and stop them before their killing spree claims another.

The Price of Malice Archer Mayor, 2009-09-29 Wayne Castine was found brutally murdered and the murderer remains at large. Castine, a suspected child predator, was killed in Brattleboro where he was involved with a tangled network of an extended family living in a local trailer park. Any member of the clan would have had the opportunity to kill him, and, as he was involved with both the mother and her 12 year old daughter, reason to commit the murder. At the same time, Joe Gunther has learned that his girlfriend Lyn Silva's fisherman father and brother, believed lost at sea off the coast of Maine, might have actually been murdered. Without enough solid information to warrant law enforcement involvement, Lyn returns to Maine to try and investigate Gunther's findings. Gunther periodically puts his on-going murder investigation on hold—irritating his colleagues and angering his bosses—to go and help Lyn in Maine. It appears increasingly possible that her father and brother weren't the good guys that Lyn always believed them to be and that they might have been involved

with vicious smugglers who murdered them—and might do the same to Lyn if she keeps pushing. Torn between his conscience and his heart, a murder investigation and a personal search for the truth, Gunther finds that betrayal and loyalty are often a matter of viewpoint.

The Surrogate Thief Archer Mayor, 2005 The latest installment in the classic Joe Gunther series finds the Vermont detective on his most personal and dangerous case yet.

100 Most Popular Contemporary Mystery Authors Bernard A. Drew, 2011-05-18 Provide your mystery fans with background information on their favorite writers and series characters, and use this as a guide for adding contemporary titles to your collections. This book examines 100 of today's top mystery novels and mystery authors hailing from countries such as the United States, Great Britain, France, Italy, South Africa, and Australia. Equally valuable to students writing research papers, readers craving new authors or more information about their favorite authors, and teachers seeking specific types of fiction to support curricula, *100 Most Popular Contemporary Mystery Authors: Biographical Sketches and Bibliographies* provides revealing information about today's best mysteries and authors—without any spoilers. Each of the accomplished writers included in this guide has established a broad audience and is recognized for work that is imaginative and innovative. The rising stars of 21st century mystery will also be included, as will authors who have won the Mystery Writers of America Grand Master Award.

Borderlines Archer Mayor, 1991 The second novel in the Joe Gunther re-release promotion finds Gunther in Gannet, Vermont. The quiet town is rocked by violence and murder when five members of a back-to-nature cult die in a suspicious fire.

The American Police Novel Leroy Lad Panek, 2015-09-17 The American police novel emerged soon after World War II and by the end of the century it was one of the most important forms of American crime fiction. The vogue for either Holmesian genius or the plucky amateur detective dominated mystery fiction until mid-century; the police hero offered a way to make the traditional mystery story contemporary. The police novel reflects sociology and history, and addresses issues tied to the police force, such as corruption, management, and brutality. Since the police novel reflects current events, the changing natures of crime, court procedures, and legislation have an impact on its plots and messages. An examination of the police novel covers both the evolution of a genre of fiction and American culture in general. This work traces the emergence of the police officer as hero and the police novel as a significant popular genre, from the cameo appearances of police in detective novels of the 1930s and 1940s through the serial killer and forensic novels of the 1990s. It follows the ways in which professional writers and police officers turned writers view the police individually and collectively. The work chronicles the ways in which changes in the law and society have affected the actions of the police and shows how the protagonists of police novels have changed in gender, race, nationality, sexual orientation, and age over the years. The major

writers examined begin with Julian Hawthorne in the nineteenth century, and include such writers as S.S. van Dine, Ellery Queen, Erle Stanley Gardner, Ed McBain, Chester Himes, MacKinley Kantor, Hillary Waugh, Dorothy Uhnak, Joseph Wambaugh, Bob Leuci, W.E.B. Griffin, and Carol O'Connor.

Eventually, you will extremely discover a additional experience and feat by spending more cash. yet when? realize you understand that you require to get those every needs like having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will lead you to comprehend even more around the globe, experience, some places, when history, amusement, and a lot more?

It is your totally own era to operate reviewing habit. in the midst of guides you could enjoy now is **Joe Gunther Series In Order** below.
