Since Jason drowned over a year and a half ago, Charlotte has struggled moving forward. She owns a popular wedding planning and events business and throws some of the most expensive and intricately-coordinated weddings, occasionally featuring celebrities, and always with her fourteen-year-old daughter's help. But her devastation is so complete that sometimes she struggles to get out of bed in the morning. As Thanksgiving approaches, a celebrity asks Charlotte to plan a gorgeous, multi-million-dollar wedding on Martha's Vineyard--the kind of event that would put her on the next tier of wedding planning and get her featured in some of the top wedding magazines around the country.

**A Vineyard Blizzard** Katie Winters, 2022 For the past twenty years, Lola Sheridan has worked tirelessly as a single mother to Audrey and a renowned journalist across the eastern seaboard. Now, she finds herself in a particularly strange and beautiful scenario. She's fallen in love with the handsome Italian sailor, Tommy Gasbarro, and made a home with him on the Vineyard. But life circumstances are ever-shifting. And when Tommy pops a question Lola never imagined anyone would ask her, she is shocked. For over twenty-five years, multi-talented married couple Victor and Cora celebrated all things theater with the Martha's Vineyard community troupe. Together, they starred in productions like *The Sound of Music*, *Fiddler on the Roof*, and *West Side Story*, amongst so many others. Days after last year's performance, Victor passed away suddenly and left Cora terribly alone, unsure if she could ever step back onstage again. At the end of February, the most tremendous Vineyard Blizzard in years threatens to rip through both Cora and Lola's best-laid plans--but winds up leaving them with numerous surprises and beautiful human connections that could change their lives forever. -- Page [4] cover.

**A Vineyard Vow** Katie Winters, 2021 A dream wedding with an unexpected twist takes Susan Sheridan and Amanda on a wild rollercoaster of emotions - one that brings them closer than ever as mother and daughter.--provided by publisher

A Vineyard Rebirth Katie Winters, 2021 In 1943, a powerful hurricane ripped across Martha's Vineyard and destroyed the Historic Cliffside Hotel. Now, a broken, long-time realtor who has lived on the island her entire life sells the old acreage and building to a passionate developer -- and finds healing, love, and light along the way. Kelli Montgomery spent the previous twenty years in a loveless and abusive marriage. Last Christmas, after her brother, Andy, arrived home after decades away, she finally found the strength to leave her husband -- but as anyone who's ever been through such trauma knows, what happens next -- the healing process, the rebirth which is the hardest, and most grueling part of healing. Years ago, Kelli and her ex took over her parents' prosperous real estate business. Now that Mike has officially left the island, the work has fallen on Kelli's shoulders. Naturally, she is struggling -- even as the rest of the Montgomery and Sheridan families do their best to hold her upright and give her all the love and care in the world. A seasoned developer and his son have arrived on the island and have their eye on the Historic Cliffside Hotel, with dreams to build it back up into one of the most prosperous and beautiful resorts the island has seen since the '40s. Lucky for them -- Kelli and her parents still have the blueprints for the old hotel -- which means its previous beauty and allure can be restored. As Kelli falls deeper into the project, she finds herself lost in a daydream of hopes -- and ultimately healing the cracks in her soul. Of course, the Montgomery and Sheridan clan -- Steven, Andy, Claire, and Charlotte, and her cousins, Susan, Christine, and Lola Sheridan, along with Uncle Wes, and her father and mother, Trevor and Kerry -- have wild summertime stories and funny tales of their own. It's another summer on Martha's Vineyard and maybe Kelli's favorite in a long, long time.

*A Vineyard Christmas Guest* Katie Winters, 2021 The Sheridan sisters' mother, Anna Sheridan never spoke much about her family, which is why the appearance of her younger sister is a surprise for all of them. She brings with her a host of troubles at the very worst time as Audrey arrives home from a tumultuous semester at Penn State, just as Christine gives birth to her very first child. Audrey has had a horrendous time away from baby Max. She grapples with guilt for going after her dreams, as she fears missing out on more essential moments in Max's life, and also questions her feelings for the handsome man she met earlier this year, when Max was in the hospital after birth. Romantic love has never been particularly good to

her. Why should she trust it, now? Christine faces the biggest mountain of all: motherhood. Is she ready for this stage of her life? She feels as big as a whale and terrified of making every possible mistake. The Vineyard Christmas guest will prove her a missing link off their happiness during a strange and overwhelming Christmas time, with all the familiar cast of Sheridan family members: Susan, Christine, and Lola, plus their daughters, partners, father, cousins, and friends.

**Vineyard Winds** Katie Winters, 2024 Winter winds sweep across Martha's Vineyard. A Montgomery family member goes missing, and the past is never as it seems. Claire's twin daughters have always been thick as thieves. But on the night of New Year's Eve, something shifts between them—and Gail and Abby refuse to speak. When Gail disappears from her college campus shortly thereafter, Claire realizes there's something sinister about the twins' argument—but she's too broken-hearted to understand. Rina is a private investigator living between Martha's Vineyard and Los Angeles. She's head-over-heels in love with Steve Montgomery, but she isn't sure he feels the same. But Gail's disappearance forces Rina to acknowledge horrific stories from her own past. Thirty years ago, her sister went missing -- and she never learned the truth. Not until now. Rina soon realizes that Gail and her sister's stories aren't so different. History has a way of repeating itself. But this time, Rina has a chance to make things right, save Gail, and build a powerful foundation with the Montgomery family. She just has to act before it's too late--Back cover.

Top-rate journalist Lola Sheridan is renowned for her ability to get to the heart of any story. But as Lola and Audrey dive into the professor's remarkable origins, they learn that the horrors of her story align with the Sheridan Family's. **Firefly Nights** Katie Winters, 2020 Christine Sheridan is the middle sister of the Sheridan clan: lost between her older sister, Susan, a successful criminal lawyer and her whip-smart little sister, Lola. Over twenty years apart, she and her sisters have just learned the secret that their dead mother has kept from them all these years, of their mother's true fate. Now, Christine returns to New York City, to her boyfriend Frank, to a life she once loved. But the prestigious restaurant they own is no more, and Christine is left once again without solid ground. At forty-one, unable to have children, and with nowhere to go--she knows only to return home to the Vineyard and her family. Martha's Vineyard is in full summer bloom. After over twenty years away, Christine falls in love again with the water, with boating, the people, and with carefree days that meander and pop with bright conversations with Lola and Susan and long afternoon swims through crystal waters. Unfortunately, her high school rival, the ever-handsome Zach Walters, seems to lurk everywhere she goes--even offering her a pastry chef position at the Sunrise Inn Bistro. Almost reluctantly, she takes it--and soon becomes the most championed pastry chef on the island. Zach doesn't seem so bad, either, although he does seem to harbor his own secrets. Still, the Sheridan clan is never far from heartbreak. As the Sheridan sisters grow closer, their father loses even more of his memory; their mother's real killer remains on the loose, as does Scott's brother, who stole an obscene amount of money from the Sunrise Cove Inn. Secrets swirl through the family--and drama escalates when Lola's daughter, Audrey, calls with shocking news that sends ripples through the entire Sheridan family. Every day, the Sheridan sisters find new ways to support, enrage, love, and surprise one another. At forty-one, Christine feels caught between her old life and her new one--poised on the brink of either collapse or the greatest love she's ever known. Will she find happiness on the island?
